AN item is floating in many of our exchanges that the word "girl" occurs in the Bible but once—Joel III, 3. A "little girl" writes us that it can also be found in Zacharish VIII, 5.

A WOMAN of brains suggests that girls, no matter how wealthy their families, should be brought up to some occupation whereby they can earn an honest living in the hour of need.

DR. B. PICK, *Rochester, New York.*

A CHICAGO man announces that he has made a machine by means of which, in the twinkling of an eye, he can convert Lake Michigan water, or any other water, into light, heat or steam, as his patrons may desire, besides incidentally knocking the received laws of natural philosophy into a cocked hat. Yet the gas companies are examining meters and collecting bills as usual.

DR. LORIMER, the Chicago clergyman, who was charged with stealing matter from the sermons of others and palming it off as original, has sent his defense to Dr. Parker, of London. The latter proposes a fair test. He advices Dr. Lorimer to let some respectable citizen of Chicago select 10 or 12 of his manuscript sermons, to publish them at his own expense, and to defy the world to discover any plagiarizing in them.

ILLINOIS is the largest wheat-producing State in the Union, according to the reports of the Department of Agriculture for 1879. It is credited with 45,000,000 bushels; Iowa, 40,000,000; Minnesota, 36,600,000; Kansas, 35,000,000; Indiana, 31,000,000; Nebraska, 31,000,000. Kansas, which was the first wheat-producing State in the Union last year, is fourth this year, because of the partial failure of the wheat crop in some of the counties of the State, from drought.

Ladies, Delicate and Feeble.

Those languid, tiresome sensations, causing you to feel scarcely able to be on your feet; that constant drain that is taking from your system all its former elasticity; driving the bloom from your cheeks; that continual strain upon your vital forces, rendering you irritable and fretful, can easily be removed by the use of that marvelous remedy, Hop Bitters. Irregularities and obstructions of your system are relieved at once, while the special cause of periodical pain are permanently removed. Will you heed this? See "Truths."

Its local and general news is unusually full, and its discussions of political and other questions are able and vigorous.

A Pennsylvania Border Tale.

In the Philadelphia *Weekly Press* of date November 29 is commenced a thrilling Pennsylvania historical romance, entitled "The Brady Brothers; or Bald Eagle's Nest." Its scenes will be located on the West Branch of the Susquehanna during that bloody and troubled period immediately following the massacre of Wyoming, and "the great runaway," John Brady; his brave and stalwart sons, James and Samuel; Colonels Kelly and Plunkett, Queen Esther, Bald Eagle and other celebrities of that time will figure prominently. The theme was suggested by the late Brady centennial celebration at Muncy, and is from the pen of Charles McKnight, author of "Our Western Border," "Simon Girty, the White Savage," and "Captain Jack, the Scout."

A MAN

WHO IS UNACQUAINTED WITH THE GEOGRAPHY OF THIS COUNTRY, WILL SEE BY EXAMINING THIS MAP, THAT THE

CHICAGO, ROCK ISLAND & PACIFIC R. R.

IS THE GREAT CONNECTING LINK BETWEEN THE EAST AND THE WEST!

It runs in fine trains from Chicago to Council Bluffs and Omaha, passing through Joliet, Ottawa, La Salle, Genesee, Moline, Rock Island, Davenport, West Liberty, Iowa City, Marengo, Brooklyn, Grinnell and Des Moines, (the capital of Iowa) with branches from Bureau Junction to Peoria; Wilton Junction to Muscatine, Washington, Fairfield, Eldon, Bellaire, Centreville, Princeton, Trenton, Gallatin, Cameron, Leavenworth and Atchison; Wesson to Sigourney, Oskaloosa and Knoxville; Keokuk to Farmington, Bonaparte, Bentonsport, Independence, Eldon, Ottumwa, Eddyville, Oskaloosa, Pella, Monroe and Des Moines; Des Moines to Indianola and Whitebreast; Atlantic to Audubon, and Avoca to Harlan. This is positively the only Railroad, which owns, controls and operates a through line between Chicago and Kansas.

This Company own and control their Sleeping Cars, which are inferior to none, and give you a double berth between Chicago and Council Bluffs, Leavenworth, or Atchison for Two Dollars and Fifty Cents, and a section for Five Dollars, while all other lines charge between the same points Three Dollars for a double berth, and Six Dollars for a section.

What will please you most will be the pleasure of enjoying your meals, while passing over the beautiful prairies of Illinois and Iowa, in one of our magnificent Dining and Restaurant Cars that accompany all Through Express Trains. You get an entire meal as good as is served in any first-class hotel, for seventy-five cents; or you can order what you like, and pay for what you get.

Appreciative of the fact that a majority of the people prefer separate apartments for different purposes and the enormous passenger business of this fine company, it is we are pleased to announce that this company runs its PALACE SLEEPING CARS for sleeping purposes, and its PALACE DINING CARS for Eating purposes, the other great feature of our Palace Cars is a SMOKING SALOON where you can enjoy your Havana "STAR" or any brand of Cigars. Magnificent Iron Bridges span the Mississippi and Missouri rivers at all points crossed by the line, and transfers are avoided at Council Bluffs, Leavenworth and Atchison, connections being made in Union depots.
