$500 REWARD

is offered by the manufacturers of Dr. Sage's Catarrh Remedy, for a case of Catarrh in the Head which they cannot cure.

SYMPTOMS OF CATARRH.—Dull, heavy headache, obstruction of the nasal passages, discharges falling from the head into the throat, sometimes profuse, watery, and acrid, at others, thick, tenacious, mucous, purulent, bloody and putrid; the eyes are weak and watery; there is a ringing in the ears, deafness, hacking or coughing to clear the throat, expectoration of offensive matter, together with scabs from ulcers; the voice is changed and has a "nasal twang"; the breath is offensive; smell and taste are impaired; there is a sensation of dizziness, with mental depression, a hacking cough and general debility. Only a few of the above-named symptoms are likely to be present in any one case. Thousands of cases annually, without the slightest half of the above symptoms, result in consumption and end in the grave. The disease is so common, more dangerous and dangerous, or less understood by physicians.

By its mild, soothing and healing properties, Dr. Sage's Catarrh Remedy cures the worst cases of Catarrh. "Cold in the Head," Coryza, and Catarrhal Headache.

Sold by druggists everywhere; 50 cents.

"Untold Agony from Catarrh."

Prof. W. Hausner, the famous mesmerist, of Utica, N. Y., writes: "Some ten years ago I suffered untold agony from chronic nasal catarrh. My family physician gave me up as incurable, and said I must die. My case was such a bad one, that every day, towards sunset, my voice would become so hoarse I could not speak above a whisper. The morning hawking and clearing of the throat would almost strangle me. By the use of Dr. Sage's Catarrh Remedy, in three months, I was a well man, and the cure has been permanent."

"Constantly Hawking and Spitting."

Thomas J. Rushing, Esq., 2902 Pine Street, St. Louis, Mo., writes: "I was a great sufferer from catarrh for three years. At times I could hardly breathe, and was constantly hawking and spitting, and for the last eight months could not breathe through the nostrils. I thought nothing could be done for me. Luckily, I was advised to try Dr. Sage's Catarrh Remedy, and I am now a well man. I believe it to be the only sure remedy for catarrh now manufactured, and one has only to give it a fair trial to experience astounding results and a permanent cure."

A complete Treatise on Catarrh, giving valuable hints as to clothing, diet and other matters of importance, will be mailed, post-paid, to any address, on receipt of a two-cent postage stamp. Address,
