Compare My 25 Per Cent Discount

On jewelry, watches and clocks with others 33 1-3 per cent discount and you will find my offer to be much the better—for the reason that my prices have ALWAYS been from 25 to 100 per cent lower than the prices made by my competitors. I sell goods at "city" prices and my goods are plainly marked. Heretofore you have been compelled to pay "desert" and "boom" prices in Tonopah. For the past five years, as you all know, the price of jewelry has been much lower in Goldfield than in Tonopah. I made those prices and now I am here with the same prices. Remember, I give 25 per cent discount on figures that were already very low.

SAVE HALF DAY ACROSS COUNTRY

OVERLAND LIMITED TO BE PUT UPON FASTER SCHEDULE EAST AND WEST.

SAN FRANCISCO, May 16.—Half a business day will soon be cut from the San Francisco-Chicago time of the Southern Pacific-Union Pacific San Francisco Overland Limited, enabling that train to make the trip in 68 hours instead of 72½, as at present.

"This annihilation of distance," said J. C. Stubbs, director of traffic of the Union Pacific-Southern Pacific system, yesterday, "which will be accomplished on Sunday, May 28, is the initial step toward realizing to the traveler using the Union-Southern Pacific system the advantages made possible by the vast sums expended in improving the roadbed, in installing electric block signal protection, in double-tracking, betterment of power and equipment, etc.

"Time is money and the clipping of 4½ hours from our schedule is in the nature of a dividend to the traveling public which, we believe, all travelers, especially business men, will appreciate, since the increase in speed is made without any decrease of the comfort of traveling."

The San Francisco Overland Limited under the present schedule, leaves San Francisco at 10:40 a. m. and arrives in Chicago at 1 p. m.—72½ hours later.

"It will leave San Francisco at 10:20 a. m. under the new schedule and arrive in Chicago about 9:10 a. m., in time to connect with the east-bound morning trains. Eastbound it now passes through Omaha at 11:45 p. m. and will hereafter make it at about 8 p. m. Westbound under the present schedule, it leaves Chicago at 7 p. m. and arrives in San Francisco at 5:28 p. m.—72½ hours later. Under the new schedule it will leave Chicago at about 8:30 p. m. arriving in San Francisco about 2:28 p. m. The train now passes through Omaha westbound at 8:15 a. m. and under the new schedule it will make it about 9:30 a. m."

FARMERS ARE RICHER BY 104 MILLIONS

WASHINGTON, May 16.—The value of wealth products on farms of the United States was $8,926,000,000 in 1910, as estimated by the department of agriculture in a statement just issued. This is an increase of $104,000,000 over 1909.

Texas, with her ten million acres of cotton, wrested from Illinois the honor of being the first state in the Union in value of principal farm crops which aggregated $364,110,000 in round numbers.

THE LAW'S LIMIT.

A big, handsome lawyer from one of the southern states presented himself at the door of the supreme court when there was an important case being argued. He passed by the long line of people waiting patiently for their turn to come, but was suddenly halted at the entrance to the chamber.

"Are you a member of this bar?" asked the doorkeeper.

"Well—er—no, not exactly, but I'm a practicing lawyer."

"Then you'll have to stand in line back there," was the response.

The southerner turned away after pressing his point a little longer. There was an old white-haired negro standing near him in the corridor, and to him the lawyer said:

"Look here, uncle, this is an outrage! Why, I have practiced law for thirty years, and that fellow won't let me in there."

"Well, boss," replied the old darky, looking up at him respectfully, "dat's all so, I guess, but you got to be powerful keerful round heah, fo' if you git in contempt of dat dere cout, dere ain't nobody left to 'peal to but Gord-a'mighty."—May Lippincott's.

RECIPES.

Jam Omelet.

This recipe will take six eggs, four ounces of butter, three tablespoonfuls of apricot, strawberry or any jam that may be preferred. Make a plain omelet and leave flat in the pan. When quite firm, and nicely browned on one side, turn it carefully onto a hot dish, spread over the middle of it the jam, and fold the omelet over on each side; sprinkle sifted sugar over, and then serve quickly.

A pretty dish of small omelets may be made by dividing the batter into three or four portions, and frying them separately, they should then be spread each one with a different kind of preserve, and the omelets rolled over. Always sprinkle sweet omelets with sifted sugar before sending them to the table.

* * *

Egg Pudding.

Take one quart of milk, put in a double boiler and let come to a boil; mix nine tablespoonfuls of flour with boiling milk and let it remain on the fire until well cooked. Beat the yolks of twelve eggs, six tablespoonfuls of sugar, and three of melted butter. Take the boiler from the fire and stir in.

* * *

Broiled Kidneys.

Split veal kidneys lengthwise, removing all fat, and broil over a clear fire for twelve or fifteen minutes; baste with butter while broiling, season with salt, pepper, butter and a little chopped parsley. Serve hot.
