CURE YOUR KIDNEYS.

Do Not Endanger Life When a Maysville Citizen Shows You the Cure.

Why will people continue to suffer the agonies of kidney complaint, backache, urinary disorders, lameness, headaches, languor, why allow themselves to become chronic invalids, when a certain cure is offered them?

Doan's Kidney Pills is the remedy to use, because it gives to the kidneys help they need to perform their work.

If you have any, even one, of the symptoms of kidney diseases cure yourself now, before diabetes, dropsy or Bright's disease sets in. Read this Maysville testimony:

Mrs. E. Bridges, of 206 West Third street, Maysville, Ky., says:

In March, 1900, I gave a testimonial recommending Doan's Kidney Pills. I had been troubled with a lame back and weak kidneys from girlhood and in my efforts to find a cure tried many different remedies, but without benefit until I began using Doan's Kidney Pills, which I procured at J. Jas. Wood & Son's Drugstore. They went right to the cause of the trouble and as a result brought relief that led me to testify in their favor. I have never been without Doan's Kidney Pills in the house since. Every spring I take a box whether symptoms of kidney trouble are apparent or not, and in this way keep my kidneys in good condition."

For sale by all dealers. Price 50 cents a box. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

Remember the name—Doan's—and take no other.

Liver Pills

Ask your doctor if he knows a better pill for a sluggish liver than Ayer's Pills. Then follow his advice.

It is impossible, simply impossible, for any one to enjoy the best of health if the bowels are constipated. Undigested material, waste products, poisonous substances, must be daily removed from the body or there will be trouble, and often serious trouble, too. Ayer's Pills aid nature, that is all. J. C. FRANKFORT, Jan. 15.—Both Houses of the General Assembly met today in joint ballot for United States Senator.

REMARKABLE RECORD MADE IN NORTHWEST

Young Man with New Theory Is Astonishingly Successful in Minneapolis.

The remarkable success that has attended L. T. Cooper during the past year has not been confined to any one locality, but is so widespread that the young man is now a well-known figure in most of the leading cities of the country.

Mr. Cooper believes that the stomach is the foundation for most ill health, and claims that his preparation, by regulating the stomach, is a true specific for most diseases. The following extract from the Tribune of Minneapolis gives an idea of the surprising number of people who are accepting Cooper's theory. The article was one of many that appeared during Cooper's stay in Minneapolis, and is as follows:

"The sale of Cooper's preparation is now phenomenal in this city, and an estimate made today seems to indicate beyond all doubt that it will equal the large figures reported from Pittsburg during the thirty days Mr. Cooper spent in that city.

"During the past twenty-two days Mr. Cooper has been in Minneapolis, the sale of his preparation has averaged about two thousand bottles a day. When the amount of medicine disposed of throughout the state is added to this, the amount will be doubled. Therefore, the young man has sold in twenty-two days eighty-eight thousand bottles of his medicine in the state of Minnesota alone, which is a truly remarkable record.

"During the past week so many hundreds of Minneapolis people have been calling to thank Cooper for the good he has accomplished with his medicine, that it is safe to say that his visit will long be remembered by the sick of the city."

We sell the famous Cooper preparation which has made a similar record to the above wherever introduced.—T. J. Chenoweth
