how they grow? How the
mystery of their life is carried
out and how their hues and
forms show such a wonderful
variety. Surely it cannot be
wrong to believe this, or idle to
wish that the flowers may be
transplanted to the garden of
Paradise, where storm can nev-

autumn, bringing decay and
death, shall come no more for-
ever. Lovely spring time we
are waiting for thee. Come
with thy many blessings and
cheer the weary and broken
hearted.

Thou art welcome, sweet spring time,
thy buds and thy blossoms,
Are filling with beauty the heather
and hill,
Mid our sorrows thou comest like balm
to our bosoms,
Dispelling the spectres of darkness and
ill.

I wake at day dawn and go forth to
meet thee,
To feast on thy teachings and muse on
thy theme.
The hymn I have heard from the wild
birds that greet me;
Thy sermons are preached from the
echoing stream.

Thou hast lessons of wisdom for those
who will listen
With hearts all attuned to the teach-
ings of Heaven,
The gems of thy casket may sparkle
and glisten;
How brightly, how briefly thy glories
are given."

WHAT IS QUEEN'S DELIGHT!

It is a plant that grows in the South and is the only actual blood purifier ever discovered, by which all diseases that centre in the blood can be eradicated at once and forever. It expels for life all scrofulous, syphilitic, cutaneous and rheumatic affections, and is the ONLY TRUE REMEDY for this class of diseases. Alone, it is a searching alterative, but when combined with Honduras Sarsaparilla, Yellow Dock and other roots and herbs, it becomes a blood purifier unsurpassable and unequalled. Such is the combination of

Dr. Tutt's Sarsaparilla and Queen's Delight,

forming the most powerful alterative known to the Medical Science for the cure of old ulcers and sores, diseased joints, foul discharges from the ears nostrils, Abscesses, skin affections, rheumatism, dropsy, kidney complaints, evil effects of secret practices, diseased scalp, disordered liver and spleen, and all diseases that centre in the blood. It possesses the peculiar property of imparting a fair complexion and

Causes the Body to Gain in Solid Flesh.

Its value cannot be too strongly impressed upon the attention of those who have been exposed to a taint of improper character. The afflicted are assured that this is not one of the worthless nostrums of the day, but is prepared upon scientific principles, by a physician of thirty years experience. Sold everywhere.

Ask the recovered dyspeptics, bilious sufferers, victims of Fever and Ague, the malarial diseased patient how they recovered health, cheerful spirits and good appetite, they will tell you by taking Simmons' Liver Regulator.

"The cheapest, purest and best family medicine in the world.

For Dyspepsia, Constipation, Jaundice, Bilious attacks, sick headache, colic, depression of spirits, sour stomach, heart burn, &c., &c.

This unrivalled Southern Remedy is warranted not to contain a single particle of Mercury, or any injurious mineral substance, but is **Purely Vegetable** containing those Southern Roots and Herbs, which an all-wise Providence has placed in countries where Liver Diseases most prevail. It will cure all Diseases caused by Derangement of the Liver and Bowels.

The symptoms of Liver Complaint are a bitter or bad taste in the mouth; pains in the back, sides or joints, often mistaken for Rheumatism; Sour stomach; loss of appetite; bowels alternately costive and lax; Headache; loss of memory, with a painful sensation of having failed to do something which ought to have been done; debility, low spirits, a thick yellow appearance of the skin and eyes, a dry cough often mistaken for consumption.

Sometimes many of these symptoms attend the disease, at others very few; but the Liver, the largest organ in the body, is generally the seat of the disease, and if not Regulated in time, great suffering, wretchedness and death will ensue.

"I can recommend as an efficacious remedy for disease of the Liver, Heartburn and Dyspepsia, Simmons' Liver Regulator.—Lewis G. Wander, 1625 Master Street. Assistant Post Mast., Philadelphia."

"We have tested its virtues personally, and know that for Dyspepsia, Biliousness, and Throbbing Headache, it is the best medicine the world ever saw. We have tried forty other remedies before Simmons' Liver Regulator, but none of them gave us more than temporary relief; but the Regulator not only relieved, but cured us."—Ed. Telegraph and Messenger, Macon, Ga.

Manufactured only by J. H. Zeilin & Co., Macon, Ga., and Philadelphia.

It contains four medical elements, never united in the same happy proportion in any other preparation, viz: a gentle Cathartic, a wonderful Tonic, an unexceptionable Alterative and certain Corrective of all impurities of the body. Such signal success has attended its use, that it is now regarded as the **Effectual Specific** for all diseases of the Liver, Stomach and Spleen.

As a remedy in malarious fevers, bowel complaints, dyspepsia, mental depression, restlessness, jaundice, nausea, sick headache, colic, constipation and biliousness, **it has no equal.**

Caution.

As there are a number of imitations offered to the public, we would caution the community to buy no Powders or Prepared Simmons' Liver Regulator, unless in our engraved wrapper, with the trade mark, stamp and signature unbroken. None other is genuine.

J. H. ZEILIN & CO.,
Macon, Ga., and Philadelphia.

"Your valuable medicine, Simmons' Liver Regulator, has saved me many Doctors' bills. I use it for everything it is recommended, and never knew it to fail. I have used it in Colic and Grobbs with my mules and horses, giving them about half a bottle at a time. I have not lost one that I gave it to, you can recommend it to every one that has Stock as being the best medicine known for all complaints that horse-flesh is heir to. E. T. TAYLOR,

The testimony of the whole world.

Holloway's Pills.

"I had no appetite; Holloway's Pills gave me a hearty one."

"Your Pills are marvelous."

"I send for another box, and keep them in them house."

"Dr. Holloway has cured my beach ache that was chronic."

"I gave one of your Pills to my babe for cholera morbus. The dear little thing got well in a day."

"My nausea of a morning is now cured.

"Your box of holloway's Ointment cured me of noises in the head. I rubbed some of your ointment behind the ears, and the noise has left."

"Send me two boxes; I want one for a poor family."

"I enclose a dollar; your price is 25 cents, but the medicine to me is worth a dollar."

"Send me five boxes of your Pills."

"Let me have three boxes of your Pills by return mail."

I have over 200 such testimonials as these, but want of space compels me to conclude.

For Cutaneous Disorders,

And all eruptions of the skin this Ointment is most invaluable. It does not heal externally alone, but penetrates with the most searching effects to the very root of the evil.

Holloway's Pills

Invariably cure the following diseases

Disorder of the Kidneys.

In all diseases affecting these organs whether they secrete too much or too little water; or whether they be afflicted with stone or gravel, or with aches and pains settled in the loins over the regions of the kidneys, these Pills should be taken according to the printed directions, and the Ointment should be well rubbed into the small of the back at bed time. This treatment will give almost immediate relief when all other means have failed.

For Stomachs out of Order

No medicine so efficiently improves the tone of the stomach as these Pills; they remove all acidity occasioned either by intemperance or improper diet. They reach the liver and reduce it to a healthy action; they are wonderfully efficacious in cases of spasms—in fact they never fail in curing all disorders of the liver and stomach.

Holloway's Pills are the best known in the world for the following diseases: Ague, Asthma, Bilious Complaints, Blotches on the Skin, Bowels, Consumption, Debility, Dropsy, Dysentery, Erysipelas, Female irregularities, Fevers of all kinds, Fits, Gout, Headache, Indigestion, Inflammation, Jaundice, Lumbago, Piles, Rheumatism, Retention of urine, Scrofula or King's Evil, Sore Throats, Stone and Gravel, Tic-Douloureux, Tumors, Ulcers, Worms of all kinds, weakness from any cause, etc.

Important Caution.

None are genuine unless the signature of J. Haydock, as agent for the United States, surrounds each box of Pills and Ointment. A handsome reward will be given to any one rendering such information as may lead to the detection of any party or parties counterfeiting the medicines or vending the same, knowing them to be spurious.

The Brenham Banner,
A Daily and Weekly Democratic Journal.
PUBLISHED AT BRENHAM, WASHINGTON COUNTY, TEXAS.
RANKIN & McGRIMMON, Editors.
Supscription—Daily $9 per year; Weekly $2 per year.

THE BANNER has recently been enlarged to a thirty-two column paper: being now the largest paper ever published in the county. It is the only English newspaper published in the county, and is the acknowled organ of the Democracy of Austin, Washington and Burleson counties. Its columns are always well filled with items of State and general news, as well as sound and interesting Editorials upon all the important topics of the day.

THE BANNER is, and always has been the steadfast friend of the poor and working class; as such, has labored for their interest and advancement, by favoring and advocating the emmigration to our county of intelligent and industrious WHITE MEN. It advocates the speedy development of the vast resources of our great and growing State, by encouraging the establishment of manufactories of all kinds; favoring Railroad communication with sections of our State not yet penetrated by existing lines.

THE BANNER is a zealous worker in behalf of Brenham and Washington county. Coming to Brenham in January 1853, when it was but a small village of 300 inhabitants, we have watched its onward march of improvement with great pride and satisfaction; until now instead of 300, her population is near 4000 souls, and still her progress is onward. During this time (20 years,) we have been in some way connected with her journalism, working and striving for the posperity of our town, and we expect to continue our labors unremittingly, merely asking a liberal and sustaining patronage at the hands of the public we have so long and faithfully served.

Politically, the BANNER has ever been found battling for the triumph of the true and living principles of the Democratic party; and, as a Democrat have yielded a cordial and hearty support to Gov. Coke and our present State Government. We discuss all public issues from a strictly democratic standpoint, independent of any clique or ring.

THE BANNER opposes and deprecates the extravagance and corruption of the party now controlling the affairs of the General Government, and favors an early restoration of the same into the care and guidance of competent and honest officials—the true representatives of the people. It also favors the most rigid economy in the administration of the affairs of Government, both State and Federal, that labor may be lightly burdened by taxation.
