that some houses always seem to need repainting; they look dingy, rusted, faded. Others always look bright, clean, fresh. The owner of the first "economizes" with "cheap" mixed paints, etc.; the second paints with

Strictly Pure White Lead

The first spends three times as much for paint in five years, and his buildings never look as well.

Almost everybody knows that good paint can only be had by using strictly pure White Lead. The difficulty is lack of care in selecting it. The following brands are strictly pure White Lead, "Old Dutch" process; they are standard and well known—established by the test of years:

"Armstrong & McKelvy" "Beymer-Bauman" "Fahnestock" "Davis-Chambers"

For any color (other than white) tint the Strictly Pure White Lead with National Lead Company's Pure White Lead Tinting Colors, and you will have the best paint that it is possible to put on a building.

For sale by the most reliable dealers in paints everywhere.

If you are going to paint, it will pay you to send to us for a book containing information that may save you many a dollar; it will only cost you a postal card to do so.

THE CITIZEN

A Greensburg Sensation.

(Tribune and Herald.)

Another case of "man's inhumanity to man" comes from Pleasant Unity, in which a once happy family is now rent asunder, and the husband, Rev. A. D. Potts, a prominent and well known minister is almost distracted over the duplicity of his former physician, Dr. L. T. Smith of Greensburg, and the infidelity of his wife.

For many years Rev. Potts and Dr. Smith have been warm personal friends, the doctor being the family physician, and having a great deal of sickness in the family, he was frequently a visitor to the Reverend's home, and often when not on professional business called to while away an hour or so in a pleasant, social way.

But recently things about the parsonage had a somewhat changed aspect, but not until lately did the Reverend suspect that anything unusual was transpiring beneath his roof. A short time ago Rev. Potts while in this city buying a bicycle for his son Welty, was taken ill and as usual Dr. Smith was called to minister to him when he improved sufficiently to be removed to his home. Dr. Smith then called at his residence late one evening, and as was customary since his removal to this city remained over night at the parsonage. Shortly after his arrival there the Doctor insisted on the Reverend retiring as he needed rest. The Reverend complied with this request and about ten o'clock woke up and going down stairs, found the doctor and his wife in the kitchen. His suspicions were at once aroused, but he said nothing to indicate his feelings in the matter and again upon the doctor's advice retired and slept soundly until morning, when he was surprised at not finding his wife. He at once began an investigation and while going through the house on the hunt of her, was surprised to see her emerging from Dr. Smith's room. He at once took her to task about the matter, but she denied that she was guilty of anything more than that she was in the room, but this did not satisfy the husband who insisted on having the truth, the whole truth and nothing but the truth, when she, ofter some hesitancy confessed to being criminally intimate with Dr. Smith.

This then so far as we know ended the matter there, the reverend not mentioning his discovery to the doctor who left the house ignorant of the fact that his duplicity was known to his host. Rev. Potts came here to consult Rev. A. L. Yount pastor of the First Lutheran church, of which Dr. Smith is, or at that time was, a ruling elder. The matter was talked over by the two reverend gentlemen, when it was decided to send for Dr. Smith which Rev. Yount did. In response to the note sent, the doctor went at once to the Lutheran parsonage where he greeted the reverend gentlemen very pleasantly and cordially, and at the same time inquired very particularly about Rev. Potts' health and even went so far as to inquire about his heart, when the Reverend then broached the subject by saying, "Doctor I guess you are not as much interested in my heart as you pretend to be," and then unfolded to him all his knowledge of the affair. This was a stunner to the doctor, who stood dumfounded and for a moment was unable to utter a word. When he recovered himself he said: "Why Reverend, you are beside yourself, ain't you?"

Mr. Potts then told him that it was useless for him to deny it as he had his wife's confession and he might as well admit his guilt, which he did, at the same time saying he was "a bad man, and was guilty of the charge."

This was enough for Rev. Yount who at once suspended him as an elder.

Rev. Potts has been greatly worried about the matter and has arranged all his business looking to a seperation between himself and his wife. He has employed an attorney, E. E. Allshouse, Esq., and Tuesday of last week commenced proceedings for a divorce.

The whole affair has created the greatest excitement ever known in this section of the county, where Mrs. Potts was looked upon as a model woman.

Dr. Smith lives here and has a wife and family.

It is rumored that Smith has given a power of attorney to settle up his business, and has fled the country. Some of his patients he has turned over to other physicians here.

Pennsylvania Exhibits at the World's Fair.

Are ahead of them all, chiefly among them is the display of pure liquors manufactured in the State. It is conceded that no rye whiskies made in the world can equal those made in Pennsylvania, more especially Silver Age, Duquesne or Bear Creek. These three brands head the list of pure Ryes, and are so well known that every reputable dealer sells them. North, East, South and West they lead all others because they are pure; because they are reliable, and beause they are stimulants that strengthen and invigorate. They are sold at prices within the reach of all, and are sold upon their merits for purity and strength. Silver Age, $1.50; Duquesne $1.25; Bear Creek, $1.00, full standard quarts. Ask your dealer for them; insist on having them, and if you cannot be supplied, send to MAX KLEIN, Allegheny, Pa. Price list of all liquors sent on application. All goods packed neatly and securely.

1907.

The next great anniversary which will probably be celebrated by an international exposition is the first English colony in the United States at Jamestown in 1607.

The occasion is fourteen years off, or at about the same removal from the Chicago Exposition as that from the Exposition here. The South in the next fourteen years will make the same stupendous advance as the centre of this country in the past sixteen years. It will have a right and a desire to lead in celebrating the early beginnings of the English race on this continent, for no section owes more of its present population to the English settlers of the seventeenth and eighteenth centuries. Progress will be as great, advance as remarkable in the next fourteen years as in the time since the exposition was held here, and it will be as easy to spend $50,000,000 then as to expend $33,000,000 now or $15,000,000 in 1876.

Jamestown will be as much out of place for such a celebration as the Bahama island on which Columbus landed, but Washington is near, Richmond still nearer, and Atlanta in 1907, still more than to-day, will be the railroad center of the South.

In 1876 the Centennial was freely predicted as likely to be the last of such gatherings. The same is said to-day of Chicago. But these great gatherings are certain to be repeated every fifteen or twenty years on a scale of magnificence and grandeur, and the next will naturally fall in 1907.—Phil'a. *Press.*

—Rheumatism cured in a day—"Mystic cure" for rheumatism and neuralgia, radically cures in 1 to 3 days. Its action upon the system is remarkable and mysterious. It removes at once the cause and the disease immediately disappears. The first dose greatly benefits. 75 cts. Sold by J. C. Redick, druggist, Butler.

—A flat car costs about $380, a flat bottom coal car $475, a gondola drop bottom $500, a double hopper bottom coke car $540, a box car $600, a stock car $550, a fruit car (ventilated) $700 and a refrigerator car $800. A four-wheeled caboose costs $550, and an eight-wheeled one $700. The prices given on the above cars include power brakes and vertical plane couplers. A 50 foot mail and baggage car costs $3,500, a second-class coach $4,800, a first-class coach $5,500, while a first-class Pullman car costs $15,000.

—Three Columbian guards, sah, tackled Kunnel St. Clair, of Virginny, sah, at the World's Fair, sah, and it was hard to tell which came out ahead, the Kunnel or the guards. But, by gad, sah, the Kunnel showed his plnck, sah, and while a little disfigured he is still in the ring.

Drunkenness, the Liquor Habit, Positively Cured by adimnstering Dr. Haines "Golden Specfic."

It is manufactured as a powder, which can be given in a glass of beer, a cup of coffee or tea, or in food, without the knowledge of the patient. It is absolutely harmless, and will affect a permanent and speedy cure, whether the patient is a moderate drinker or an alcoholic wreck. It has been given in thousands of cases, and in every instance a perfect cure has followed. It never fails. The system once impregnated with the Specific, it becomes an utter impossibility for the liquor appetite to exist. Cures guaranteed. 48 page book of particulars free. —A Georgia editor wants his money.—The following is from the pen of a Georgia editor who evidently had strong feelings on the subject: "The wind bloweth, the subwater floweth, the farmer soweth, and the scriber oweth, and the Lord knoweth that we are in need of our dues. So come a-runnin' ere we go a gunnin'; we're not funnin'; this thing of dunnin' gives us the blues."

A VEST-POCKET remedy — Dr. Pierce's Pleasant Pellets. Put up in little glass vials, handy and convenient. Sealed, too, so that you know they're always fresh and reliable, unlike the ordinary pills in wooden or pasteboard boxes.

There's nothing in the way of pills as small or as easy to take as these little Pellets. There's nothing so easy and natural in action—nothing that can do as much lasting good. They absolutely and *permanently* cure Constipation, Biliousness, Indigestion, Sick or Bilious Headaches, Jaundice, Sour Stomach, and Dizziness. All derangements of liver, stomach, and bowels are prevented, relieved, and cured.

They're *guaranteed* to give satisfaction, or your money is returned.

A case of Catarrh that can't be cured by Dr. Sage's Catarrh Remedy is so rare that the makers of the medicine are willing to risk this offer: "If we can't cure your Catarrh, perfectly and permanently, no matter what your case is, we'll pay you $500."
