INFLAMED ECZEMA ON CHILD'S FACE

Spread All Over Nose and Mouth. Itched and Burned. Child Very Fretful. Badly Disfigured.

HEALED BY CUTICURA SOAP AND OINTMENT

"My little girl had eczema on her face. The trouble first started on her upper lip in a small pimple resembling my foot under her nose, and afterward it spread all over her nose and mouth and formed a black scab. Every time she would cry it would burst open and bleed. It itched and burned causing her to scratch and irritate her face. The trouble began the child was very fretful and restless at night and she was badly disfigured. After we used Cuticura Soap and Ointment and after using them for one month, the eczema all disappeared." (Signed) J. C. Thomas, Eagle, Ky., July 19, 1915.
