"I am glad to write my endorsement of the great remedy, Peruna. I do so most heartily."--Julia Marlowe.

Any remedy that benefits digestion strengthens the nerves.

The nerve centers require nutrition.

If the digestion is impaired, the nerve centers become anemic, and nervous debility is the result.

THE ENEMY OF CHILDHOOD.

The greatest enemy of childhood is the tape worm and similar parasites. They are the direct cause of the loss of thousands of children who were so weakened by the pernicious action of these pests that they became easy victims of disease. The best protection against worms is to give the children an occasional dose of WHITE'S CREAM VERMIFUGE. It not only removes worms, but acts as a general tonic in the stomach and bowels.
