PLATFORM & RESOLUTIONS.

The Republicans of the State of Nevada in convention assembled again express their loyalty to the principles of the republican party, which have made the country so great and prosperous during the last quarter of a century.

Resolved: That the question of a sufficient supply of a circulating medium to maintain a permanent range of the price of labor and property is the most important political question waiting solution by the American people.

Resolved: That a diminishing quantity of money reduces the price of labor and property, increases the burden of contracts, enriches the creditor, impoverishes the debtor, and paralyzes industry and enterprise.

Resolved: That the present financial system of national banks, which increases idle money to circulating medium at the pleasure of the manipulators of the national banks without regard to the increase of population or the wants of the people, and which receives gold and silver as in other act of value, and pays it to the banks of the Treasury Department all the revenue of the Government to speculate with for bonds and loan to National banks without interest, is subversive of the rights of the people, oppressive, unjust, and should be repudiated.

Resolved: That a financial policy whereby both gold and silver shall form the basis of circulation, whether the money used by the people be coin, or in certificates redeemable in coin, or both as convenience may require, is imperatively demanded.

Resolved: That the attempt to substitute National bank notes, costing the Government millions of dollars annually, for free silver, costing nothing, is an outrage upon the people; that the money ring or trust, which has usurped the sovereign power of the Government to issue money, and which has frequently demonetized silver and taxed the revenues of the Government for private speculation, since stole more than the people, and now asserts the power to control the Government, must learn that this ring or trust cannot be royed and equal rights restored to all people.

Resolved: That we charge that President Cleveland is the willing tool or agent of a powerful money ring which fattens upon the subsidies of the Government, makes war on silver, issues his paper currency at the expense of the Government, borrows the revenues raised by taxation on the ultimatum which at the payment of interest, contracts the currency to enhance the value of bonds, and enriches the bondholders while it reduces the price of labor and property.

Resolved: That we favor the nomination of no man for President who is personally interested in Wall street or the wooden nutmeg idiocy of the United States, but we demand a candidate who is free to do justice to all the people of the country—the poor as well as the rich.

Resolved: That the trickery of the President and his advisers by which they prevented a vote in the House of Representatives on the Bland silver amendment to the Bond purchasing bill, equals the villainy of the secret and fraudulent demonetization of silver in 1873.

Resolved: That we are in favor of the protection of home industry, and that the laborers of this country have a right to all the work required to supply the people of the United States, and that we are in favor of high wages in this country and to that end will protect the wage-workers against competition with the cheap labor of other lands.

Resolved: That the policy of the Government should be inaugurated and established by the people through their representatives in both Houses of Congress, and not by the President or the money trust, of which he, either as agent or tool, is most active in defending.

III

Resolved: That we charge President Cleveland with violating every promise he made in regard to civil service reform, with crippling the mail services, with refusing to sign the necessary bill for the improvement of rivers and harbors, with usurping the power of his administration to prevent appropriations for a navy and coast defenses, with attempting to destroy the protective tariff, with courting the good will of other nations at the expense of the citizens of the United States, and with joining the foreign bondholders to demonetize silver and destroy the industries of our country, and for the reduction of wages of the Mint employes at Carson, for closing the Carson Mint, when it was not only self-sustaining but a source of revenue to the Government, for his contemptuous veto of pension bills for the relief of disabled soldiers and sailors, and for failing to construct the Government building at Carson as required.

IV.

We are in favor of the absolute exclusion of Chinese, and the restriction of immigration by which the present overcharged condition of the labor market is made worse, and also favoring legislation by which a revision of our naturalization and land laws may be accomplished.

V.

We demand, in behalf of our various industries, the retention of the duties on lead, borax, soda, hides and leather, and to restore the tariff of 1867 on wool.

VI.

Resolved: That we recognize the right of labor to organize for its lawful protection.

VII.

We favor liberal appropriations by Congress for hydrographical and topographical surveys in this State to the end that the waste waters may be preserved for the purpose of irrigation.

VIII.

We endorse the wise and conservative administration of Governor C. C. Stevenson, and we highly commend the able efforts of Senators Stewart and Jones and Representative Woodburn in behalf of the interests of the people of this State.

IX.

We favor the granting to Nevada of all Government land within the State for the purpose of providing means for irrigation and other improvements.

X.

We favor the reduction of the Treasury surplus by the payment of pensions to Union soldiers, their widows and orphans, the improvement of rivers and harbors, the building of defenses for our sea-coasts, the erection of public buildings, the creation of a navy, the purchase of bonds and the repeal of the internal revenue laws taxing tobacco.

XI.

It is the duty of the State to maintain free non-sectarian schools in the rural and sparsely settled districts as well as in towns and thickly settled sections and that such a division of the school money should be made as will furnish the means of education to all children in the State.

XII.

We are in favor of re-opening the Carson Mint for coinage and raising the wages of its employes to the standard paid by the last Republican administration.

XIII.

We demand the restoration of the mail service in this State to the efficiency maintained by the last Republican Administration, and favor the payment of fair wages to all postal employes.

Sore Eyes

The eyes are always in sympathy with the body, and afford an excellent index of its condition. When the eyes become weak, and the lids inflamed and sore, it is an evidence that the system has become disordered by Scrofula, for which Ayer's Sarsaparilla is the best known remedy.

Scrofula, which produced a painful inflammation in my eyes, caused me much suffering for a number of years. By the advice of a physician I commenced taking Ayer's Sarsaparilla. After using this medicine a short time I was completely

Cured

My eyes are now in a splendid condition, and I am as well and strong as ever.—Mrs. William Gage, Concord, N. H.

For a number of years I was troubled with a tumor in my eyes, and was unable to obtain any relief until I commenced using Ayer's Sarsaparilla. This medicine has effected a complete cure, and I believe it to be the best of blood purifiers.—C. H. Upton, Nashua, N. H.

From childhood, and until with a few months, I have been afflicted with Weak and Sore Eyes. I have used for these complaints, with beneficial results, Ayer's Sarsaparilla, and consider it a fine blood purifier.—Mrs. C. Phillips, Glover, Vt.

I suffered for a year with inflammation in my left eye. Three ulcers formed on the ball, depriving me of sight, and causing great pain. After trying many other remedies, to no purpose, I was finally induced to use Ayer's Sarsaparilla.

By Taking

three bottles of this medicine I have been entirely cured. My sight has been restored, and there is no sign of inflammation, sore, or ulcer in my eye.—Kendal F. Bowen, Sugar Tree Ridge, Ohio.

My daughter, ten years old, was afflicted with Scrofulous Sore Eyes. During the last two years she never saw light of any kind. Physicians of the highest standing exerted their skill, but with no permanent success. On the recommendation of a friend I purchased a bottle of Ayer's Sarsaparilla, which my daughter commenced taking. Before she had used the third bottle her sight was restored. Her cure is complete.—W. E. Suthers, Evangelist, Shelby City, Ky. tf
