DR. B. J. KENDALL CO.:
Sirs:—Last Summer I cured a Curb upon my horse with your celebrated Kendall's Spavin Cure and it was the best job I ever saw done. I have a dozen empty bottles, having used it with perfect success, curing every thing I tried it on. My neighbor had a horse with a very bad Spavin that made him lame. He asked me how to cure it. I recommended Kendall's Spavin Cure. He cured the Spavin in just three weeks.
Yours respectfully, WOLCOTT WITTER.

Dear Sirs:—I have used several bottles of your Kendall's Spavin Cure with perfect success, on a valuable and blooded mare that was quite lame with a Bone Spavin. The mare is now entirely free from lameness and shows *no bunch on the joint.*
Respectfully, F. H. HITCHCOCK.

KENDALL'S SPAVIN CURE.

DR. B. J. KENDALL CO., MONROE, LA., May 8, '90.

Gents:—I think it my duty to render you my thanks for your far famed Kendall's Spavin Cure. I had a four year old filly which I prized very highly. She had a very severe swollen leg. I tried about eight different kinds of medicines which did no good. I purchased a bottle of your Kendall's Spavin Cure which cured her in four days.
I remain yours, MARION DOWDEN.

Price $1 per bottle, or six bottles for $5. All druggists have it or can get it for you, or it will be sent to any address on receipt of price by the proprietors. DR. B. J. KENDALL CO., Enosburgh Falls, Vermont

To every reader of this paper who suffers from Indigestion, Dyspepsia, Biliousness, Liver Complaint, Sick Headache, Nervous Debility or Consumption, a free bottle of that most wonderful medicine, **Floraplexion**, which is the only absolute and permanent cure for the above named diseases. I can afford to do this because I know that nine out of every ten persons who try it will be so well satisfied with the results they will take pleasure in speaking about its marvelous curative virtues to all their friends and acquaintances. The value of this sort of advertising to me is worth many times the cost of the medicine given away, so I am well compensated for the seeming large expense.

I have over 70,000 letters on file from people who have been cured of one or more of the complaints above named. Write to-day stating your disease and receive a free bottle by return mail, or ask your druggist for it and get well. Address,

—Reading does not always make a man intelligent. It just as often makes a fool of him. Whether a man's intelligence and judgment are improved by what he reads depends entirely upon what he reads. Many a level headed fellow is lead estray and transformed into a veritable ass by reading sophistry and lies. It no more follows that a man's intellect will be improved by indiscriminate reading than that his health would be improved by the promiscuous use of drugs. It is the quality and not the quantity of his reading, that expands his brain and balances his judgment.

To Consumptives.

The undersigned having been restored to health by simple means, after suffering for several years with a severe lung affection, and that dread disease Consumption, is anxious to make known to his fellow sufferers the means of cure. To those who desire it, he will cheerfully send (free of charge) a copy of the prescription used, which they will find a sure cure for Consumption, Asthma, Catarrh, Bronchitis and all throat and lung Maladies. He hopes all sufferers will try his Remedy, as it is invaluable. Those desiring the prescription, which will cost them nothing, and may prove a blessing, will please address REV. EDWARD A. Do you see the Point?

Well, if the man in our illustration does not see it, it is not because it is not near his eye. Now we want to place a pointer before your eye. The holiday season is fast approaching; Christmas is coming, in fact it's almost here. Already pleasant surprises are being planned; mysterious whispered consultations are being held, and packages of suggestive appearance are being carefully stowed in out-of-the-way places where they will be hid from prying eyes. A Merry Christmas is an old, old theme, yet always new. There is a generation of little toddlers who this year for the first time will listen at some loving mother's knee to wonderful tales of Santa Claus and other Christmas lore more wonderful than all the splendors evoked by Aladdin's lamp will be just as potent as ever in convincing the Young America of to-day that the holiday season is worth all the rest of the year put together.

Do we hear an impatient Yes, yes, but having become a man I have put away childish things? Wait a moment, reader. Does it not add dignity to the occasion to think that on Christmas morning a future President will concentrate his thoughts on a tin rattle with the same absorbed attention that he will one day devote to his inaugural address; that a coming Secretary of our Treasury will grapple with his first financial problem and get an idea of the difficulties of specie resumption by attempting the impossible feat of shaking that bright new copper out of his toy bank, etc. Then leaving the children, think of the pleasure derived from the exchange of gifts among the youth, the middle aged and the old; how it strengthens the ties of friendship and delights the loving hearts of dear ones to receive a proof of your fond remembrance and affectionate regard. Now we do not wish to worry or perplex you, but as a pointer we would just say, Whatever else you may do between now and New Year be sure and see our novelties before buying any gifts for your friends or relatives. Mind you, we don't say buy of us, we merely say see our attractions before you buy, and we would ask as a favor of you to bring the children along. We hope every little child in this vicinity will be allowed to visit our place during the next two weeks. In order to accommodate our many friends throughout the county we will begin our great holiday distribution on Dec. 18th, and continue until after the holidays. Come everybody and bring your friends and children along.

Thanking you for your very liberal patronage during the past year I wish you one and all a merry Christmas and a happy and prosperous New Year.
