Cottolene

"The Natural Shortening"

Foods cooked with Cottolene come to the table with their natural goodness improved with a better flavor.

Biscuits shortened with it delight by their taste, their lightness, their whiteness and their wholesomeness.

Pie crust shortened with Cottolene has that flaky goodness which perfects the whole pie.

All foods fried in it are better-tasting and digestible because Cottolene does not soak into them.

There is no substitute for Cottolene—nothing "just as good."

Try Cottolene—try it in your biscuits, for example, then in your other cooking. Arrange with your grocer for a regular supply. It is packed in pails of various sizes.
