Coal.

Our new mine has been in operation two months and a half and we are now selling more coal than any competitor. This fact should prove conclusively who is producing the best coal. W. R. Graham is now rustling for us, and will make a specialty of the resident part of the trade. JOHN GIBBS. *

The turkey and chicken shoot was not extremely profitable yesterday afternoon. Several of the best rifle shots in the territory live here and the way they knocked turkeys' heads off at 60 yards was a caution. About a score of turkeys and the same number of the smaller birds were "pinked" when the sport was adjourned for another time. The disposition made of most of the fowl was such that many a needy family will have cause to greet the day with thanksgiving and the generous donors may be long remembered.

Conrad's store was burglarized last week and quite a number of articles carried away. The store has been closed up since the first of November and no one left in charge of the remainder of the stock, Mr. Flager having been back and forth between Billings and Miles City during that period. Jack Hawkins discovered the burglary and Conrad & Co., were notified. The value of the goods taken is not great and from the nature of the steal it is more than surmised to have been the work of some of the youthful hoodlums about town. They are being watched closely by the officers.

Union Thanksgiving services today at the Presbyterian church. The programme of addresses is as follows: The material resources of our country, Rev. T. C. Armstrong; the educational features of our country, Rev. W. M. Weeks; the religious condition of our country, Rev. P. Lowry. The choirs of the three churches will furnish good music for the occasion. The public are cordially invited to attend. The hour of service is 11 a. m. As loyal citizens of the republic, let us heed the call of our chief executive and assemble in the sanctuary and unitedly praise God for national blessings and mercies.

Thanksgiving Hop.

The dance at the Macqueen House last evening was a particularly swell affair as relates to the costuming of the ladies, a larger number than usual appearing in full dress. The gentlemen were also prone to affect the "swallow tail" and "Prince Albert" the holiday season lending them enthusiasm. Probably fifty couples were marshalled in the grand march with the usual number of non-partisans. The music, furnished by Nigo Bros., was all that one could wish, the dance progressing merrily until about 3 o'clock this morning. At about midnight cold turkey and other dainties were served, just enough to put new life into the partially "tuckered out" dancers and create pleasant anticipation of the good things in store for them to-day. Macqueen house dances are always successful and this one proved no exception.

Be Thankful

That you are alive.

That cold weather holds off so long.

That you have a sure thing on a fat turkey to-day.

That Montana will be a state before November, '89.

That the Salvation Army is not turned loose in our midst.

That there are still a few dollars of election money loose in Miles City.

That Ben Harrison knows on which side of the Mississippi Montana lies.

That there is plenty of feed on the ranges and a chance for a mild winter.

That the country is safe and farmers don't pay as big a tax as the city merchant.

Col. C. S. Wood's Luck.

Col. Chas. S. Wood, the tall and handsome manager of the Eutaw House, is in great luck. He is wealthier to-day by the sum of $5,000 than he was a week ago. He bought one-twentieth of a ticket in the Louisiana State Lottery. He put it in his pocket and was notified that the ticket, of which he held a fraction—it was No. 73,946—had drawn on October 9th the $100,000. The Colonel was not slow in communicating with the lottery people, and on Monday he received a certified check for his share of the wealth, namely, $5,000.—Baltimore [Md.] Herald, Oct. 24. On Dec. 18th occurs the Mammoth Drawing in which the First Capital Prize is $600,000. All information to be had by applying to M. A. Dauphin, New Orleans, La.

LOCAL ITEMS.

Comfort Under the Waistband.

The call of the stomach must be answered even at the cost of subsequent discomfort. How to make digestion a regular sequence of the satisfaction of appetite so long baffled medical investigation that it was almost given up in despair, and dyspepsia viewed as well nigh incurable. Hostetter's stomach Bitters came to the rescue of the dyspeptic, and upset the theory of incurability. If it be used with persistence, and common sense in diet be not constantly violated, the Bitters will certainly restore vigor and tranquility to the stomach and constant regularity in its digestive functions. The dyspeptic who uses it systematically soon ceases to suffer after-dinner penalties, and enjoys comfort under the waistband between meals. A beneficent change, truly, and one that is aided by a sedulous avoidance of indiscretion in eating and drinking. Constipation, biliousness, nervousness, malaria, kidney troubles and debility are easily remediable with this fine restorative.

Purify the Blood.

We do not claim that Hood's Sarsaparilla is the only medicine deserving public confidence, but we believe that to purify the blood, to restore and renovate the whole system, it is absolutely unequalled. The influence of the blood upon the health cannot be over-estimated. If it becomes contaminated, the train of consequences by which the health is undermined is immeasurable. Loss of Appetite, Low Spirits, Headache, Dyspepsia, Debility, Nervousness and other "little (?) ailments" are the premonitions of more serious and often fatal results. Try

WHAT AILS YOU?

Do you feel dull, languid, low-spirited, lifeless, and indescribably miserable, both physically and mentally; experience a sense of fullness or bloating after eating, or of "goneness," or emptiness of stomach in the morning, tongue coated, bitter or bad taste in mouth, irregular appetite, dizziness, frequent headaches, blurred eyesight, "floating specks" before the eyes, nervous prostration or exhaustion, irritability of temper, hot flushes, alternating with chilly sensations, sharp, biting, transient pains here and there, cold feet, drowsiness after meals, wakefulness, or disturbed and unrefreshing sleep, constant, indescribable feeling of dread, or of impending calamity?

If you have all, or any considerable number of these symptoms, you are suffering from that most common of American maladies—Bilious Dyspepsia, or Torpid Liver, associated with Dyspepsia, or Indigestion. The more complicated your disease has become, the greater the number and diversity of symptoms. No matter what stage it has reached, Dr. Pierce's Golden Medical Discovery will subdue it if taken according to directions for a reasonable length of time. If not cured, complications multiply and Consumption of the Lungs, Skin Diseases, Heart Disease, Rheumatism, Kidney Disease, or other grave maladies are quite liable to set in and, sooner or later, induce a fatal termination.

Dr. Pierce's Golden Medical Discovery acts powerfully upon the Liver, and through that great blood-purifying organ, cleanses the system of all blood-taints and impurities, from whatever cause arising. It is equally efficacious in acting upon the Kidneys, and other excretory organs, cleansing, strengthening, and healing their diseases. As an appetizing, restorative tonic, it promotes digestion and nutrition, thereby building up both flesh and strength. In malarial districts this wonderful medicine has gained great celebrity in curing Fever and Ague, Chills and Fever, Dumb Ague, and kindred diseases.

Dr. Pierce's Golden Medical Discovery

CURES ALL HUMORS,

from a common Blotch, or Eruption, to the worst Scrofula. Salt-rheum, "Fever-sores," Scaly or Rough Skin, in short, all diseases caused by bad blood are conquered by this powerful, purifying, and invigorating medicine. Great Eating Ulcers rapidly heal under its benign influence. Especially has it manifested its potency in curing Tetter, Eczema, Erysipelas, Boils, Carbuncles, Sore Eyes, Scrofulous Sores and Swellings, Hip-joint Disease, "White Swellings," Goitre, or Thick Neck, and Enlarged Glands. Send ten cents in stamps for a large Treatise, with colored plates, on Skin Diseases, or the same amount for a Treatise on Scrofulous Affections.

"FOR THE BLOOD IS THE LIFE."

Thoroughly cleanse it by using Dr. Pierce's Golden Medical Discovery, and good digestion, a fair skin, buoyant spirits, vital strength and bodily health will be established.

CONSUMPTION,

which is Scrofula of the Lungs, is arrested and cured by this remedy, if taken in the earlier stages of the disease. From its marvelous power over this terribly fatal disease, when first offering this now world-famed remedy to the public, Dr. Pierce thought seriously of calling it his "CONSUMPTION CURE," but abandoned that name as too restrictive for a medicine which, from its wonderful combination of tonic, or strengthening, alterative, or blood-cleansing, anti-bilious, pectoral, and nutritive properties, is unequaled, not only as a remedy for Consumption, but for all Chronic Diseases of the

Liver, Blood, and Lungs.

For Weak Lungs, Spitting of Blood, Shortness of Breath, Chronic Nasal Catarrh, Bronchitis, Asthma, Severe Coughs, and kindred affections, it is an efficient remedy.

Sold by Druggists, at $1.00, or Six Bottles for $5.00.
