or third, Panique fourth, Himalaya and Welcher last. Welcher stumbled and careened against Himalaya, knocking him down. Feakes was much shaken and bruised, but neither he nor the colt was seriously injured. This accident put Welcher as well as Himalaya out of the race. He ran last to the end.

Taking the lead from Ecuador, Greystone held it to the final furlong. Ecuador ran second alone until they reached the home turn in the last mile, when Panique joined him and the two ran head and head at Greystone's heels for a furlong. But in the homestretch Panique could not keep the pace. Ecuador not only kept it, but increased it, and under the whip outran Greystone after a hard struggle. Ecuador won by a half length in 2:40¾. Greystone second, two lengths before Leo, Panique fifth, Vocalie was fourth, six lengths behind Leo, Panique fifth, and Orator sixth. Orator ran a furlong behind the line. Here he began to shiver and quake, Hayward hastily dismounted, and Orator dropped dead on the track from heart disease. He was superbly bred, and his death was a great loss to his owner. Pools, $25 05

DRAKE CARTER'S FIRST SUCCESS THIS YEAR.

The Shrewsbury Handicap was the next race; $50 each, $1,000 added; $250 to second; 1½ miles. Seven starters—G. L. Lorillard's gelding Monitor (aged, 123, Fitzpatrick) and colt Trafalgar (4, 108, Brennan), Mo-Mahon's gelding Lytton (4, 98, Walker), P. Lorillard's gelding Drake Carter (4, 119, Hayward), Dwyers' colt Barnes (4, 123, McLaughlin), Davis & Hall's Ella Warfield (aged, 103, Meaton), Westfield Stable's gelding Levant (4, 108, Henderson). Books—Barnes 8 to 5, Drake Carter 3 to 1, Trafalgar 4 to 1, Monitor 5 to 1, Ella Warfield 5 to 1, Levant 6 to 1, Lytton 8 to 1. Pools—Barnes $100, G. Lorillard's pair $60, Drake Carter $55, Levant $35, Ella Warfield $30, Lytton $15.

The first half-mile was run at a slow pace, Trafalgar being first in the lead, and then Monitor, Drake Carter second. Soon after passing the judges' stand the first time Drake Carter dashed away, and with Monitor running second and Levant third, remained from one to two lengths in front up to the last quarter-mile. Monitor ran up gallantly at the furlong post on the homestretch, but succeeds a little more work, and was soon forced to slacken speed. McLaughlin brought up Barnes with a mighty rush, but Hayward, using all his art and all his strength, plying whip and spur, got Drake Carter home first by a neck in 2:42½. Barnes second, three lengths before Levant, he a neck before Monitor. Lytton was fifth and Trafalgar sixth. Mutual pools $29 65.

BOULOTTE NOT RIDDEN TO WIN.

The fifth race was a selling affair for $500; 7a mile. Seven starters—Buckstone's Boulotte (3, 90, McCarthy), Kelso's Eclat (3, 93, Meaton), R. W. Walden's Ghost (3, 98, McManus), Davis & Hall's Rosiere, (3, 104, Adams), Pettengill's Constantina (6, 98, Green), Morris & Patton's Manitoba (3, 101, Purcell), Dwyer's Eldorado (3, 110, McLaughlin). Books—Boulotte 2 to 1, Constantina 3 to 1, Eclat 5 to 1, Rosiere 6 to 1, Manitoba 6 to 1, Eldorado 7 to 1, Ghost 8 to 1. Pools—Boulotte $130, Constantina $75, Manitoba $55, Rosiere $30, field $55.

The start was straggling, Eclat being in front, Eldorado ran into the lead, but Constantina passed him on the lower turn and won by three lengths in 1:30, Eclat second, Boulotte third, Manitoba fourth, the rest pulled up.

Boulotte is well known to be very fast. She was ridden so oddly that the judges questioned both jockey and trainer. The boy seemed to try to get off last and along the backstretch he kept her back so far that she could not make up the gap. Some of the betting on the race appeared peculiar. Mutual pools $18 95.

BONAIRETTA'S SUCCESS.

The steeplechase over the short course had eight starters—Flynn's Beaverwyck (5, 148, Delany), Revere Stable's Puritan (aged, 138, M. Kenney), Lakeland's Bonairetta (4, 126, I. Kenney), McMahon's Marshall (5, 150, Hurley), Benn's Secret (5, 125, Douglass), Bruce's Palanca (6, 125, Verplanck), Birmingham's Odette (5, 130, Lynch), Dawes's mare Chipola (5, 128, Guerin). Books—Beaverwyck 3 to 1, Puritan 3 to 1, Bonairetta 5 to 1, Palanca 5 to 1, Odette 6 to 1, Chipola 6 to 1, Marshall 8 to 1, Secret 12 to 1. Pools—Beaverwyck $60, Puritan $55, Odette $40, Palanca $35, field $50.

Secret fell at the second jump, injuring herself badly and stunning her rider. Palanca led in fine style up to the final half mile, Puritan second, but both tired before the end was reached. Bonairetta won easily, Chipola second, Beaverwyck third, Marshall fourth, Palanca fifth, Puritan sixth, Odette seventh. Time 3:15. Pools $35 50.

JULY MEETING AT MYSTIC PARK.

BOSTON, July 8.—The July meeting at Mystic Park opened to-day with a small attendance. An almost incessant rain rendered the track slow. Two incidents were on the card—the 3 minute and 2:22 classes—but both were postponed until to-morrow. One heat in the 3 minute class, however, was trotted in a pouring rain with the following result:

L. M. Tough, New-York, b. s., Alladin	1
H. H. Gibbs, Brockton, ch. m., Lizzie Perkins	2
J. A. Dustin, Springfield, b. m., Lettie	3
J. Beardley, New-York, b. g., Charlie D.	4
S. F. Lake, Philadelphia, b. m., Mattie Willis	5

Time—2:29½.

ATTEMPTS TO BEAT TWO RECORDS.

CHICAGO, July 8.—The trotting races which were to have taken place at the Driving Park to-day were postponed until to-morrow. The features of to-morrow's programme will be the attempt of Jay Eye-See to beat Maud S.'s trotting record—2:10¾—and of Johnston to beat his own pacing record of 2:10

CONTESTS WITH BAT AND BALL.

Baseball nines selected from the New-York and Brooklyn police played a game before a small crowd at Washington Park, Brooklyn, yesterday. The New-York nine had Caden, formerly of the local League club, to pitch for them, and the Brooklyn nine lost the game through their inability to hit his delivery. The score was as follows:

New-York	0 0 8 2 7 2 5 0 4—28
Brooklyn	8 2 1 0 2 0 2 1 2—18

Metropolitan	0 0 0 0 0 0 2 1 0—8

Bright, of Bridgeport, Conn., that lately made the journey from Richmond, Va., 334 miles, were counterMarked in the city yesterday for the journey for record from 500 miles. THERE IS MUSIC IN THE AIR.

Air—Tramp! Tramp! Tramp! The Boys are Marching

There is music in the air,
That is swelling everywhere,
And as when every valley, hill and plain,
'Tis the rolling of the drums,
As the mighty army comes
To defend the Starry Banner once again!

Tramp! Tramp! Tramp!
The boys are marching
Shouting: Rally! every man!
From Oregon to Maine
With our banner-bearer BLAINE,
While that gallant soldier LOGAN leads the van!

'Tis the same united band
That preserved our blessed land
When Rebellion tried to rend the tie in twain;
It has governed four times four,
And will win for four times more,
Then another four years we will have again.

Tramp! Tramp! Tramp!
The boys are marching, etc.

'Tis the band whose heroes bled—
'Tis the band that LINCOLN led—
'Tis the band that followed SHERMAN to the sea!
Gave us GRANT, the great and true,
And our noble "Boys in Blue,"
Whose devotion set four million captives free!

Tramp! Tramp! Tramp!
The boys are marching, etc. W. H. M.

MR. BLAINE ON SOUTHERN REPUBLICANISM.

Postmaster Merchant's account of interview with Blaine in New-Orleans Picayune.

That the South was solidly Democratic was, he believed, much more due to the injudicious way in which the Republican party had been manipulated in the Southern states than through an attachment the people really have to the Bourbon Democracy. In Louisiana and other Southern States great manufacturing industries are growing up. The development of great natural resources are claiming attention. Of these last the sugar of Louisiana and the iron of Alabama and Tennessee. The native riches of the Southern country are now attracting and commanding the attention of capitalists. The people find that they have great and growing interests that need the sympathy and fostering aid of the National Government. These interests must of necessity impel them toward the Republican party, and to the Republican party they must look. It is then of the first importance to make the Republican party in the South as respectable and honorable in personnel as it is in the North. Such a policy would attract to it the best people in the South, whose interests find practical sympathy in that party. Mr. Blaine said he would, if elected to the Presidency, devote himself largely to the work of building up the Republican party in this section, and thus break up the solid South by the voluntary action of the people themselves.

NATIONAL CAPITAL TOPICS.

CIVIL SERVICE EXAMINATIONS.

WASHINGTON, July 8.—Congress has provided for the appointment of 150 special pension examiners for service in the field, with a salary of $1,600 a year. About 120 in addition to those already examined will be needed to fill these positions, and examinations will be held as soon as practicable by the Civil Service Commission at several principal places throughout the country to meet the convenience of applicants. The examinations will necessarily embrace some knowledge of law, especially the rules of evidence, and some knowledge of anatomy and physiology. All applications must be made on blanks that will be furnished by the Civil Service Commission to all who apply. Congress also provided for some increase of the number of patent examiners, and special examinations will be held. These examinations will include mathematics, physics, chemistry and the principles of mechanics. Notices of the times and places of holding these examinations will be issued soon.

THE COURTS.

THE PARK INVESTIGATION.

The investigation into the management of the Park Department was continued yesterday. The first witness, Charles E. Beecher, testified that the gravel banks at Roa Hook and Cauldwell's were practically of the same formation and value, and that one was as suitable for park purposes as the other. William H. Grant, the engineer who laid out many of the parks and constructed the works, testified that his estimate of the cost for laying out, monumenting and making maps of the streets in the Twenty-third and Twenty-fourth Wards was $13,000; that there were 320 miles of the new system of streets in those wards, and that about forty-five miles were laid out and monumented before the annexation and about forty-five miles since. Maps for only three of the forty five miles of streets for which maps have been filed have been filed during the last three years. According to Mr. Grant's estimates of the cost of surveying, monumenting, etc., the Twenty-third and Twenty-fourth Wards, $400 per mile would be sufficient, but according to the figures in the Controller's books it has cost the city $65,619 20 to survey, lay out, monument, and get maps filed for three miles of streets, and the Park Department has taken three years in which to do that much. The hearing will go on to-day at 10:30 a. m.

SURFACE RAILROADS IN BROADWAY.

Application was made yesterday by the Broadway Surface Railway Company in the Supreme Court, General Term, for the appointment of commissioners to determine whether a railroad should be built in Broadway, from the Battery to Fifteenth-st. on the west side of Union Square. The application was made on the petition of John M. Scribner and O. K. Bright. James C. Carter, counsel for the Broadway Railroad Company, opposed the petition, and later presented a petition himself from many property-owners asking for the appointment of a commission.

C. C. Beaman, of Evarts, Southmayd & Choate, said that he appeared for several property-owners in Broadway, who were opposed to any railroad being built in that street, and asserted that the court had no jurisdiction to appoint a commission. Cyrus W. Field, by his counsel, opposed having a road built opposite the Washington Building, at Bowling Green. Chief Justice Davis decided that the court was bound to appoint a commission, and that only one commission should be appointed.

BITS OF COURT NEWS.

Application was made to Judge Freedman, in Superior Court, Chambers, yesterday, by Kate Lillian Lewis, an actress and authoress, for counsel fees and alimony in her suit against her husband, Julien J. Lewis, for separation. They were married on April 2, 1878. She alleges that on July 1 of the same year he attempted to throw her out of a window at No. 10 Waverly place, and had treated her with great cruelty on many occasions, threatening to kill her. The husband, in his answer, denies all his wife's allegations and says that he met her first in a house of bad repute in this city, and upon promising to reform, he married her; but she did not reform. She says that he is in receipt of an income of over $4,500 and he denies it. The court reserved its decision.

Judge Van Brunt appointed Josephine Stephenson guardian of Mary Josephine Benyons. The ward is nineteen years old and was married to Dudley Edward Benyons in July, 1881. She declares that he was a married man at the time, and seeks, through a guardian, to get the marriage declared void.

Heeler—"Well, General, our party seems to be lacking up, and I think we can get you in somehow." Jo. E. P.—"Excuse me, but to what party do you belong?" Heeler—"Why, the Gro-Block." R. F. E.—"Cal! Yes, we are doing splendidly."—Boston Post.
