DR. L. J. CZAPKAY'S

PRIVATE MEDICAL INSTITUTE,

209 Kearny st, San Francisco,

ESTABLISHED IN 1854.

For the Permanent Cure of all Special and Chronic Diseases, as also all Female Complaints and Diseases of the Nervous System.

THE IMMENSE DESTRUCTION OF HUman life annually from secret and chronic diseases, caused this old and reliable institution to be established first in Philadelphia, Penn., in 1850, and afterwards in San Francisco, Cal., in 1854, as a private dispensary, in order to afford the afflicted the best medical and surgical treatment for the above and all other affections and complaints. Consultations at the institute or by letter, FREE.

To the Afflicted:

Dr. L. J. Czapkay would most respectfully inform the public of the Pacific coast that, at the earnest solicitation of his numerous friends, and hundreds of those unfortunately afflicted with disease, he has reopened his MEDICAL AND SURGICAL INSTITUTE and resumed the practice of his profession. The doctor would remind all those who are in need of medical aid, that since relinquishing his very extensive and successful practice in San Francisco, he has visited the principal cities in Europe, inspecting diligently the most renowned hospitals, and gathering the experience of the most learned in the profession, the benefit from which he offers to all in need of his services. Rheumatic affections, chronic catarrh, diseases of the stomach and kidneys, liver complaints, etc., successfully treated. Those who are suffering from the errors and indiscretions of youth, nervous weakness, physical and mental debility, are assured of a permanent cure. Charges moderate. All communications strictly confidential. Medicines sent by express. Address L. J. CZAPKAY, M. D.,
