THE GREAT EVENTS OF '93.

The Remarkable and Interesting Happenings of the Year—A Full Chronological Record.

Between January 1 and November 1, 1893, there were 26 serious railroad accidents in the United States, resulting in the death of 30 people and the injury of 427. There were several fatal cyclones on land and sea during the year, many marine disasters and an unusual number of destructive fires. Boston was visited by two large fires, one of them in the old burned district. Chicago was also scourged by a large fire. Many distinguished names appear on the obituary list. The year has also been made notable by the World's Fair and a great number of conventions and congresses. Following is a condensed diary of the most important events arranged by months and days:
