MILITIA-MEN KEEP MOVING.

OUT-DOOR MARCHES AND EXCURSIONS.

RECORDS OF ATTENDANCE AT DRILLS--MANY OFFICERS PROMOTED.

Preparations for the march of the 22d Regiment to Creedmoor in August are in progress, and military critics will soon have an opportunity of seeing what a body of men unaccustomed to regular army life can do when put to the test, as they will be on this march. Colonel Camp and a few of his staff officers visited West Point recently and completed the arrangements for the march, in which the regular army officers are taking great interest.

The Veteran Association of the 71st Regiment has issued a circular setting forth that the members have had under consideration for some time the matter of visiting the battlefield of Bull Run, where the regiment bore a prominent part on July 21, 1861. Having perfected all arrangements, they have decided to leave here for Richmond, Va., on July 20, at 9 p. m., under escort of the 71st Regiment. On arrival there they will be received by the civic and military authorities. After completing the purposes of the trip they will return, arriving in New-York at 10 p. m. on July 23. They expect to have with them members of the 1st and 2d Rhode Island and the 2d New-Hampshire Regiments, who, with the 71st Regiment, composed Burnside's brigade in that campaign. All members who have not been in active communication with the association or could not be readily reached are particularly invited to join the visiting party. The committee which has the matter in charge meets every Tuesday and Friday at 8 p. m. in the veterans' room at the 71st Regiment, Broadway and Forty-fifth-st.

ALL READY FOR THE TRIP.

The committee in charge of the arrangements for transporting the 9th Regiment to Gettysburg, consisting of John L. Baker and William Scott, have issued a circular in which they say:

"The arrangements for the trip to Gettysburg, Penn., for the purpose of dedicating the monument, July 1, 1888, are about completed. It is the intention to leave New-York City Friday, June 29, p. m., arriving at Gettysburg, Saturday, June 30, a. m. Returning will leave Gettysburg Sunday July 1, p. m., arriving in New-York Monday, July 2, a. m. The cost, as near as can be ascertained upon the basis of a party of 300, will be $11 50 per capita, viz.: Fare, New-York to Gettysburg and return, $5; sleeping-car, each quarter section, $2 50; meals (two breakfasts, two dinners and two suppers), $3 50; add for badges, music, stand and other contingencies, 50 cents; total, $11 50.

"If the number specified above does not go, the cost of fare will be increased about $1 50. The sleeping-cars are to be side-tracked and used as headquarters during the stay at Gettysburg. Tickets good only to go and return as specified. You will please notify one of the undersigned immediately: First, if you intend going; second, how many will your party number; third, how many sections of a sleeping-car wanted. It is imperative to know as soon as possible the number of veterans and friends intending to go, as many outside parties have applied for tickets. As soon as 300 have signified their intention to go, no more applications will be received. Further particulars and all information possible cheerfully given."

The average attendance by companies in the 22d Regiment during the drill season just closed is somewhat higher than that of previous years, the percentage by companies being as follows: Company K, 89.40 per cent; Company A, 84.30; Company F, 82.31; Company B, 80.07; Company E, 79.76; Company G, 76.16; Company C, 73.91; Company I, 73.54; Company D, 72.67; Company H, 64.92. The percentage present on Decoration Day was the highest ever attained by the command, being 93.82 per cent, and speaks volumes for the organization. These figures prove conclusively that with a suitable armory adapted to its wants the regiment could be easily recruited up to 1,000 strong. Out of a total of 583 only 36 were absent at this parade, and one of the absentees was a field officer.

The monument erected to the heroic dead of the 9th Regiment, at Gettysburg, will be unveiled on July 1 at 3 p. m., in the presence of the regiment and its veteran association. Orlando B. Potter will deliver an oration and Rowland B. Mahoney will read a poem on the occasion. The veterans, 300 strong, will leave this city on Friday, June 29, and the regiment will go on the next day.

An application from the colonel of the 22d Regiment for a new set of colors has been granted by the Adjutant-General. The old colors were badly used up during the tour of camp duty last summer.

Ninety men have enlisted in the 9th Regiment, Colonel William Seward, jr., since New-Year's Day, and the command now numbers 614 officers and men. In spite of many drawbacks, the regiment is in excellent condition.

The resignations of the following officers have been accepted: First Lieutenant George Fleischer, 11th Regiment; Second Lieutenant Wilbur H. Carringer, 43d Separate Company; First Lieutenant William A. Underhill, 23d Regiment; First Lieutenant David H. Teets, 71st Regiment; Second Lieutenant Robert P. Forshaw, 16th Separate Company; Captain Theodore M. Barber, 40th Separate Company; First Lieutenant Lawrence M. Proctor, 35th Separate Company; First Lieutenant and Commissary of Subsistence W. Romeyn Vermilye, 9th Regiment; First Lieutenant Francis F. Thompson, 14th Regiment; First Lieutenant John T. Jennings, 13th Regiment; Lieutenant-Colonel and Assistant Judge Advocate-General William W. Ladd, jr.

TO GO TO CREEDMOOR.

Companies A, G and H, of the 12th Regiment, will assemble at the armory at 6:45 a. m. on Tuesday, June 26, in fatigue uniform, knapsacks with overcoats rolled on top of them and one day's rations, and will proceed to Creedmoor for general rifle practice. Companies D, I and K will make the same trip on the following Thursday. The other companies of the regiment had their rifle practice last week.

The names of John J. Lee, Cornelius O'Brien and William Daly of Company K, 12th Regiment, and of George W. De Witt, of Company H, have been dropped from the rolls on account of their removal from the military district.

The resignation of Captain William H. Cortelyou, of Company B, 22d Regiment, has been received with much regret. His men were greatly attached to him, and it will be hard to fill his place. He enlisted in Company D as a private September 7, 1875; was made Corporal December 4, 1877; Sergeant December 10, 1878; First Sergeant August 20, 1881; Second Lieutenant June 27, 1882; First Lieutenant December 19, 1882, and Captain December 19, 1884.

Major Henry Chauncey, jr., will take the 8th Regiment to Creedmoor next Tuesday for first general rifle practice. The newly detailed acting Adjutant, First Lieutenant George L. Wentworth, filling the vacancy caused by the retirement of Adjutant Johnston, will form the line at the armory at 6:45 a. m. The men will be in fatigue dress and will have one day's rations in their haversacks.

The 4th Provisional Battalion at the State Camp will be commanded by Major Chauncey, of the 8th Regiment. His staff officers will be Captain E. Austin Gothout, Adjutant; Captain W. De Lancey Cunningham, Commissary and Quartermaster; Sergeant R. B. Breen, Sergeant-Major; Quartermaster-Sergeant R. B. Simms, Quartermaster-Sergeant; Sergeant E. E. Acker, Sergeant-Standard-bearer; First Sergeant A. Hepp, Provost Sergeant. Quartermaster-Sergeant William E. Laerah will act as Headquarters Clerk.

The staff of Major Downs, of the 71st Regiment, who is to command the 3d Provisional Battalion at the State Camp during the week beginning June 28, will consist of the following: Lieutenant Philip S. Tilden, Adjutant; Lieutenant William T. Glouch, Commissary and Quartermaster; Sergeant S. Percy Fisher, Sergeant-Major; First Sergeant William H. Orsor, Commissary and Quartermaster-Sergeant; Sergeant F. Heinsman, Provost Sergeant; Sergeant J. H. Petrie, color-bearer. Sergeant Arthur H. Paul will act as clerk.

Second Lieutenant Malcolm G. Murray, of Company C, 22d Regiment, has taken up his residence at Saratoga Springs for the summer, and has been granted a leave of absence until October 15. First Lieutenant Clarence M. Skellen is spoken of as the probable successor of Captain Potter, of Company H, who recently resigned.

The 4th Separate Company, N. G. S. N. Y., has elected the following officers: D. Griffin Smith, Second Lieutenant; William B. Thompson, First Sergeant; Charles F. Nugent, Second Sergeant; George White and George S. Mallison, Corporals. Thomas Oliver was returned to the ranks at his own request, and First Sergeant John Hitzberger, jr., has been honorably discharged. The company will proceed to Creedmoor on Tuesday for rifle practice.

Company D, of the 7th Regiment, popularly known as the "Old Fourth" are going to celebrate their eighty-third birthday on the 30th of this month, by going up the Sound on a steamboat chartered for the occasion, and partaking of a good dinner at some well-known resort on its shores. A committee is actively engaged in perfecting the necessary arrangements, and a good time is expected.

Captain H. S. Steele, of Company B, 7th Regiment, has written a letter to THE TRIBUNE in which he says that in the competition for the O'Donohue Trophy, Company B, which was the winning company, made 83.73, and Company I, 80.93. He says that Company I is not first in volley and skirmish firing, and that Companies B and H lead Company I by over four points, and Company K, by nearly two points. The Captain has issued the following circular:

I.—The Commandant desires to extend his hearty congratulations to the company for the handsome manner in which they have won the O'Donohue Trophy again in the second annual competition. While the contest was not as close as last year, the records of nearly all companies are higher. The following shows the figure of merit of the two leading companies:—Co. B, 83.73; Co. I, 80.93.

II.—The remarkable results attained in rifle practice by the competitors for this valuable trophy show in the fact that on the first general practice day nearly 800 men were present, and about 650 have already qualified as marksmen.

III.—The following names were inadvertently omitted from the circular giving the record of the company for the past year: Privates Ayers and H. A. Bostwick, jr., have made all drills for four years, making a total of twenty in that class. Private Ward has made all drills for two years, making a total of forty in that class.

The above results should be a great encouragement to members of the company.

CHANGES IN THE TREASURY STATEMENT.

Saturday, June 16—p. m.

By the operations of the Sub-Treasury, including gold exports, in the week ended Friday evening, the banks gained $21,001. The loss by export of $2,501,977 would count in the bank averages for a larger sum than the gain of $2,283,457 made by receipts for purchased bonds, because the outgo was earlier than the income. A week ago we estimated that the banks' holdings of cash were $1,500,000 greater than the sum reported in the statement of that date. To-day's statement of bank averages reports a gain of $3,178,000 cash, which reflects large receipts from the interior, and indicates cash holdings at the close of business yesterday of at least $1,000,000 greater sum than that reported for the average of the week. The loans were expanded $5,510,200, which, with the accumulation of cash, raises the deposits $8,100,600 to $404,642,800—the first time in the history of the New-York banks that their deposits have reached $400,000,000. The statement results in a gain of $1,152,850 to the "surplus" reserve and leaves it at $28,464,000, against $4,616,625 June 18, 1887, and $15,911,425 June 19, 1886.

The following compares the totals of statements of June 9 and June 16:

	June 9.	June 16.	Differences.
Loans	$365,994,200	$371,504,400	Inc. $5,510,200
Specie	88,703,000	91,404,000	Inc. 2,701,000
Legal-tenders	37,743,400	38,220,000	Inc. 477,000
Deposits	396,542,200	404,642,800	Inc. 8,100,600
Circulation	7,411,000	7,478,900	Inc. 67,900

The following shows the relation between the total reserve and the total deposits at the respective dates:

Specie	$88,703,000	$91,404,000	Inc. $2,701,000
Legal-tenders	37,743,400	38,220,000	Inc. 477,000
Total reserve	$126,446,400	$129,624,000	Inc. $3,178,000
Reserve required against deposits	99,135,550	101,160,000	Inc. 2,025,150
Surplus	$27,310,850	$28,464,000	Inc. $1,152,850

The Clearing House statement to-day was as follows: Exchanges $100,486,469; balances, $6,436,461. For the week: Exchanges, $585,934,539; balances, $35,760,382.

THE MARKET FAIRLY ACTIVE.

The stock market for a half-holiday was fairly active, with recorded transactions of 115,918 shares. The temper of the speculation was favorable to higher values, but the principal demand came from the recent sellers at lower figures. Locally the feature was the sharp advances made on small transactions as compared with the large transactions of those days when prices were marked down indiscriminately by an appearance of large sales. A large part were the result of matched orders—an illustration of what a large investment holders of securities remarked on Wednesday: it is one thing to sell stocks down and another thing to buy them back. The week closed with the "short" interest nearly as large as it has been at any time, and with indications that the Burlington and Quincy Railroad management and the Iowa Railroad Commission are about ready to give their consent to a return to normal conditions. But without the consent of those important factors in the speculative situation there are signs of assertions of interests which are superior to any bear combinations. The market closed strong at about the best prices of the day.

Government bonds were dull and steady at quotations as follows:

	Bid.	Ask.		Bid.	Ask
U.S. 4½s, 1891, reg.	107	107½	U.S. cur. 6s 1836	121½	....
U.S. 4½s, 1891, coup.	107	107½	U.S. cur. 6s, 1837	124	....
U.S. 4s, 1907, reg.	126¾	127	U.S. cur. 6s, 1838	127	....
U.S. 4s, 1907, coup.	127¾	128	U.S. cur. 6s, 1839	128½	....
U.S. cur. 6s 1895	119	....	Dist. Col. 3-65s	119	....

There were no transactions in State bonds or in city bank stocks.

The general bond market was fairly active and firm. Erie second 6s sold up to 93 3-4. Missouri, Kansas and Texas issues were better. Texas Pacific first 5s were firm at 93 1-4a93 3-8, and second incomes at 38 3-4a39 1-2. The Northern Pacific issues were strong. Reference is made to our full report of bond sales.

Of unlisted securities dealt in at the Stock Exchange, Cotton Seed Oil certificates sold (6,200) at 34 7-8a35 1-2a35 1-4. Duluth, South Shore and Atlantic at 6 1-2, Lehigh and Wilkesbarre Coal (300) at 17 1-2, and Philadelphia and Reading 4s ($55,000) at 88.

Money ruled nominally at 1a1 1-2 per cent.

The Sub-Treasury was debtor at the Clearing House $1,438,943.

REPORTS FROM WASHINGTON.

The customs receipts reported at Washington to-day were $385,000 and the internal revenue receipts were $699,974. The United States Treasury received $203,997 National bank notes for redemption and the receipts for the week were as follows:
