TO THE UNFORTUNATE

NEW REMEDIES! NEW REMEDIES!
DR. GIBBON'S DISPENSARY
623 Kearny Street.

San Francisco. Established in 1854, for the treatment of Sexual and Seminal Diseases such as Impotence, Gleet, Stricture, Syphilis in all its forms, Seminal Weakness, Impotency, etc. Also Diseases of long standing and Diseases of Long standing successfully treated.

Horrible Diseases.

How many thousands of females, both male and female are there who are suffering out a miserable existence from the effects of secret diseases, or from virus absorbed into the system! In what thousands of families do we find children born with constitutions disqualifying them for the happiness of marriage or the enjoyment of life. In this horrid condition thousands suffer until death closes the scene. Let parents, guardians, friends, attend to those who are suffering with any of these terrible, life-destroying maladies—see that they are cured for and cured before it is too late. Send them immediately to DR. GIBBON, a physician who has made private diseases his especial study for years, and who is certain to cure the most inveterate case, without mercury or any injurious drugs.

Seminal Weakness.

Seminal Emissions, the consequence of self-abuse. This solitary vice, or depraved sexual propensity, is practiced by the youth of both sexes to an almost unlimited extent, producing with unerring certainty, the following train of nervous symptoms, unless combatted by scientific medical measures, viz: Sallow countenance, dark spots under the eyes, pain in the back, nervous headache, like the rumbling of leaves and rattling of chariots, tremulous sleep, lassitude, weakness of the limbs, confused mind, indisposition to think, study, loss of memory, hectic flushes, pimples and various eruptions about the face, forced dreams, total breakdown, consumption, nightmare, melancholia and frequent insanity. It would be not obtained, should apply immediately either in person or by letter, and have a cure effected by his new and scientific mode of treating this disease, which never fails of effecting a quick and radical cure.

CURED AT HOME.

Persons at a distance may be CURED AT HOME, by addressing a letter to DR. GIBBON, stating case, symptoms, length of time the disease has continued, and have medicine promptly forwarded, free from damage and curiosity, to any part of the country, with full and plain directions. By inserting Ten Dollars coin, in registered letter, through the Postoffice or through Wells, Fargo & Co.: a package of medicine will be forwarded to any part of the Union.

Correspondents will please inform Dr. Gibbon that they read his advertisements in the APPEAL.

Address, DR. J. F. GIBBON,
