The treatment of many thousands of cases of those chronic weaknesses and distressing ailments peculiar to females, at the Invalids' Hotel and Surgical Institute, Buffalo, N. Y., has afforded a test experience in nicely adapting and thoroughly testing remedies for the cure of women's peculiar maladies.

Dr. Pierce's Favorite Prescription is the outgrowth, or result, of this great and varied experience. Thousands of testimonials, received from patients and from physicians who have used it in the most aggravated and obstinate cases which had baffled their skill, prove it to be the most wonderful remedy ever devised for the relief and cure of suffering women. It is not recommended as a "cure-all," but as a most perfect Specific for women's peculiar ailments.

As a powerful, invigorating tonic it imparts immediate vigor to the whole system, and to the organs and life appendages in particular, for overworked, "worn-out," debilitated teachers, seamstresses, dressmakers, sewing-women, shopgirls, housekeepers, nurses, mothers, and other women generally, Dr. Pierce's Favorite Prescription is the greatest cordial and restorative tonic, being recognized as an appetizing and nourishing cordial and restorative tonic.

As a soothing and strengthening nervine, "Favorite Prescription" is unrivaled and is invaluable in allaying and subduing nervous excitability, nervous prostration, hysteria, spasms and other distressing nervous symptoms commonly attending upon functional and organic disease of the womb. It induces refreshing sleep and relieves mental anxiety and despondency.

Dr. Pierce's Favorite Prescription is a carefully compounded and skillful physician, and adapted to women's delicate organizations. It is purely vegetable in its composition and perfectly harmless in its effects upon the system. For morning sickness, or nausea, from whatever cause arising, weak stomach, constipation, dyspepsia and kindred symptoms, its use, in small doses, will prove very beneficial.

"Favorite Prescription" is a positive cure for the most complicated and obstinate cases of leucorrhœa, excessive flowing, painful menstruation, suppressed menstruation, prolapsus or falling of the womb, retroversion, "female weakness," anteversion, retroversion, bearing-down sensations, chronic congestion, inflammation and ulceration of the womb, inflammation, pain and tenderness in ovaries, accompanied with "internal heat."

As a regulator and promoter of the menstrual system, at that critical period in girlhood to womanhood, "Favorite Prescription" is a perfect, safe and sure remedy, producing only good results.

Sweet and valuable as its offer[illegible] during pregnancy [illegible] to lighten the pains of labor and shorten the critical period, [illegible] "The Change of Life."

"Favorite Prescription," when taken in connection with the use of Dr. Pierce's Golden Medical Discovery, and small laxative doses of Dr. Pierce's Pleasant Pellets (Little Liver Pills), cures Liver, Kidney and Bladder diseases. This combined use also removes blood taints, and skin and scalp diseases and scrofulous humors from the system.

"Favorite Prescription" is the only medicine for women sold by druggists, under a positive guarantee from the manufacturers, that it will give satisfaction in every case, or money will be refunded. This guarantee has been printed on the bottle-wrapper, and faithfully carried out for years.

Large Bottles (100 doses) $1.00, or Six Bottles for $5.00.
