The treatment of many thousands of cases of those chronic weaknesses and distressing ailments peculiar to females, at the Invalids' Hotel and Surgical Institute, Buffalo, N. Y., has afforded a vast experience in newly adapting and thoroughly tested remedies for the cure of women's peculiar maladies.

Dr. Pierce's Favorite Prescription is unequaled, as result, of this great and widely experience. Thousands of testimonials, received from patients and from physicians who have tested it in the more severe cases which had baffled their skill, prove it to be the most wonderful medicine ever devised for the relief and cure of suffering women. It is not recommended as a cure-all but as a most perfect specific for women's peculiar ailments.

As a powerful, invigorating tonic it imparts strength to the whole system, and to the womb and its appendages in particular. For "overworked," "worn-out," "run-down," debilitated teachers, milliners, dressmakers, seamstresses, "shop-girls," house-keepers, nursing mothers, and female women generally, Dr. Pierce's Favorite Prescription is the greatest cordial and restorative tonic.

As a soothing and strengthening nervine, "Favorite Prescription" is unequaled and is invaluable in allaying and soothing nervous excitability, irritability, exhaustion, prostration, hysteria, spasms and other distressing, nervous symptoms commonly attended upon functional and organic disease of the womb. It induces refreshing sleep and relieves mental anxiety and despondency.

Dr. Pierce's Favorite Prescription is a legitimate medicine, carefully compounded by an experienced and skillful physician, and adapted to women's delicate organization. It is purely vegetable in its composition and perfectly harmless in its effects in any condition of the system. For morning sickness, or nausea, from whatever cause arising, weak stomach, indigestion, dyspepsia and kindred symptoms, its use, in small doses, will prove very beneficial.

"Favorite Prescription" is a positive cure for the most confirmed and obstinate cases of leucorrhœa, excessive flowing, painful menstruation, unnatural suppressions, prolapsus, or falling of the womb, weak back, "female weakness," anteversion, retroversion, bearing-down sensations, chronic congestion, inflammation and ulceration of the womb, inflammation, pain and tenderness in ovaries, accompanied with "internal heat."

As a regulator and promoter of menstrual action, at the critical period of womanhood, "Favorite Prescription" is a perfectly safe remedy, produces only good results, and is unsurpassed in its effects. Some diseases and derangements it tends that later and more critical period known as "The Change of Life."

"Favorite Prescription," when taken in connection with the use of Dr. Pierce's Golden Medical Discovery, and small laxative doses of Dr. Pierce's Purgative Pellets (Little Liver Pills), cures Liver, Kidney and Bladder diseases. Their combined use also removes blood taints, and shakes the cancerous and scrofulous humors from the system.

"Favorite Prescription" is the only medicine for women sold by druggists, under a positive guarantee from the manufacturers, that it will give satisfaction in every case, or money will be refunded. This guarantee has been printed on the bottle-wrapper, and faithfully carried out for years.

Large Bottles (100 doses) $1.00, or six bottles for $5.00.
