San Francisco. Established in 1850, for the treatment of Sexual and Seminal Diseases such as Gonorrhœa, Gleet, Stricture, Syphilis in all its forms, Seminal Weakness, Impotency, etc., Skin diseases of years standing and Ulcerated Legs successfully treated.

Seminal Weakness.

Seminal Emissions, the consequence of self-abuse. This solitary vice, so depraved sexual indulgence, is practiced by the youth of both sexes to an almost unlimited extent, producing with unerring certainty, the following train of morbid symptoms, unless counteracted by scientific medical measures, viz: Sallow countenance, dark spots under the eyes, pain in the head, ringing in the ears, noise like the rustling of leaves and rattling of chariots, uneasiness about the loins, weakness of the limbs, confused vision, blunted intellect, loss of confidence, timidity in approaching strangers, a desire to form new acquaintances, disposition to shun society, loss of memory, hectic flushes, pimples and various eruptions about the face, furred tongue, fetid breath, cough, consumption, night sweats, mopes and melancholy insanity. If relief is not obtained, should apply immediately either in person or by letter, and have a cure effected by the new and scientific mode of treating this disease, which is very free of effecting a quick and radical cure.

CURED AT HOME.

Persons at a distance may be CURED AT HOME, by addressing a letter to DR. GIBBON, stating case, symptoms, length of time the disease has continued, and have medicine promptly forwarded, free from damage and curiosity, to any part of the country, with full and plain directions. By inclosing Ten Dollars coin, in registered letter, through the Postoffice or through Wells, Fargo & Co., a package of medicine will be forwarded to any part of the Union.

Correspondents will please inform Dr. Gibbon that they read his advertisement in the APPEAL.
