Wit and Humor.

Solar Spots.

Some calculate the length of the spot on the sun at 39,000 miles; some at 27,-200; an astronomer at Carlisle, Penn, says its size is nearly equal to all North America. John Starewell says it is as big as a pea, to his eye, but, being so far off, it may be in reality as large as a grindstone. Sam Knowall contended that it is as large as Richmond. "You fool," said John, "why, I could jump over it at one leap." Mr. Omnoculus, (as it has been likened to a fly, or a bee, or a wasp, or an island like the Bermudas) is of opinion that a speck of dirt was on the glass thro' which it has been observed. A is of opinion that it is the smoke of a great bonfire in the solar woods. B says it is a great hole in the sun. C thinks it is a burning mountain. D supposes the sun surrounded with an atmosphere of election, and that a strong north-western wind has blown it mostly away in some places so as to make the real sun appear dark. E, considering how large is the sun, apprehends that it is a great thundergust with black clouds, that, in size and continuance, is not disproportioned to the sun's bulk. F is confident that the almanac makers have miscalculated, and that it is Mercury G conjectures that a great comet, on a visit to the sun from the cold of an immensely distant "northern country," entering carelessly too near, has pitched headlong, and now

"Lies floating long and large, full many a rood;"

and will be invisible as soon as it becomes red hot; and, being of a different substance from that of the sun, will appear brighter, till the substances are amalgamated. Thus accounts he for the sun's bright as well as dark spots. He doubts the reality of any spot, and attributes the appearance to an epidemic disorder in men's eyes. I—can not tell what it is—nor U.—[Virginia Patriot.]

CAUCUS.—The *free exercise* of the *public will* in the election of a President, reminds us of the memorandum that Joe Gibbin gave his father to purchase him a coat. He cared not a fig for the *color*, provided it was a good *blue*. Again—two Irishmen, traveling together in company, one of them went into a grocery to buy some Virginia leaf tobacco, which was to be fairly divided between both. The purchaser separated the stalk from the valuable part, and put each into separate twists. Holding one in each hand, he addressed his comrade, "Take your choice, Jemmy, but I swear you shan't have this."—*Middletown paper.*

When Henry the IV of France was once visiting a town at some distance from the Capitol, according to the usual custom, the chief magistrate began an oration, which Henry, who was a sensible man, had much rather have dispensed with. It so happened that just as the Mayor commenced his fulsome *oratory* an Ass brayed at a time, "*gentlemen,*" said his Majesty, and rode off, leaving the poor Mayor and his attendants in the greatest chagrin.

A WISE FOOL.—When Francis I. king of France, was to march his army into Italy, he consulted with his captains how to lead them over the Alps. Amonial, his fool, lying hid in a corner, crept out, and advised them rather to take care which way they should bring them back again!

NEWSPAPERS.—"Waiter," said a traveler at a country inn in England, "bring me a newspaper." "Sir," said the waiter, "we have lost the *Day*; we have neither *Sun* nor *Star*; a captain of a ship is reading the *Pilot*; and the only papers you can have are *Old Times*."

PURIFY! PURIFY!

LIFE and HEALTH are in the BLOOD.

Cleanse, Purify, and Regulate the Circulation, and the whole body will have health. The most wonderful of all remedies to produce such a result, is

BRANT'S INDIAN PURIFYING EXTRACT.

Yes, the desired result and efficacy will be produced by the use of a *smaller quantity* of this PURIFIER than can be effected by the use of a like quantity of any other remedy in the world. (See our *Pamphlets* for proof.)

This PURIFIER is *wholly* prepared from *Vegetables*, and cures the *worst, most obstinate*, and long-standing diseases of the blood, without *puking, purging, sickening*, or *debilitating*. It *cleanses, strengthens, invigorates*, makes new, *healthy blood*, and gives *new vigor* and *new life* to the whole system.

BRANT'S PURIFIER is FOUR TIMES *CHEAPER* than any other remedy in the world, because

ONE DOLLAR'S WORTH

of it will effect a greater amount of cure than *four dollars' worth of sarsaparilla*, or any other remedy, no matter how *large* their bottles may be. The *important question* for consumers to determine, is, *how much more curative effect will a dollar's worth of this Purifier produce, than a dollar's worth of that sarsaparilla or other remedy.* We might here say, that *Brant's Medicines* had cured, within the last year,

100,000 Persons of Impure Blood Diseases, and 25,000 Cases were considered Incurable!

as some other patent-medicine men are in the habit of saying. If we should say so, who would believe us? This however, we do say, and stand ready to prove by *respectable witnesses*, that BRANT'S MEDICINES have effected cures of more diseases on living human beings, the past year, than any other remedy in existence did during the same time.

How much will a Dollar's worth CURE?

Twenty large, deep *Ulcers* were *cured* by using *only twelve* bottles of *Brant's Purifier.*

The following is the most wonderful and astonishing cure that was ever effected on a human being, by *any medicine.*

Horrid Scrofula Cured.

MR. J. B. HASKIN, of *Rome, Oneida Co., N. Y.*, certifies, December 20th, 1849, that he had been afflicted with SCROFULA four years, and the last year confined to his bed, with TWENTY *large, deep, discharging* ULCERS—that his neck was eaten around from ear to ear—a hole was eaten through his *Wind pipe*, so that he breathed through the hole—his ear was nearly destroyed—the use of his arm was wholly destroyed—and an Ulcer under the arm, as large as a man's hand, had nearly eaten through into his Lungs—that he had used all kinds of SARSAPARILLA and *other medicines, to no benefit*, and that he was *not expected to live twenty-four hours* when he commenced BRANT'S INDIAN PURIFYING EXTRACT—that NINE BOTTLES of the PURIFYING EXTRACT *healed* and *cured* SEVENTEEN of the twenty Ulcers he had when he commenced using it, and that a *few bottles* more effected a PERFECT CURE. For full particulars of this, and many other *similar cures*, see our PAMPHLETS.

This Wonderful and Astonishing CURE does not stand alone as a *monument* of the *great efficacy* of BRANT'S PURIFIER, for we could give almost unlimited evidence of other cures, well attested, if this were doubted. This cure is certified to by

Fourteen Respectable Witnesses.

By DOCT. THOS. WILLIAMS, one of the most respectable physicians of Rome—by Messrs. BISSELL & LEONARD, wholesale and retail druggists—by Mr. G. R. BROWN, proprietor and keeper of the WEST ROME HOTEL—and by *eleven other witnesses.*

Brant's Indian Purifier

cures *all* impure diseases of the blood, viz.: *Scald-Head, Salt-Rheum, Rheumatism, Eruptions, Pimples on the Face, Piles, Biles, Ulcers, Contracions, Mercurial Diseases, Liver Complaint, Pains in the Back, Side, and Limbs, Rush of Blood to the Head*, etc., etc.

BRANT'S INDIAN PULMONARY BALSAM

This Balsam possesses *all* the *cleansing* and *purifying Virtues* of the above named PURIFYING EXTRACT, and also possesses several other medications, *particularly* and *peculiarly* adapted to cure COUGHS and CONSUMPTIONS. It *heals* and *cures Ulcers in the Lungs*, and elsewhere *internally*, as readily and as easily as the *Purifying Extract* heals and cures *externally*.

THOUSANDS of cures of the *most hopeless* Consumption fully prove its almost miraculous efficacy in *all* diseases of the LUNGS, THROAT, and BREAST.

A DYING WOMAN SAVED!

CONSUMPTION CURED!

We give the following certificate as a fact of cure, which goes to prove the power to save life, even when the person seems to be in the very last stages of existence, when *Brant's Indian Pulmonary Balsam* is administered:—

We give the following certificate as a fact of cure, which goes to prove the power to save life, even when the person seems to be in the very last stages of existence, when *Brant's Indian Pulmonary Balsam* is administered:—This case does not stand alone—we could name MANY CURES as *marvellous* and *astounding*—and *hundreds of hopeless* cases, and *thousands of cases* called CONSUMPTION—

THIS is to certify that the wife of *Ballston, Saratoga Co., N. Y.*, Mrs. Dykeman was pronounced *dying*, and Mr. Dykeman went to the store of Mr. JOHN WATT to *purchase cloth for a shroud*, and *other burial materials*, expecting his wife would soon die. She was in the *last stage* of the disease—was *much oppressed* and *distressed*—and to relieve her *great distress*, and make a *dying pillow more easy*, Mr. Dykeman was persuaded to give her some of "BRANT'S INDIAN PULMONARY BALSAM." He took the *Balsam* home with the shroud, and gave a portion to his wife—it relieved her—she continued to take it until she received GOOD HEALTH, and she has continued well *for nearly four years*—see *Pamphlet* for particulars.

Mr. DYKEMAN swore to the above facts before THOS. G. YOUNG, Esq., of *Ballston Spa*, 29th April, 1848.

THOS. G. YOUNG, Esq., *Justice*, certifies that he has known Mr. Dykeman many years—and that he is one of their most *worthy* and *respectable citizens*; and Mr. JOHN WATT, the merchant spoken of above, *also certifies* to the good character of *Mr. Dykeman*, and that he was acquainted with *all the facts*, having heard them often spoken of by *Dykeman*.

Brant's Pulmonary Balsam

cures *CONSUMPTION, Coughs, Colds, Spitting of Blood, Bleeding at the Lungs, Pain in the Breast* and *Side, Night-Sweats, Nervous Complaints, Palpitation of the Heart, Cholera Infantum, Dysentery, Summer Complaints*, and *ALL FEMALE WEAKNESSES*, without any *failing whatever*

CURE FOLLOWS CURE!

More Proofs of the Efficacy of

Dr. SWAYNE'S

COMPOUND SYRUP OF

Wild Cherry,

The Original and Genuine Preparation!

Consumption,

Coughs, Colds, Asthma, Bronchitis, Liver Complaint, spitting Blood, difficulty of Breathing, pain in the Side and Breast, palpitation of the Heart, Influenza, Croup, broken Constitution, sore Throat, Nervous Debility, and all diseases of Throat, Breast, and Lungs: the most effectual and speedy cure known for any of the above diseases is

Dr. Swayne's compound Syrup

of Wild Cherry.

Reliable Testimony.

John Milton Earle, editor of the Worcester Spy, Mass., was attacked with a severe inflammation of the lungs, accompanied with a distressing cough: after using various other remedies with little or no benefit, by the use of one bottle of Dr Swayne's Compound Syrup of Wild Cherry, he was restored to perfect health.

Wm. Montelius, a respectable merchant of St Clair, Schuylkill county, writes, Jan 30, 1849: "Enclosed I send you a certificate of Wm. Beaumont, a citizen of our town. His case of Consumption is well known here, and of long standing; he attributes his cure entirely to your Compound Syrup of Wild Cherry."

Be not deceived by the many spurious and worthless preparations of Wild Cherry, ushered into notice by ignorant pretenders, but see that the signature of Dr. Swayne is upon each bottle, which is the only guarantee against imposition.

Remember! the genuine preparation of Wild Cherry is prepared only by Dr SWAYNE, N W corner of Eighth and Race streets, Philad'a

Swayne's celebrated Vermifuge,

"A Safe and Effectual Remedy for Worms, Dyspepsia, Cholera Morbus, sickly or dyspeptic Children or Adults, and the most useful Family Medicine ever offered to the public."

This remedy is one that has proved successful for a long time, and is universally acknowledged by all who have tried it to be *far superior* (being so very pleasant to the taste, at the same time effectual) to any other medicine ever employed in diseases for which it is recommended. It not only destroys worms, but it invigorates the whole system. It is harmless in its effects, and the health of the patient is always improved by its use, even when no worms are discovered.

☞ *Beware of Mistakes.* Remember—Dr S's Vermifuge is now put up in *square bottles* (having recently been changed) covered by a beautiful wrapper, steel engraving, with the portrait of Dr Swayne thereon engraved. Bear this in mind, and be not deceived.

DR. SWAYNE'S SUGAR COATED SARSAPARILLA AND EXTRACT OF TAR PILLS.

The virtues of these pills can be appreciated only by those who have used them. They are adapted to assist nature in carrying off morbid matter, obstructions, impurity of the blood, &c. They are a gentle and effective purgative, correct all the functions of the liver, and as an alterative in dropsical affections they are very valuable and [illegible] eating or pure White Sugar, whereby everything disagreeable to taste or smell is entirely removed without in the least affecting the excellent qualities of the medicine. Remember! they are now put up in boxes turned out of the solid wood, covered with a red label bearing the signature of Dr Swayne: none other is genuine.

The above valuable Medicines are prepared only by Dr. SWAYNE, N W corner of Eighth and Race streets, Philadelphia.

PURE FRESH COD

Liver Oil.

THIS new and valuable Medicine, now used by the medical profession with such astonishing efficacy in the cure of *Pulmonary Consumption, Scrofula, Chronic Rheumatism, Gout, general Debility, Complaints of the Kidneys*, &c. &c., is prepared from the liver of the COD-FISH for medicinal use, expressly for our sales.

[Extract from the London Medical Journal.]

C. J. B. WILLIAMS, M. D., F.R.S., Professor of Medicine in University College, London, consulting physician to the Hospital for Consumption, &c, says; "I have prescribed the Oil in above four hundred cases of tuberculous disease of the Lungs, in different stages, which have been under my care the last two years and a half. In the large number of cases, 206 out of 234, its use was followed by marked, unequivocal improvement, varying in degree in different cases, from a temporary retardation of the progress of the disease and a mitigation of distressing symptoms, up to a more or less complete restoration to apparent health.

"The effect of the Cod Liver Oil in most of these cases was very remarkable. Even in a few days the cough was mitigated, the expectoration diminished in quantity and opacity, the night sweats ceased, the pulse became slower, and of better volume, and the appetite, flesh and strength were gradually improved.

"In conclusion I repeat that the pure fresh Oil from the Liver of the Cod is more beneficial in the treatment of Pulmonary Consumption than any agent, medicinal dietetic or regimenal, that has yet been employed."

As we have made arrangements to procure the Cod Liver Oil fresh from head quarters, it can now be had chemically pure, by the single bottle or in boxes of one dozen each.

Its wonderful efficacy has induced numerous *spurious imitations*. As its success depends entirely on its purity, too much care can not be used in procuring it GENUINE. Every bottle having on it our written signature, may be depended on as genuine.

Pamphlets containing an analysis of the Oil, with notices of it from the Medical Journals, will be sent to those who address us free of postage.

Worm Specific—M'Lane's Vermifuge!

THIS invaluable remedy for Worms is rapidly supplanting all others, in public estimation. Where it is used it has produced the best effects, and driven out all other remedies. "It is the best they have ever seen," is the remark of all who have ever used it in their families.

Tyre Springs, Sumner Co. Ten. Feb 19, '48

J. Kidd & Co.—I received a lot of M'Lane's Vermifuge from your agent last spring, which I sold out in one week, and I think I could have sold 1000 bottles by this time if I could have got it, but not knowing where to get it I had to wait until your agent came around. Every one who has tried M'Lane's Vermifuge, tell me it is the best they have ever seen. In fact it is impossible for any one to say too much in favor of this Vermifuge.

W. D. ROBB.

J. Kidd & Co.—Your traveling agent left with me last summer a quantity of Dr. M'Lane's Pills and Worm Specific, to sell on commission. The Worm Specific is all sold, and I should be glad to procure more, as it sells very readily, and has a very salutary effect in expelling worms. If you can forward me some, or send me an order to call on your agent in Buffalo (L. S. Reynolds.) I think it will meet with a rapid sale.

TRICKS OF QUACKS.

LET EVERYBODY READ THIS CAREFULLY.—There is a Sarsaparilla for sale in the different towns called S. P. Townsend's Sarsaparilla. It is advertised as the ORIGINAL, GENUINE, and all that. This Townsend is no doctor and never was; but was formerly a worker on railroads, canals, and the like—yet he assumes the title of Doctor for the purpose of gaining credit for what he sells. He says "he has attended two medical schools, and practiced for fifteen years!!" Now the truth is, he never practiced medicine a day in his life! Such *artifice, wicked misrepresentation* looks bad to the character and veracity of the man. I write most sincerely, he had never made those statements of himself or of me. When will men learn to be honest and truthful in all their dealings and intercourse with their fellow men! He applied to one Ruel Capp to assist him in manufacturing his mixture, stating the large sums he would make, as an inducement to embark in the business. The men have been insulting and libelling me in all possible forms, in order to impress the public with the belief that the Old Doctor's Sarsaparilla was not the *genuine, original Sarsaparilla*, made from the *Old Doctor's Original Recipe.* This S. P. Townsend says I have sold the use of my name for $7 a week. I will give him $500 if he will produce one single solitary proof of this. His statements,
