## GENERAL MARKET REPORT.

COFFEE—The market for Rio grades on the spot ruled dull and weaker, prices showing a slight reduction. Fair cargoes quoted at 16 3-4c. Sales, 1,000 bags Capitania rumored 15c cost and freight. Mild grades in moderate demand and steadily held. Weakness was the prevailing element in the speculative line, due to adverse cable advices, and free selling for "long" account. Have closed heavy 5 pts. decline, and Hamburg is off 3-4@1 pfg. Rio quoted firm and quiet. Regular first, 15½@17; Good second, 15½@2; Exchange (Private), 27 1-4; receipts, 15,000; Rio clearances for U. S., 8,000; Rio clearances for Europe, 3,000; total stock, 845,000; Santos receipts, 15,000. First sales here showed losses of 5@15 points, afterward there was a further break of 20@35 points, leading to a moderate degree of activity, closing barely steady. Sales, 66,500 bags.

GRAIN—WHEAT—The heavy selling of "long" stuff noted in our last issue has ceased for the present, and today's market was characterized by a much healthier appearance. Prices made a substantial gain, but there was absence of special features, and the improvement is generally looked upon as a natural reaction from the late depression. Quite a number of parties who sold freely on yesterday's break were forced to cover their sales today, and to that may be attributed a great portion of the strength; besides foreign houses were heavy buyers late in the afternoon, when the highest prices ruled. Cable advices were dull and weaker, without having any effect. Speculation was quite brisk, most marked in May delivery. Opening sales indicated a rise of 3-8@3-4c, May ruling simultaneously at $1 05 1-4@$1 05 5-8, after which there was a drop to $1 05. Then followed a period of pronounced strength, with considerable covering by "shorts," May reached $1 06 5-16, closing firm at about the top. Cash grades were held 1@1 1-2c per bush higher, but prices must be regarded as purely nominal in absence of business, no sales reported. Sales, 6,880,000 bushels future. No. 2 Red quoted at $1 00 3-4 $1 01 elevator, $1 02 afloat; $1 01 1-2@$1 03 1-4 f. o. b., store and afloat. No. 3 Red, 95c. . . . CORN—For prompt delivery suffered a further slight loss to-day, closing 1-8@1-4c lower, with free offerings. Shippers were fewer buyers, taking 136,000 bushels. Options ruled irregular, leading to rather more activity. After a steady opening, prices advanced 1-4@1-2c, accompanied by "shorts" covering, subsequently there was a decline of 1-8@1-4c, leaving off steady. Sales 610,000 bushels future, 196,000 bushels spot, including ungraded Mixed at 38@48c; Rejected, 30@36½c; Steamer Mixed, 42½@42¾c elevator, 43½@44c delivered; No. 3, 38½@39c elevator, 39½c delivered; No. 2, 46@46¼c elevator, 47@48c delivered; Steamer White, 41½@42c. ## LIVE STOCK MARKET.

New-York, Thursday, Dec. 27—BEEVES—Receipts, a single carload of 19 head. Nothing doing in the cattle yard. Feeling steady, but dull.

City Dressed Beef had a slow sale at 4@6c for Poor to Fair Texas and Colorado Sides, and 6@8 1-2c for Decent to Prime Native Beef, with Inferior selling as low as 5 1-2c. Choice brought 9c.

Latest private cable advices show no improvement in the European market. Refrigerated Beef slow at 3 1-2d, or scant 7c per lb, and best American Live Cattle have very little demand at 11 1-2c, with 12c an extreme quotation for Fancy and Premium Steers.

Shipments to-day 200 Cattle on the Lydian Monarch.

CALVES—Receipts 103 head at 60th-st., and about 60 were received at Washington Market. On a light supply the feeling is firm, but butchers need only a limited number of Calves to supply the demand. Grassers sold at 2@2 1-2c per lb; Poor to Prime Veals at 5@8 1-2c.

Dressed Calves slow at 3 1-2@4 1-2c for Dressed Grassers; 8@10 1-2c for Country Dressed Veals (a few choice reaching 11c), and fair to Prime City Dressed sold at 10@12c, and Choice up to 12 1-2@13c.
