FIRENZI HERSELF AGAIN.

SHE WINS THE KNICKERBOCKER.

ODDS IN THE TIME TEST STAKES—OTHER EXCELLENT RACING.

The Coney Island Jockey Club had another Saturday of much enjoyment and of racing that will be remembered. Except for a superfluity of heat and humidity in the air, the afternoon was perfect June, and frequent cool puffs from the ocean fanned the flushed brows of disappointed losers. It was a half-holiday attendance of generous proportions, and the ladies were out in exceptional numbers and with all the delicate fancies in summer frocks and hats that artistic tastes could devise and cunning hands could fashion. No records were broken and no wonderful time was made, and the track, although in good condition, can hardly be so fast as at some previous meetings. It was expected that startling sprinting would be shown in the Time Test Stakes, but Hanover was withdrawn, and Fides won so easily that only 1:15 was recorded, certainly nothing remarkable for a straightaway course. Three favorites out of six won, and as one of these was the popular Firenzi all observers were keenly gratified with the sport.

Firenzi has run herself into form, and at her distances will be almost invincible hereafter. But the Knickerbocker Handicap furnished a great race and a close finish. Garrison was forced to ride his hardest to take the prize from Eurus, who hung on most stubbornly to the last stride, and the mighty little mare got the verdict by a neck only, and she was all out. Judging from last year, however, this severe finish will help rather than harm her, and she will show her highest racing form hereafter. Eurus seems to be better now than he ever was in his life before, and ran without swerving, bolting or sulking, and with much resolution to the end. But it must be borne in mind that Firenzi, with 124 pounds, was conceding nine pounds by the schedule to Eurus with 120. It takes a true racehorse to give Eurus nine pounds just now, but Firenzi did it.

It is expected that Firenzi, Raceland and Kingston will run in the Ocean Stakes at Monmouth Park on the Fourth of July, at a mile and a furlong, at weight for age, no penalties or allowances. If the three meet that will indeed be a race that no lover of the turf can afford to miss. Every admirer of racing in its highest estate will hope that nothing may occur to prevent the Dwyers, Mr. Belmont and Mr. Haggin from sending these three renowned stars of the turf to take part in the Ocean. They will earn the thanks of tens of thousands of ardent approvers of America's best thoroughbreds if they start the famous three in this contest.

In the Knickerbocker, Bella B. and Tea Tray were well up at the finish, and even Inverwick and Le Logos were not far behind. At the furlong post so nearly even were they all, so ranged across the track, that it looked as if any one of them might win. The whole race was a big laurel in Mr. Lawrence well-filled handicap wreath.

The Dwyers decided to withdraw Hanover from the Time Test Stakes, saying that they thought two races in one week enough for him. In his absence Fides was so heavily backed that few bookmakers would give more than even money against her. She won with astounding ease in 1:15, while Seymour (carrying only 101 pounds instead of 110, as the programme had it), showed speed superior to the rest of the field and fairly ran away from the tried and tested sprinters, Blue Rock, Reclare, Blush and Volunteer. So easily did Fides win as to give plausibility to the reports that with light weight she can run a mile at any time in 1:40 on a good track. She shows breathless flying in her work, and when the weight, distance and conditions suit her something of Kingston's or Raceland's stamp would be needed to outrun her at a mile or less. Reclare did not equal expectations. It may be that the two-year-olds of this year are a poor lot. Reclare has seemed to be one of the choice ones among them so far, but her running yesterday did not encourage the belief that she would ever rank very high among the selected sprinters of the country, even when she gets older. Only fourth with seventy-eight pounds, and beaten, not only by Fides, but also by Seymour and Blue Rock—that's not much for a filly that has run almost as fast in two-year-old races as any other youngster in the East, except St. Carlo.

The Good-Bye Stakes had half a dozen starters and an upset was the issue. Nearly all the trainers and experts looked upon the race as a certainty for Drizzle, and expected Fairy Queen, the filly that has been running so well in the West, to get second place. But Fairy Queen was hopelessly beaten in half a mile, and although Drizzle struggled on for a time under Hayward's energetic riding, Charles Reed's maiden filly Petersborough, in her first effort, beat him very easily, and Mr. Galway's maiden filly Livonia, coming with a rattle, took second place from Drizzle by a neck. It may be that Drizzle has raced too much and is stale. His race was execrable. Both Petersborough and Livonia are well bred, and are likely to improve. Mr. Galway has had the worst possible luck this year, and his host of friends hope that Livonia may bloom into a crack filly at Monmouth. Charles Reed, also, has been much buffeted by Fortune's ill-favored knuckles, and can stand a little good luck as well as any man. May he have it by all means. He always runs his horses true as a die, and the Reed colors are always out to win, if winning is possible.

Iago got his race in a trial. Hundreds of other horses go and do likewise.

D. A. Cooper's brown colt Loantaka, by Sensation out of Peggy Dawdle, formerly called the Ugly Duckling, because no one would have him at any price, and purchased very cheaply at Mrs. George L. Lorillard's breaking-up sale, is now a smashing sprinter. He walked away from his field quite in the Britannic style in the first race. Reporter, Gypsy Queen, Madstone, Climax, Fitz James, Cartoon and others were withdrawn, but none of them could have beaten Loantaka at seven furlongs yesterday. Ban Cloche was second, but Jay F. Dee, who came in third, would have been second if he had got off with the field. It would be well for the starter to be lenient with Jay F. Dee, and give him a chance. He is a fast colt, but has got much the worst of a number of starts, having been far behind repeatedly when the flag fell. Don't be so hard on poor Jay F. Dee, Mr. Caldwell.

My Own, an extreme outsider at long odds, won the selling race, French pool tickets paying $65 80 for $5. Sam Wood, the favorite, would have won if he had not been very unlucky at the turn and been interfered with three times.

The top weight proved too much for Bonanza in the two miles on the turf, and Silleck won in the fast time of 3:34. St. Luke second, First Attempt third. A piercing "tip," that was out on the old steeplechaser Hercules, missed the bulleye and Hercules failed to get a place. Steeplechasers rarely retain much speed for flat racing, even on grass.

Intense interest is felt in the rich Realization Stakes, worth nearly $40,000, to be run on Tuesday, and general regret will be felt that the Faverdale colt is not likely to run. Mr. Withers said yesterday that he should not start him, as he was not doing well. Turfmen were expecting a splendid struggle between the Faverdale colt, Salvator and Tenney. The starters will probably include Salvator, Tenney, Eric, Reporter, Jewel Ban and a number of others.

DETAILS OF THE RACING.

Time—1:28 1-5.

Betting, straight and place—Loantaka 8 to 5 and 3 to 5, Belinda 6 to 1 and 2 to 1, Ban Cloche 7 to 1 and 2 to 1, Meriden 8 to 1 and 3 to 1, Radiant 10 and Jay F. Dee 10 to 1 and 4 to 1 each, Tipstaff and Wary 12 to 1 and 4 to 1 each, Reveller 15 to 1 and 5 to 1.

Mutuals—Loantaka straight paid $11 20, place $8 65; Ban Cloche place $12 40.

Loantaka took the lead at the start—which was made after considerable delay and was not at all fair—and making the whole of the running won with ridiculous ease by four lengths; Ban Cloche second, a length and a half before Jay F. Dee, who beat Tipstaff a length. Loantaka was never approached in any part of the race, and could have won by a dozen lengths. The time, 1:28 1-5, is less than one second slower than the record made by the great Kingston. J. F. Dennell, the owner of Jay F. Dee, fell some over the start, his horse getting off so badly that he was practically beaten before he had run a yard.

SECOND RACE—GOOD-BYE STAKES. TWO-YEAR-OLDS. $50 EACH, $1,000 ADDED. SPECIAL WEIGHTS. SIX FURLONGS.

C. Reed & Son's ch. f. Petersborough, by Mr. Pickwick—Sarong, 103 lb (car. 106) ....(Hamilton) 1
Freakness Stable's br. f. Livonia, 103 ....(Littlefield) 2
Foley Walden's b. c. Drizzle, 111 ....(Hayward) 3
J. A. Scully's b. f. Fairy Queen, 118 ....(Fitzpatrick) 0
Madison Stable's b. c. Iago, 111 ....(W. Donohue) 0
W. L. Scott's b. g. Zer, 106 ....(Sims) 0

Time—1:17.

Betting, straight and place—Drizzle 6 to 5 and [illegible] 4, Fairy Queen 3 to 1 and 9 to 5, Livonia 6 to 1 and 2 to 1, Petersborough 8 to 1 and 3 to 1, Iago 15 to 1 and 4 to 1, Sarong 25 to 1 and 5 to 1.

Mutuals—Petersborough straight paid $35 80, place $14 45; Livonia place $17 75.

They raced over the Futurity course, getting well away to a fair start, all being in motion. Petersborough led through the dip and up the incline to the head of the stretch, where Drizzle and Fairy Queen came through, the favorite leading for half a furlong and then going all to pieces. Livonia swerving under the whip crowded Fairy Queen into the rails, and Fitzpatrick was forced to pull up to avoid an accident. This put an end to the Queen's chance, for Fitzpatrick made no further effort to win. Petersborough drew out as she passed the stand and won easily by three-quarters of a length; Livonia second, [illegible] a length before Drizzle. The race had a very rotten finish.

THIRD RACE—TIME TEST STAKES. $50 EACH, $1,000 ADDED. SPECIAL WEIGHT CONDITIONS. SIX FURLONGS.

J. Walsh's b. f. Fides, by The Ill-Used—Filletta, 3 yrs., 96 lb (car. 98 1-2) ....(Anderson) 1
H. W. Blunt's b. c. Seymour, 3, 101 ....(Moser) 2
W. Gratz's b. c. Blue Rock, 3, 101 (car. 105 1-2) ....(Reagan) 3
H. Warnke & Son's br. f. Reclare, 2, 78 ....(Murkett) 0
Rancocas Stable's ch. f. Blush, 3, 96 (car. 99) ....(Taylor) 0
F. Gebhard's b. g. Volunteer, 5, 114 ....(Littlefield) 0

Time—1:15.

Betting, straight and place—Fides evens and 1 to 3, Blush 4 to 1 and 6 to 5, Blue Rock 6 to 1 and 7 to 5, Reclare 7 to 1 and 8 to 5, Seymour and Volunteer 15 to 1 and 5 to 1 each.

Mutuals—Fides straight paid $11, place $9 15; Seymour place $28 95.

The race was run over the Futurity course, the horses finishing below the stand. Volunteer led for nearly half a mile and quit. Reclare then took up the work and was first into the homestretch, but Fides drew clear of her horses at the furlong pole and won as she pleased by two lengths, Andorwell sitting perfectly still. Seymour was second, four lengths before Blue Rock, who beat Reclare a length. The straight course is worse than a muddy track for upsetting public form. Many of the best horses in training seem utterly unable to extend themselves on it. Volunteer must have run the six furlongs in about 1:18 1-2. He can do better than 1:15 on the oval track. Possibly the long stretch frightens the courage out of a faint-hearted animal and he will not try. Neither Blush nor Blue Rock showed the slightest inclination to make a bid for the race. They were as unconcerned as Volunteer.

FOURTH RACE—KNICKERBOCKER HANDICAP. $50 EACH, $1,250 ADDED. 1 3-8 MILES.

J. B. Haggin's b. m. Firenzi, by Glenelg—Florida, 5 yrs., 124 lb ....(Garrison) 1
A. J. Cassatt's b. h. Eurus, 6, 120 ....(Hayward) 2
Dwyer Brothers' b. f. Bella B., 4, 114 ....(Taylor) 3
W. Lakeland's ch. c. Tea Tray, 4, 117 ....(Hamilton) 0
D. D. Withers's b. f. Inverwick, 4, 105 ....(Bergen) 0
W. Jennings's b. h. Dunboyne, 5, 112 ....(M. Donohue) 0
R. Bradley's b. g. Le Logos, aged, 102 ....(Moser) 0

Time—2:24 1-5.

Betting, straight and place—Firenzi evens and 2 to 5, Eurus 4 to 1 and evens, Tea Tray 6 to 1 and 7 to 5, Bella B. 7 to 1 and 8 to 5, Dunboyne 15 to 1 and 5 to 1, Le Logos and Inverwick 20 to 1 and 6 to 1 each.

Mutuals—Firenzi straight paid $9 40, place $7 50; Eurus place $9 65.

Tea Tray was off in front at the start, Eurus second, Dunboyne third, Inverwick fourth, Firenzi and Bella B. in the rear. Old Le Logos went out in the first furlong and led by half a length for three-quarters of a mile, Inverwick second, Eurus third. Firenzi and Bella B. lay back and waited. At the end of a mile Inverwick passed into the lead and Garrison moved up with Firenzi to third place. Taylor tried to follow with Bella B., but the filly sulked and fell back so far that she seemed hopelessly out of the race. Inverwick led into the homestretch, but had scarcely squared away for the run in when Firenzi and Eurus passed her. The two favorites had an exciting finish all to themselves, Firenzi winning none too easily by a neck. Eurus second, a length and a half before Bella B., who came like a thunderbolt in the last [illegible].

FIFTH RACE—PURSE $1,000. SELLING. 1 3-16 MILES.

D. A. Honig's ch. f. My Own, by Sensation—Queen's Own, 4 yrs., 91 lb ($1,400) ....(Clayton) 1
D. Gideon's blk. c. Sam Wood, 3, 107 ....(W. Donohue) 2
G. B. Morris's b. h. Panama, 6, 106 ....(Reagan) 3
W. C. Daly's b. h. Al Reed, 5, 103 ....(Moser) 0
M. Jordan's br. c. Hyperion, 3, 102 ....(Bergen) 0
J. J. McCafferty's gr. h. Boaz, 6, 101 ....(Anderson) 0
C. T. Perry & Co.'s ch. c. Long Branch, 4, 102 ....(Taylor) 0
Athenia Stable's ch. h. Red Prince, 5, 106 ....(Vincent) 0

Time—2:04 3-5.

Betting, straight and place—Boaz 12 to 5 and 4 to 5, Sam Wood 13 to 5 and evens, Panama 4 to 1 and evens, Long Branch 6 to 1 and 2 to 1, Hyperion 8 to 1 and 3 to 1, My Own 15 to 1 and 5 to 1, Al Reed and Red Prince 30 to 1 and 10 to 1.

Mutuals—My Own straight paid $95 80, place $33 85; Sam Wood place $11 10.

Al Reed was a trifle in front when the flag fell, My Own second, Long Branch third, the others nicely grouped. My Own went out directly, followed by Panama and Hyperion, and made the whole of the running, winning, whipped out, by a length; Sam Wood second, six lengths before Panama. Hyperion ran well for six furlongs and shut up. Sam Wood was not prominent until Donohue brought him up in the last furlong with a dazzling burst of speed. He was overhauling My Own at every stride, and had the post been ten yards further would have won, as the filly was all out and dropping fast. No bid for the winner.

SIXTH RACE—HIGH-WEIGHT HANDICAP. SWEEPSTAKES. $25 EACH, $1,000 ADDED. TWO MILES ON THE GRASS.

W. O. Scully's ch. g. Silleck, by Forester—Maggie V., 3 yrs., 113 lb ....(Hamilton) 1
L. Lloyd's ch. f. St. Luke, 6, 120 ....(Fitzpatrick) 2
Excelsior Stable's ch. g. First Attempt, 4, 114 ....(McCarthy) 3
W. Rodille's ch. h. Greenfield, aged, 108 ....(Reagan) 0
C. J. Kelly's ch. g. O'Fellus, 5, 111 ....(Miller) 0
L. Martin's ch. h. Troy, 5, 108 (car. 109 1-2) ....(Richerick) 0
J. H. McCormick's ch. h. Hercules, 6, 116 ....(Hayward) 0
Castle & Scott's ch. g. Bonanza, aged, 128 ....(Garrison) 0
Castello & Greene's br. f. Satisfaction, 4, 113 ....(Anderson) 0
W. Hendrie's ch. c. Gladiator, 4, 109 ....(Donnelly) 0
W. C. Daly's b. g. Subaltern, 4, 110 ....(Palmer) 0
J. Brady's ch. g. Charles Russell, aged, 112 ....(Bergen) 0

Time—3:34.

Betting, straight and place—Hercules 5 to 2 and 4 to 5, Bonanza 3 to 1 and evens, St. Luke 4 to 1 and 7 to 5, Silleck and Satisfaction 8 to 1 and 3 to 1 each, First Attempt, Greenfield, Troy and Gladiator 15 to 1 and 5 to 1 each, Greenfield 20 to 1 and 8 to 1, Charley Russell 25 to 1 and 8 to 1, Subaltern 40 to 1 and 15 to 1.

Mutuals—Silleck straight paid $46 50, place $27 10; St. Luke place $21.

This was a remarkable race. Garrison and Hayward began it by running the legs of Bonanza and Hercules in the first mile. Bonanza carried the top weight and was dead tired before half the journey had been travelled. Hercules was as soft as mush. He had plenty of speed but was ridden to a standstill at the end of nine furlongs. St. Luke, who had been carefully nursed by Fitzpatrick, then took the lead and had things his own way until Silleck slipped up in the last hundred yards and beat him by two lengths; St. Luke second, a head before First Attempt.

DIED IN A CAB ON THE BRIDGE.

Isabella Smith, age twenty-one, of No. 372 Pulaski-st., Brooklyn, a compositor employed in this city, and her sister Estelle, age eighteen, started to walk across the Bridge to Brooklyn last evening. Near the entrance Isabella was taken sick from palpitation of the heart and was attended in the waiting-room by Ambulance Surgeon Smith, of the Chambers Street Hospital. He suggested taking her home in the ambulance, but she refused and her sister got a cab and they started for Brooklyn. Sergeant Phillips, of the Bridge Police, got on the cab also. Near the Brooklyn tower it was found that Isabella was dying. When the station was reached in Brooklyn Surgeon Manilton, who was summoned, found that she was dead.

NEWS FROM THE SUBURBS

THE VICTIMS WERE A MOTLEY COMPANY.

Great excitement prevailed in Paterson, N. J., yesterday on account of the discovery of six people dead from suffocation on the premises in a Water-st. den. The bodies of all the unfortunates were fully identified yesterday. They were as follows: John Shirin, John Godfrey, Isabella McNally, Mary McNally, Emma Wright and Kate White. Shirin was an Armenian by birth, who about a year ago came to Paterson from Connecticut and found employment in the silk mill of Robert Adams. He was unmarried and about thirty years old. Godfrey was nearly eighty years old, and had once been a wealthy man in Saxony, his native home. He had been caught embezzling trust funds and was given his choice between a term of imprisonment and leaving the country. He chose the latter and thirty years ago came to Paterson. Emma Wright and Kate White were characters well known to the police, both having been frequently sent to jail for street walking. The McNally girls were unknown to the police: Isabella was less than fourteen years old and Mary was only a few days over sixteen years old. They had been dissolute only a short time and their mother knew nothing of their way of living. She believed that they were daily employed in a silk mill, and that their nights out were spent with female friends. The lives of both were insured. The fact that their bodies were found in the place created a great deal of surprise and sorrow among their relatives. Emma Wright lived in Newark with her father.

Coroner Goodridge yesterday empanelled a jury and the inquest will be held on Tuesday. By order of the health officer the bodies were removed to the pest-house on the almshouse farm, and were immediately interred after Dr. Leal had made a post-mortem examination of one of them and ascertained the cause of death to have been suffocation. There is no doubt that the deaths were caused accidentally, and apparently the stopcock to the gas-stove had been turned on by a kick from either Godfrey or Shirin as their feet were near it. The apartments in which the bodies were found measured 8x20 and 8x8, and the ceilings were low. As Mrs. Seifferin, who occupied the rooms above, heard noise in the rooms below on Wednesday evening, it is probable that the suffocation did not take place before Thursday morning.

A HORSE, NOT A BULL, IN A CHINA SHOP.

James Hensen was driving in Hurman-st., New-Brunswick, N. J., yesterday, when his horse ran away and dashed at full speed into the hardware and crockery store of R. M. Addis. The horse threw himself against one of the large windows, which broke into fragments, and then tearing himself loose from the buggy, the animal rushed into the store. He forced his way through to the rear, tossing the fragile wares in all directions, and then went into the living apartments of the house, where he was caught. Considerable damage was done.

JERSEY CITY.

All the public schools have been closed for the summer vacation. They will reopen on September 16.

The Hudson Boat Club, one of the oldest organizations in the city, has disbanded. A balance of $50 in the treasury was voted to the Children's Home.

J. E. Totolongo, age twenty-five, a spaniard, who was employed as bookkeeper in Marsh & Elbon's machine shop in First-st., was killed by a train about 3 p. m. yesterday at the Warren-st. crossing of the Pennsylvania Railroad. Robert Westervelt, the engineer, says that the man apparently threw himself in front of the locomotive. Totolongo was married and lived in New-York.

The County Park Commissioners have decided to purchase three parks. It is thought that Currie's Woods and the King estate have been selected, and that the third will be the Harrison estate.

The Board of Street and Water Commissioners yesterday discharged eighteen employes and at once re-employed fifteen of them. Of those left out in the cold one is a Republican, one is said to be opposed to the new charter, and the third will probably be reappointed.

Paul Ramitz, of Brunswick-st., was arrested yesterday for stealing a small can of milk from No. 172 Mercer-st. The prisoner told Police Justice Stilsing that he is a broom maker, but had been out of employment for some time and his family had been without food for two days. He stole the milk for his baby. He was discharged and Judge Stilsing provided him with sufficient food to last for a week.

NEWARK.

Ex-Postmaster William Brown, of Bloomfield, appeared before United States Commissioner Jones yesterday, and the examination was postponed. It is understood that he has made his deficiency good.

The Newark fund for the Johnstown sufferers now amounts to $20,612.54.

The First Brigade, National Guard, has been ordered into encampment the second week in July. About eighty of the guardsmen are employes of the Domestic Sewing Machine Company, and it was said yesterday that the company had given orders that would forbid their attendance in the camp. The matter was the topic of discussion among guardsmen yesterday.

VARIOUS NEW-JERSEY TOWNS.

PATERSON.—John Sherer, a German silk weaver, shot himself last evening in the fields north of Paterson, having first shot his dog. As he left the house he told a friend that the dog was the best friend he had. His wife and daughter left him two weeks ago, owing to a dispute. He paid his assessments yesterday in two mutual insurance companies, in which his life was insured for $3,000 for his wife's benefit.

NEW-BRUNSWICK.—The Buffalo fly has made its appearance at Three Mile Run, first appearing among the cattle of William H. Johnson. Its presence was disclosed by two fatal cases. There is much alarm among cattle owners.

ELIZABETH.—Paul T. Norton, a feed merchant, on Friday received two carloads of oats shipped from Wooster, Ohio, May 22. The cars were attached to one of the trains caught in the Johnstown flood. Upon opening one of the cars it was found that the contents, 1,004 bushels of oats, were entirely destroyed. . . . . The Connolly Motor Equipment Company, which has recently leased the Elizabeth and Newark road, has purchased ten new double cars, and intends to spend $50,000 in improving the rolling stock of the road and changing the gauge of the tracks.

ORANGE.—A series of weekly open-air concerts are to be given on the military common by Duffy & Imgrund's Band. . . . . The High School Alumni Association has elected the following officers for the current year: President, W. Bradford Smith; vice-president, Margaret R. Mason; secretary and treasurer, Frederick Codey.

SOUTH ORANGE.—The South Orange Athletic Club, numbering among its membership many of the best-known people of South Orange and Montrose, has formally organized by the election of the following officers: President, Reuse Martin; vice-president, Henry W. Curtis; secretary, Robert W. Speir; treasurer, H. W. Freeman; executive committee, J. Lee Smith, T. G. Conway and S. H. Howe. Steps toward the purchase of a lot and the erection of a suitable club-house will be taken at once.

Postmaster Van Cott received a letter yesterday from George Hance, representing the letter-carriers, and Thomas F. Ronin, representing the postal clerks, inviting him to review the parade of the clerks and carriers, which is to be held on July 4. The writers said:

We, the undersigned representatives of the Clerks' and Carriers' Association of the City of New-York, do hereby tender to you an invitation to review their parade at the plaza, on Union Square, July 4, 1889, at about 4:30 p. m., after which you and your friends will be conducted to the parlors of the Everett House. A FLAW THAT MAY COST A MILLION.

Minneapolis, Minn., June 29.—A sensational land title suit is about to be instituted here which involves property worth $1,000,000, in the heart of the city. The property is bounded by Third and Fourth sts. and Fourth and Fifth aves. south. Upon it is situated the Minneapolis Chamber of Commerce's magnificent stone building. A. C. Rouse, a young attorney, in looking over some old records recently, found what he conceived to be a flaw in the title running back to the year 1855, before the town was platted. He investigated further and became still more confident. He, with capitalists who are backing him, has recently secured 993 claim deeds, and will now prosecute the claim for all there is in it. It is said that other valuable land is also involved. Brown today filed for record the transfers of two more lots in block No. 67 for $500 each.

KALNOKY'S PACIFIC SPEECH.

THE AUSTRIAN MINISTER STILLS THE ALARM CAUSED BY HIS EMPEROR'S WORDS.

PROSPECTS OF PRINCE FERDINAND'S RECOGNITION BY THE POWERS—THE FAILURE OF THE EGYPTIAN CONVERSION SCHEME—EMPEROR WILLIAM'S PLANS.

Copyright; 1889: By the New-York Associated Press.

Berlin, June 29.—Count Kalnoky's speech expressing confidence in the intentions of the Servian Regency has tended to allay the alarm which Emperor Francis Joseph's speech produced. The cordial references of both to Bulgaria are regarded as an answer to the Czar's toast to the Prince of Montenegro. Notes exchanged between Austria, Germany, Italy and England on the question of recognizing Prince Ferdinand show that, while there is no desire to press the matter, no objection will be offered. Turkey's decision depends upon that of the other Powers, but, apart from Russia's opposition, the recognition of Ferdinand can hardly become an accomplished fact while Prince Bismarck shows so little interest in Bulgaria's fate. The "Silesian Gazette" goes to the length of asserting that, even should war result from a Russian occupation of Bulgaria and a demand for the evacuation of Bosnia by Austria, Germany would not feel obliged to assist Austria in the struggle, as the convention relative to the occupation of Bosnia and Herzegovina, was made without Germany's consent.

The "Cologne Gazette," referring to Turkey's rejection of Russia's overtures for a convention to insure Turkish neutrality in case of war, dwells on the expediency of Turkey joining the triple alliance, which, it says, is a further check on Russian aggressive schemes. West Prussian papers report that Russian troops along the German frontier are being strongly reinforced.

ENGLAND'S INTEREST IN EGYPT.

The "National Zeitung," in an article headed "England and Her Rivals," ably reflects the feeling here on the failure of the Egyptian conversion scheme. It argues that since Russia is pushing her frontier ever eastward in Central Asia, the security of the Suez Canal has become most important for England, which is less inclined than ever to evacuate Egypt or share her dominion there with any other Power. Therefore, all the materials are ready to hand for a France-Russian coalition against England, forcing her to become an informal member of the Central European Peace League.

EMPEROR WILLIAM'S COMING PLEASURE TRIP.

It is semi-officially denied that he intends to spend a week in Italy en route to Athens.
