Buffalo Nursery

IS THE PLACE.

TO BUY TREES.

Will Sell to Suit the Times.

I AM NOW selling trees at the nursery on 12 months time, without interest, for $12.50 per hundred; for Cash at $10 per hundred; and $1 50 per dozen. Pear, cherry and plum trees, 50 cents each; peach 20 cents each; osage orange, 1st class, $2.50 per 1,000 2nd class $1.75 per 1,000; All other stock about the same as previous seasons.

Don't for get that our eastern neighbors are feeding apples to stock with good results, whilst we have only a scanty supply for family use. Also the eastern farmers have their barrels of cider and an abundance of the best apple vinegar, and here either is a rarity with the majority of families. And yet we most all cultivate more land than is profitable and have often an abundance of wastt and worn out lands that could be made profitable if set in trees, besides improving the condition of the land.

NOTICE.

ALL persons indebted to me on note or account are respectfully requested to settle without delay. After June 15th, 1873, I shall collect all claims by law.
