Commences Our Greatest Sale,

A SALE TO ECLIPSE

All Previous Records.

Ladies' Cloaks.

Onward, ever onward, pause not.....While yet the welkin rings with echoes of recent purchases, again we buy and announce

THE GREATEST PURCHASE OF ALL,

NAMELY:

THE ENTIRE STOCK OF MEYER JONASSON & CO.

Truth is often doubted when deception passes current .....When we announce another sale the only ground for doubt is the wonderful rapidity with which we have absorbed

Three Great Stocks.

In now announcing "the greatest purchase of all" we but state the literal truth.....To the best of our knowledge and belief, the three greatest wholesale cloak houses in America are S. Rothschild & Brother, Oppenheim, Collins & Co., and Meyer Jonasson & Co., whose annual sales aggregate nearly six millions of dollars.....The first two stocks, in addition to that of C. J. Burnett & Co., were bought last month, and are now offered together with the "Meyer Jonasson stock" at half, third and with quarter value.....Again we state the literal truth when we assert that no such values in new and fashionable garments were ever seen.....This great offering comprises thousands and thousands of the best styles in

PLUSH,

MATELASSE, VELVET AND CLOTH NEWMARKETS,

JACKETS AND WRAPS.

Such variety you have never seen, such quantities never, and as for prices, they are wonderful beyond comparex.....To give a list would take ten columns of this paper.....We submit a few descriptions with appended prices; let them indicate the far greater stock that we will show you when you come:
