Mrs. Lucas had a serious form of malaria, and was confined to her bed for months. Kaskine had her up and around in a few days, and in a short time cured her."

Living in the malarial districts of Maryland I became a victim of worst forms of malarial fever. I drugged myself with quinine and other remedies without avail. I was greatly reduced when I heard of Kaskine. Its curative powers were a medical revelation to me. It cured me and I have not had a return of the troubles

Highly Recommended.

For eight months the best natured creature in the world had undisputed sway in the kitchen and its environs; but toward spring the mistress began to take account of stock.

"Bridget," she asked, "where are the pots and frying pans?"

"Pots, ma'am? and it's good for nothing they are! Every family as I live with always get new pots in the spring."

"Bridget, I cannot find the kitchen dishes!

"Dishes, ma'am? and it's in the ash cart they are. Every family as I lives with always gets new dishes in the spring."

"Bridget, what have you done with the bed and table linen? It's positively in rags!"

"Rags, ma'am? What would you be expecting after the cold weather? Everybody as I lives with always gets new things in the spring."

"Bridget, when I walked through the kitchen last night, there were hundreds of roaches running over the floor and on the tables and shelves. How could you let so many bugs live in the house?

"Roachs, is it, ma,am? and you haven't any at all! Bugs always come out in the spring. Every family as I lives with has many running in the daytime as there is here at night?"

"Well, Bridget, I think you had better get a new home."

"And I think so myself, ma'am. Every family as I lives with in the winter always gets a new girl in the spring."

—COMPARISON SOLICITED. — A wise discrimination should be exercised by all who take medicine. The proprietors of Hood's Sarsaparilla solicit a careful comparison of this medicine with other blood purifiers and medicines, being confident that the peculiar merits of Hood's Sarsaparilla ere so apparent that the people will unhesitatingly prefer it to any other preparation. Hood's Sarsaparilla is not a mixture of molasses and a few inert roots and herbs, but it is a peculiar concentrated extract of the best alterative and blood-purifying remedies of the vegetable kingdom. The enormous sales of Hood's Sarsaparilla, and the wonderful cures effected, prove even more than has been claimed for this medicine. If you are sick the best medicine is none too good. Therefore, take Hood's Sarsaparilla.

While I was suffering intensely I was induced, through Mr. Tichenor's testimonial, to try Ely's Cream Balm The effect was marvelous. In Brief, And To The Point.

Dyspepsia is dreadful. Disordered *liver is misery. Indigestion is a foe to good nature.*

The human digestive apparatus is one of the most complicated and wonderful things in existence. It is easily put out of order.

Greasy food, tough food, sloppy food, bad cookery, mental worry, late hours, irregular habits, and many other things which ought not to be, have made the American people a nation of dyspeptics.

But Grean's August Flower has done a wonderful work in reforming this sad business and making the American people so healthy that they can enjoy their meals and be happy.

Drunkenness or the Liquor Habit Positively Cured by administering Dr. Haines' Golden Specific.

It can be given in a cup of coffee or tea without the knowledge of the person taking it; is absolutely harmless and will effect a permanent and speedy cure, whether the patient is a moderate drinker or an alcoholic wreck. Thousands of drunkards have been made temperate men who have taken the Golden Specific in their coffee without their knowledge, and to-day believe they quit drinking of their own free-will. IT NEVER FAILS. The system once impregnated with the Specific it becomes an utter impossibility for the liquor appetite to exist. FOR FALL AND WINTER

—YOU WILL FIND AT—

JOHN BICKEL'S,

22 SOUTH MAIN STREET.

BUTLER, - - PA.,

One of the largest and most complete lines of

BOOTS, SHOES
—AND—
RUBBERS

Ever offered to the trade. Anticipating an unusually large trade this fall I bought accordingly and my store is filled to its utmost capacity awaiting your arrival to make your purchases for fall and winter which you should do as early as possible while the selection is large and the stock full and complete.

Mens' and Boys' Kip Boots.

I am happy to inform the trade that my stock of Boots is perfect in every particular and cannot help being appreciated for I took special care in selecting them, feeling that this line of goods above all others should be selected with the most care possible. They are here and fully up to my idea of a Boot for a man or boy who has to be out in all kinds of weather in the winter. My Common Kip Boots are all cut of the famous Walker Oakley Kips of Chicago, and every pair warranted to turn water and stay soft and pliable. I have the utmost confidence in these Boots knowing so well the grade of stock they are made from. I feel perfectly safe in recommending them to my trade. Prices on this particular line is Mens' Hand Peg, Hand sided Kip Boots, $2.25; Boys' $1.75, Youths' $1.25, Childrens' 90 cts. My cheaper boots are all cut from first class stock, prices from 50 to 75 cts. lower than other grades.

LADIES', MISSES' AND CHILDRENS' SHOES.

This line of goods is thoroughly complete both in fine and common shoes. Every day shoes for persons that require a good strong shoe I have them made from Oak Kip, and the very best tannery Calf every pair pefectly waterproof and servicable. The Childrens' School Shoes are all made extra high cut of good Calf skin and Oil Goat both being waterproof secures *for them a very important thing and that is dry feet at all* times in the winter. In Ladies and Misses Fine Shoes an inspection will convince you that they are all that I claim for them

Good Goods, Correct Styles and Perfect Fitting

And prices on all these goods are greatly reduced since last *year. Ladies and Misses Fine Shoes are fully 15 per cent. below last year's prices and Childrens' High Cut School Shoes* are selling at same price the Low Cut goods sold at before. In offering this line of goods I feel justly proud that I am able *to place them on sale at the remarkable low price at which* they are to be sold.

Mens' Fine Seamless Shoes,

I wish particularly to call your attention to a line of fine seam*less shoes in Button, Bal. or Congress, Tip or Plain Toe.* I have lines that are much cheaper and some that are higher price, but this one line I consider a Special Bargain having bought 67 cases of these fine shoes at less than first cost I have placed them on sale for $1.50 a pair. They are worth considerable more money and you had better secure a pair before they are all gone.

List of Some of my Specialties

Ladies' spring heel Shoes and Slippers, Ladies' felt sole Shoes and Slippers, Old Ladies' warm shoes and slippers, Ladies' fine Beaver cloth button shoe warm lined hand turned—a perfect success
Mens' low instep Boots in Kip and Calf, Mens' Felt Boots, Mens' Beaver Boots, Mens' Duck Boots—warm and waterproof.

BOOTS and SHOES MADE to ORDER

My capacity for making strictly hand made Boots and Shoes is the largest in Western Pennsylvania. All work warranted and fit guaranteed.

500 Pair Shop Boots on hand which makes it very convenient for any who cannot wait to have their Boots made. They are all made of French Kip, Box toe and plain, three or four soles, extra high in the leg. A full stock of shop made Shoes always on hand in Button, Bal. and Congress. Repairing both Rubber and Leather Goods. Leathre and Findings less than City prices.

BOSTON RUBBER GOODS

Only. As Boston Rubber Shoe Co's goods are the best goods in the market experience has taught me that there is nothing to be made by handling those low priced Rubbers. So I have concluded to handle Boston goods and the price I will sell them at puts them within the reach of all. Every pair of Rubber Boots and Shoes in my house have been made this year and all plainly stamped Boston Rubber Shoe Co.

MENS' RUBBER BOOTS, Bostons, $2.35, including a pair of good heavy slippers. The above price cannot be duplicated. Boys' Rubber Boots $1.85, Bostons' Youths' $1.25, Womens' $1.35, Childrens' 90 cts., Misses' $1.15.
