BEEVES—Receipts yesterday and to-day were 142 cars at Jersey City and 129 cars at 40th-st., making 4,661 head, against 5,6[illegible] head last Monday. The arrivals the past week were 670 head less than last week and 1,057 head less than the corresponding week last year.

With continued heavy receipts on Wednesday last prices yielded a trifle on the lower grades and from $1 per head to ¼c. per lb on Good to Choice Bullocks; but with light arrivals on Friday and favorable weather there was an advance of ¼c. per lb on all but the top grades.

Of to-day's arrivals 88 cars were reserved by Exporters and 47 cars came direct to slaughterers, so that including a few of Friday's Cattle which came in late and were held over, there were only 142 cars on the market. With a light supply and a good demand from both slaughterers and exporters the market ruled very firm at an advance of from ¼ to ½c. per lb, the medium grades selling at strong prices, and slaughterers claimed that in some cases they paid more than last week's prices. Trade was brisk, with an early clearance of the yards. Some Ohio Oxen and Texas Steers and Oxen mixed sold at 10½c. 55 lb, and a few Stillfed Cows and Stags at 5½@5¾c. Ordinary to Fair Stillers brought 11½@12c. to dress 56 lb; and Very Common to Fair Grass and Corn-fed Cattle ranged from 10¾ to 12¼c. to dress 55 to 57 lb, with $7 50 reached for Choice sold at 12½@13c. to dress 56 to 57 lb, with $7 50 reached for about two car-loads. Exporters bought 1,65 head for shipment alive at $7@$7 30; and 267 head for export dressed at 11@12¼c. to dress 56 lb.
