KENDALL'S SPAVIN CURE.

BELVERNON, Pa., Nov. 27, '90.

DR. B. J. KENDALL CO.:

Gents—I would like to make known to those who are almost persuaded to use Kendall's Spavin Cure the fact that I think it is a most excellent Liniment. I have used it on a Blood Spavin. The horse went on three legs for three years when I commenced to use your Kendall's Spavin Cure. I used ten bottles on the horse and have worked him for three years since and has not been lame.

Yours truly, WM. A. CURL.

GERMANTOWN, N. Y., Nov. 2, 1889.

DR. B. J. KENDALL CO.,
Enosburgh Falls, Vt.

Gents: In praise of Kendall's Spavin Cure I will say, that a year ago I had a valuable young horse become very lame, hock enlarged and swollen. The horsemen about here (we have no Veterinary Surgeon here) pronounced his lameness Blood Spavin or Thoroughpin, they all told me there was **no cure for it,** he became about useless, and I considered him almost worthless. A friend told me of the merits of your Kendall's Spavin Cure, so I bought a bottle, and I could see very plainly great improvements immediately from its use, and before the bottle was used up I was satisfied that it was doing him a great deal of good. I bought a second bottle, and before it was used up my horse was **cured** and has been in the team doing heavy work all the season since last April, showing no more signs of it. I consider your Kendall's Spavin Cure a valuable medicine, and it should be in every stable in the land. Respectfully yours,

EUGENE DEWITT.

Price $1 per bottle, or six bottles for $5. All druggists have it or can get it for you, or it will be sent to any address on receipt of price by the proprietors.

Here we have lots of room and pay no rent and more than doubled our sales last year and expect to increase them as much this year. All who came last year to see if we had as large a stock and sold as cheap as we advertised said we were too modest in our declarations and said they did not expect to find half as much, even after reading our advertisements. You know us now and of course will continue to deal here, but we must tell you we have twice as large a stock now as when you were here before and still cutting prices lower. To those who have never been here, we want you to come too. We don't advertise to blow. If you don't find more stock here at lower prices than you ever expected after reading our advertisement we will pay you for your time that it takes to walk down here from Main St.

To supply this plant-food in the proper shape is our business. We say *proper* shape because most anybody can mix a little South Carolina Rock and Kainit together and call it a fertilizer; but twenty-three years experience at the business, with our complete facilities, has enabled us to make fertilizers that will produce the desired results. There isn't any question about it. You will say so too, if you have used our goods, and if you haven't, you can get them and all desired information from our agents.
