AFFAIRS IN BROOKLYN.

ASKING FOR MORE NIGHT TRAINS.

The Board of Aldermen had several railroad matters before them yesterday. A resolution was adopted requesting the Brooklyn Elevated Railroad Company to run trains every half hour after 1 o'clock a. m., to accommodate persons who are obliged to reach their homes at late hours by reason of their business pursuits.

A resolution was also offered requesting the company to erect guard rails on its platforms at the City Hall, Bridge-st., Navy-st., Myrtle-ave. and Gates-ave. stations, on the East New-York line, and at the Bridge, owing to the overcrowding of these platforms and the danger of serious accident and loss of life. This was referred to the Railroad Committee. A resolution was adopted requesting the authorities of all the surface and elevated railroad companies to issue half-fare coupon books to the pupils of the Central Grammar Schools.

STANDING COMMITTEES APPOINTED.

Chairman Goodrich has appointed the following standing committees of the Republican General Committee: Rules and Order—William H. N. Cadmus, George B. Forrester, Theodore B. Willis, Hugo Hirsh, William J. Buttling. City and County Affairs—Israel F. Fischer, William S. Carter, Frederick Hauck, Joseph Benjamin, J. J. Schlosser. Legislation—George F. Elliot, F. F. Williams, George E. Moulton, D. M. Hurley, Charles J. Kurth.

SHE TOOK POISON BY MISTAKE.

While suffering from dyspepsia, Mrs. Mary Ulrich, of No. 97 Clymer-st., took a dose of rough on rats yesterday in mistake for a powder prescribed by her physician. She was immediately taken sick and Dr. Beardsley was called in. He administered the usual antidotes for poisoning and soon had her out of all danger. Mrs. Ulrich is the wife of a well-known physician.

FALSE TEETH WORTH $1,000 STOLEN.

False teeth worth $1,106 34 were stolen on Sunday night from the rooms of the Brooklyn Dental Company, at No. 340 Fulton-st. There were 970 sets stolen. The office was entered from a vacant room adjoining, the key of which was secured from a barber shop on the same floor on Saturday night by a man who said he wanted to rent it.

GATHERED ABOUT THE TOWN.

Postmaster Collins designated fourteen additional stamp agencies yesterday, making a total of 114.

Justice Barlett yesterday granted an absolute divorce to Abraham Kushneer, a Russian, from his wife Esther. Her defence was that she supposed the man she lived with was her husband, though he did not look like him. She left her husband in Russia, and when a stranger came to her several years after she thought it was her husband. It was also said that the husband was in collusion with this man, so as to get a divorce.

The County Treasurer has been informed by Mayor Chapin to be in readiness to issue bonds for $150,000 to pay for the site for the new 14th Regiment Armory, comprising 200 by 548 feet of the block bounded by Seventh and Eighth aves. and Fourteenth and Fifteenth sts.

Charles McKenna was before Police Justice Tighe yesterday for stealing a bagful of chickens from the cellar of Henry Ernst, at No. 323 Hamilton-ave., on Sunday night. Mr. Ernst caught him in the act.

DECLARING HIMSELF GUILTY.

AN EFFORT TO SAVE A MAN SAID TO BE UNJUSTLY CONVICTED.

James Noonan was convicted of burglary last Thursday in General Sessions, but yesterday "Gus" Metler appeared before Recorder Smyth in that court and declared that he had committed the crime. On the night of January 11, Myer Salewitz and his wife, who live in the rear of their grocery at No. 4 Jefferson-st., were awakened by hearing a noise in their room. The wife saw a burglar ransacking the bureau with one hand, while he held a candle in the other. She screamed and the man fled. He was pursued by Policeman Sullivan, who saw his face as he ran under a gas lamp. The policeman says the burglar disappeared in the barroom of "Gus" Blint, No. 5 Norfolk-st. Sullivan obtained admission to the place after some delay, and asked for the man who had entered last. Noonan stepped forward and was arrested.

On Noonan's trial the policeman and Mrs. Salewitz positively identified him as the burglar. Noonan denied being guilty and witnesses testified to his good character. His friends' worker up the case and learned that Metler was the guilty man, so they say. He was arrested, but was discharged in a police court. He says that Policeman Sullivan spoke to the justice and thus had him discharged. Metler says that the officer told him to say nothing about the case, except to deny being guilty. Metler, however, insisted on saving the innocent man. He declares he committed the burglary and dashed into the hallway adjoining Blint's liquor-store, thus deceiving his pursuer.

Recorder Smyth directed Metler to tell his story to the District-Attorney.

DRUG SECTION OF THE BOARD OF TRADE.

A drug section of the Board of Trade and Transportation was organized yesterday at the Board's rooms in Liberty-st. Among the firms represented were: Dodge & Olcott, Tarrant & Co., H. J. Baker & Brother, Lehn & Fink, Seabury & Johnson, Fairchild Brothers & Foster, Fraser & Co., Schoelhoff, Hartfut & MacNegan. George W. Olcott acted as temporary chairman. John McKesson, jr., of McKesson & Robbins, was elected permanent chairman, and S. W. Fairchild vice-chairman. F. S. Gardner, acting secretary of the Board, will be the secretary of the drug section. Two plans for organization were discussed. The first included the appointing of a number of committees with particular duties. The second vested control of the section in the Executive Committee, with the exceptions wherein special committees were needed. This plan was accepted. The chairman, George J. Seabury, Albert Plant and F. M. Robinson constitute the committee. It is expected that other trades, such as the tobacco, glass, etc., will soon organize themselves under the Board in a similar manner.

DR. DOWLING PROSTRATED BY OVERWORK.

Dr. J. W. Dowling, professor of physical diagnosis in the New-York Homœopathic Medical College, has been ill during the last two months, and has been resting at a sanitarium under care of a personal friend of his. Dr. F. S. Seward, at Goshen, N. Y. Dr. J. W. Dowling, jr., his son, has been lecturing in place of his father at the college, and when seen there yesterday said it was a case merely of nervous prostration brought on by overwork and by the severe illness of his wife, "who," he said, "was at death's door for eight weeks. He made an extended trip to Europe last year and returned last October. He is simply taking a much-needed rest in Goshen, where he spends most of his time entirely free from labor, taking as much driving and recreation as possible. He will return to the city in perhaps two or three months, and will then resume his work in the college."

NEW-YORK CITY.

Judge Martine, in General Sessions, yesterday sentenced John Curtin to imprisonment for life. Curtin was recently convicted of murder in the second degree for killing John Sloan at No. 32 Cherry-st. on last Easter.

Policeman James H. Martin, of No. 404 West Thirty-sixth-st., was acquitted in General Sessions yesterday of the charge of assault. On September 1, it was alleged, he broke the wrist of Oscar Emmons, of No. 419 West Sixteenth-st., whom he was trying to arrest. Emmons was drunk at the time, and first accused Policeman Gillespie of injuring him.

President Arnold, of the Board of Aldermen, will be acting Mayor and will preside at the Board meetings to be held during the absence of Mayor Grant on his Southern trip.

A regular meeting of the Lincoln Republican Club of the XVIth Assembly District was held last night at the club-rooms, No. 223 Third-ave. The following house committee was elected: Richard M. Lush, James Duffy, William Henkel, William A. Moger, John H. Cavanagh, Michael J. Horan, James Smith, George Schroeder and Frank H. Daly.

There was again a large attendance last evening at the free lectures given to the people under the auspices of the Board of Education. The lectures were delivered in six grammar schools by Dr. E. W. Fisher, Professor R. E. Mayne, Edward King, Professor John K. Rees, Dr. Charles S. Welles and Professor Charles A. Doremus.

President Francis L. Patton, of Princeton College, delivered an interesting address at the Union Theological Seminary last night, under the auspices of the Homiletic Society of the seminary.

The King's Daughters of the Second Avenue Baptist Tabernacle will hold their first annual meeting tonight. There will be an organ recital and reports of the work done by the various circles. This will be followed by an illustrated address on "The Passion Play," at Oberammergau, by the pastor, the Rev. Dr. D. C. Potter.

The Ninth Ward Pioneer Corps will have a public drill and a reception at Central Turn-Verein Hall, sixty-seventh-st. and Third-ave., on the evening of February 4. Tickets may be obtained at the committee's rooms, No. 16 Abingdon Square.

The Rev. Dr. Gordon, of the Old South Church, Boston, delivered an interesting address before the students of the Union Theological Seminary yesterday afternoon, on "Enthusiasm for the Ministry."

The exercises of the University of the City of New-York will be suspended to-morrow, in commemoration of the Day of Prayer for Colleges.

TROUBLES OF BUSINESS MEN.

A RECEIVER APPOINTED AND A NUMBER OF JUDGMENTS ENTERED.

Jacob L. Cantor has been appointed receiver of the Medford Fancy Goods Company, manufacturing dog collars at Nos. 44 and 46 Duane-st., by Judge Lawrence, of the Supreme Court. Isidor Bremer started the business in Newark, and incorporated the company in 1881 with a capital stock of $10,000, which was increased to $40,000 in 1885, and he continued as president and treasurer until recently. Riley & Osborn, of Newark, it is said, were interested in the company. An attachment for $904 was issued against the company last week in favor of the Giles Company. Mr. Jacobs, of No. 335 Broadway, attorney for the Medford company, said yesterday that the concern was only temporarily embarrassed, but was absolutely solvent and would in time pay everything it owed; the good assets were over $42,000, while the actual liabilities were $21,000. The reason for the receiver was that the company had made accommodation paper to the amount of about $20,000, which had gone into the hands of third parties, and in order to protect the company's creditors it had been decided to have a receiver. It is thought that the accommodation paper will be taken care of by the parties for whom it was made.

Sigismund Abraham, dealer in dry and fancy goods at No. 504 Tenth-ave., made an assignment yesterday to Louis Lowenstein, lawyer, of No. 150 Nassau-st., giving a preference for $204 to the H. L. Claflin Company. Mr. Lowenstein said that Mr. Abraham had become short of ready cash, but had a large stock of goods, and would pay everybody in time, and two-thirds of the creditors have already granted an extension. He has been in business about fifteen years.

The schedules of Lowden & Rutherford, dealers in carriages at No. 1,648 Broadway, show liabilities, $52,500; nominal assets, $61,100; actual assets, $35,323. The stock is nominally valued at $52,840, actual, $3,304; the balance of the assets is on accounts and $25 cash.

E. K. Sargeant, jr., & Co., proprietors of the Essex Yarn Mills at Newark, who have had a judgment entered against them in this city for $11,232 in favor of the M. A. Furbush & Son Machine Company, and an attachment against them for $4,500 in favor of Harriet S. Weaver, are reported to owe over $25,000. They formerly valued their investment at $36,000 on which they claimed an equity of $12,000. They began business in February, 1888, Dr. W. S. Baker, the "Co.," it was said, furnishing the capital. For some time they have been trying to turn their business into a stock company. Louis Lowenstein, who represents the M. A. Furbush & Son Machine Company, said yesterday that Messrs. Walter S. Baker and Edmund K. Sargeant, jr., who compose the firm of E. K. Sargeant, jr., & Co., were also partners in the firm of E. Harvey & Co. knitting mills, of Brooklyn, in which firm they had a two-thirds interest.

Deputy Sheriff Fox has received two attachments against the J. Meyberg Hat Company of St. Louis, granted by Judge Lawrence, of the Supreme Court, one in favor of the Empire State Bank for $1,050, and the other in favor of William B. Thorn for $3,000.

The sheriff yesterday sold out the stock of Lawrence Steinbugler, dealer in furniture, at Nos. 2,413 and 2,415 Eighth-ave., on an execution for $3,317 in favor of his brother, John Steinbugler, jr.

A judgment for $6,811 was entered yesterday against William H. Wickham, in favor of Thomas F. Rowland.

THE LONGEST FERRYBOAT EVER BUILT.

A ferryboat, that is said to be the longest ever built and which has the peculiarity of a propeller at either end, is expected here soon. She is called the Hugh McCulloch, after the former Secretary of the Treasury Department, and was built by the New-York, Lake Erie and Western Railroad Company for service here. The McCulloch was built at Philadelphia, and according to advices from that city has attracted widespread attention. She is constructed of steel, is 215 feet long, 38 feet wide and 16 feet deep. The machinery consists of compound surface condensing engines all below deck. The McCulloch has large deck rooms and spacious cabins fitted up in unusually fine style for a ferryboat.

PLANS FOR THE BASEBALL SEASON.

THE PLAYERS' CONTRACTS AND THE ARRANGEMENTS FOR THE GROUNDS.

No effort has yet been made to sign any of the New-York baseball club players, but the work will begin in a day or two, and most of the men will have signed their contracts before February is far advanced. That the local management intends to make a decided cut in salaries is assured, as the stockholders' losses in this city last year were enormous.

Some of the players have three-year contracts. Such contracts belong to the men who played on the local Brotherhood team last season, and are not worth the paper they are written on. The players who signed long contracts with the local League club will also be asked to play for less. Welch, however, has a personal contract, and he can in all probability get the full salary stipulated. Welch visited the city yesterday and had a conference with John B. Day at the latter's office in Maiden Lane.

The Titan Athletic Club has made the stockholders of the New-York club an offer for the use of the uptown grounds, which will not be used for baseball purposes. The Titans can undoubtedly secure the grounds if they can pay the price demanded. The rumors that Brotherhood Park would not be used this year for baseball purposes are without foundation. The April and possibly some of the May games will be played at the Polo Grounds, and the rest will be played at Brotherhood Park.

This move is made because several improvements must be made at the upper park before it can be made the ideal baseball grounds which the local stockholders insist upon. The right-field seats will have to be raised and the ground filled in. The entire park will be sodded and, when ready for occupancy, will be the handsomest and one of the most spacious athletic inclosures in the world.

NEW-YORK ATHLETIC CLUB ENTERTAINMENTS.

The second of the New-York Athletic Club's boxing tournaments will be held on February 7, at 8 p. m. The weights will be as usual, 158, 135, 125, 115 and 105 pounds. At the request of some of the clubs the New-York Athletic Club has decided to give a first and second prize, the first to be valued at $75 and the second at $25. At the end of the tournament two solid silver cups will be given, the one to the competitor winning the greatest number of bouts and the other to the competitor considered the cleverest boxer brought out during the three tournaments. At present date, Harmon, of the Pastime Athletic Club, and Mullins, of the West Side Athletic Club, are leaders for the first cup. Besides the regular tournament there will be five special bouts between picked men, for $100 trophies. Entries will close on February 5.

Saturday, February 14, will be the third ladies' day of the season. Tickets will be ready at the office, February 4. The fourth ladies' day will be March 7. Some of the best amateur talent has volunteered for the minstrel entertainment to be given under the auspices of the New-York Athletic Club, at the Lenox Lyceum, February 18, at 8 p. m. Tickets can now be had at the office and of the following members of the special committee: George D. Phillips, W. H. Pinckney, J. C. Wilson, jr., Dr. Ramon Guiteras, G. M. Hammond, W. F. Lawson, J. R. Buchan, R. C. Fisher, jr., A. W. Wattenberg, D. Valentine, jr., E. J. Milliet, C. W. Morgan, F. Seggerman, J. V. Black, M. Bouvier, George H. Bussenschutt, E. S. Goadby, George G. Stow, J. H. Booth, C. L. Seeley, W. R. Bassett, C. P. Geddes, J. H. Steen, H. C. Zaun, Simeon Ford, T. E. D. Power.

The entertainment committee announce that a "smoking concert" will be given in the gymnasium, Saturday evening, February 21.

PEACE IN THE SEVENTH REGIMENT.

THE LONG STANDING DISPUTE BETWEEN THE VETERANS AND ACTIVE MEMBERS SETTLED.

There is a clearing prospect that the unfortunate differences which for nearly six years have kept apart the members of the 7th Regiment and the members of the Veteran Association of the regiment will be speedily settled. Indeed an amicable adjustment has already been reached, and the 7th Regiment Veteran Association and the Uniformed Battalion of the one part and the 7th Regiment officers and privates of the other part have practically agreed to disagree no longer. The beginning of the end of the trouble came on Saturday night, and the scene over which the flag of truce waved was the hospitable home of the 7th Regiment Veterans' Club, at Fifth-ave. and Fifty-eighth-st. The occasion was the presentation to the club of pastel portraits of Generals Abraham Duryee and Marshall Lefferts, both generals having at one time been colonels of the regiment. The committee in charge of the presentation ceremonies, acting under what seems to have been a special inspiration, selected General Louis Fitzgerald to make the presentation speech and invited all of the officers of the 7th to be present. To the pleased amazement of the veterans all the principal officers of the 7th were present, and the speech of General Fitzgerald in presenting the portraits, and of Colonel Locke W. Winchester in receiving them, were received by no one with more cordial expressions of approval than by the regimental officers. Colonel Appleton, of the 7th Regiment, aroused great enthusiasm by his friendly remarks.

Locke W. Winchester, colonel of the Veteran Association and also of the Uniformed Battalion, said yesterday to a Tribune reporter: "It's all over, happily over, and from this time I believe we will be the happiest family of guardsmen and ex-guardsmen in the world."

GOODWIN'S ANNUAL "TURF GUIDE."

Goodwin's annual "Turf Guide" for 1890 is now ready, with many new and interesting features. It contains 1,100 pages, and gives, among other things, the results of over 6,000 races run in the United States and Canada, the names, with full pedigrees, of over 5,000 horses; interesting summaries of racing, betting, etc., of all principal meetings; the betting rules now in vogue; the new Eastern rules of racing; interesting turf items of interest; table of jockey mounts; racetrack terms and phrases; racing fixtures of the different racing clubs for 1891; jockeys' names, lowest weight and to whom engaged for 1891; the dates of principal English races for 1891; a separate index of stake winners in 1890; a list of responsible bookmakers, poolrooms, etc.

SHOES

OUR REGULAR ANNUAL SALE

now in progress contains among other attractions several full lines of excellent goods made for other houses to whom the manufacturers (owing to financial stringency) declined to deliver them. These together with several lines from our regular stock have been marked down to the uniform price of

$2.75;

formerly sold at $4, $5 and $6.

Modern Method of Hammering Shoe Leather.

We hammer shoe prices.

For years we sold a superior domestic Waukenphast shoe for seven dollars. Sold lots of 'em, too; for there was no better value to be got anywhere.

As a means of increasing our shoe trade we ordered larger quantities, thus getting a lower cost, reduced our own profit to a nominal figure, and have been selling them for $5.50 a pair. The shoes are as good as ever.

An excellent shoe with full cork sole for $5 is somewhat rare, but we have it.

Parents of boys require education in the matter of boys' shoes. Experience in the use of our boys' shoes is decidedly instructive. A lesson in true economy.
