MORNING APPEAL

THURSDAY.....JUNE 6

New York papers are continually kicking about the jibes of the Western press concerning the slowness of their city to erect a monument over the grave of General Grant and carry out other schemes started with so much enthusiasm. New York always proposes the schemes, and then asks the country to furnish the money to carry them to completion. It reminds one of the dialogue between two young folks who wanted to marry, but were seriously embarassed financially. "We can live on bread and water," urged the loving girl. "True, my dear," responded the youth, "and if you get the bread I'll skirmish around for the water." New York wants the monuments very badly, and is willing to skirmish around for the site if the country will furnish the cash.—Oakland Times.

A movement has already been started on the Pacific Coast, with the object in view, of relieving the sufferers from the great flood in Johnstown and other similarly afflicted towns in that part of Pennsylvania. The Pacific Coast has always been noted for its liberality in all matters where the cause was righteous. And he must be a hard-hearted and cold man, indeed, who from his means will not donate something toward an object which has so much of charity in it as this. When the proper time arrives Nevada will not be behind its sister States in liberality, and Carson, in particular, will do itself credit, as it has many times in the past when the opportunity w s offered.

The Burlington Free Press says that a writer asks "Will the Indian work?" Its answer is this: "Try him with a gimlet and a keg of whisky and see." In that kind of work the average Iowan could give the Indian "cards and spades and still win. The amount of manual labor, mental strain, persistence, lying and all manner of concupiscence that an Iowan will endure to get his legally denied toddy is beyond comprehension except to an Iowan.

In the case of Allan C. Bragg vs. the State of Nevada, the District Court overruled the defendant's demurer and allowed ten days to file an answer. This is the case wherein Mr. Bragg, as proprietor of the Reno Gazette, sues the State for the recovery of the balance due him for advertising done during the special election last February, and only part of which, he claims, has been paid.

The God-and-morality people of the city of San Francisco, do not appear to be making any more headway in prohibiting the sale of lottery tickets, than do our straight-and-narrow path chaps in Nevada. A few days since, 30,000,000 Chinese lottery tickets were captured in one lot, and now the question arises whether the captors will destroy them or hold on to them in anticipation of winning a prize in the next drawing.

Americans in England are engaged in collecting money for the benefit of the sufferers of the Johnstown flood.

Harrison's Heart

WASHINGTON, June 3.—The President this evening called the District Commissioners to the White House and held an extended conference in reference to furnishing relief from the District for the sufferers by the flood. It was arranged that a public meeting should be called for to-morrow afternoon at Willard's Hall, at 3 o'clock. The President agreed to preside at the meeting himself.

This is the first time that a President has ever been known to preside at a public meeting, and shows great depth of feeling over the disaster. The President, to-night, has dispatched Governor Beaver, forwarding one from the Sheriff of Cambria county, Pa., saying that the death roll will not exceed 5,000.

ALPHA.

ALPHA will make the Season same as Gibraltar. Terms, $25 for the Season with privilege of return or $40 to insure a foal. You will see that ALPHA is a very fine bred horse I am breeding all of my Gibraltar fillies to him. He is very speedy, and has shown quarters in 35 seconds and halfs in 1 12 He has got a record of 2 46, but if he had not hit one of his angles, and had to be stopped in his work, would have got a record in 2 35 or 2 36 sure.

TRIUMPH.

TRIUMPH is a beautiful bay; stands 15.3 and weighs over 1,200 and is the finest looker I ever saw. He took the first premium for 3 year-old stallions at the State Fair of 1888. TRIUMPH will make the Season the same as Gibraltar and Alpha. Terms, $40 for the season; $60 to insure.

PEDIGREE.

Triumph by Prompter, Prompter by Wilson's Blue Bull, the sire of more horses with records from 2 15 to 2 30 than any horse that ever lived. McL. E. Cement, Secretary of the Missouri Trotting and Racing Horse Breeder Association in writing to Dr. Hicks, of Sacramento, owner of Prompter, says that he would rather breed to Prompter than any Stallion that is alive to-day. Triumph's dam is the celebrated St. Clair mare, Lady Brighton, owned by Mr. M. Toomy of Sacramento. His dam is now over 20 years old and can trot in 2 40 any day in the week. Senator Stanford in his catalogue of 1887 was breeding to 26 St. Clair brood mares and the most of his horses that have made the best records for 2-year-old year-olds are out of St. Clair mares, namely: Fred Crocker dam by St. Clair, two year old record 2 25½; Bonito, dam by St. Clair, 2 year old record 2 21½, 3 year old record 2 19¾; Manzanita, dam by St. Clair, 4 year old record 2 16 fastest on record.

I have got 400 acres of pasture land enclosed and mares sent in care of me on the cars will be taken to the Ranch and bred and good care taken of them. Pasture, Two dollars per month, or will keep them up for $20 per month as I have over 100 fine box stalls. Accidents and escapes at owner's risk. There is a fine race track on the Ranch and I will take horses to train or colts to break at reasonable rates. I also have a few Gibraltar colts to sell. If you want a good colt can sell you one cheap. Positively no shooting allowed on the premises.

JOHN P. SWEENY. Prop'r,
