For Acts of Charity and Benevolence Philadelphia stands prominent among her sister cities. During the war she had our refreshment saloons where thousands were fed while on their way to the "front," and now, in order that the good work may be continued, it is proposed to provide for the Orphans of many of these brave heroes who fell in defense of the stars and stripes. For this purpose the Washington Library Company of Philadelphia was organized in aid of the Riverside Institute of New Jersey. Here the Orphans of Soldiers and Sailors in all parts of the country will be gratuitously educated and made useful members of society. The just and honorable plan adopted for raising the necessary funds for this charitable object has received the endorsement of every one. Read Advertisement.

600 Solid Silver Case Lepine Watches	25 to 75 "
500 Gold Composite Hunting case watches	20 to 50 "

All the above splendid watches will be sold for $12 each. We have adopted the following plan:—Certificates describing each watch and its value, are prepared and placed in sealed envelopes, and the purchaser will be entitled to the Watch it calls for, upon payment of the $12. This is not a lottery, but a bona fide sale. Receiving a certificate, and as there are no blanks, every one must get a watch at half the usual price at least, and many will get a splendid Gold Watch for the trifling sum of $12. Certificates sent by mail to any address for 50 cents each. Five will be sent for $2; Eleven for $5; thirty-five for $10.

Agents wanted; send for circular. Address,
