CURE YOUR KIDNEYS

Do Not Endanger Life When a Point Pleasant Citizen Shows You the Cure.

Why will people continue to suffer the agonies of kidney complaint, backache, urinary disorders, lameness, headaches, languor, why allow themselves to become chronic invalids, when a certain cure is offered them?

Doan's Kidney Pills is the remedy to use, because it gives to the kidneys the help they need to perform their work.

If you have any, even one, of the symptoms of kidney diseases, cure yourself now, before diabetes, dropsy or Bright's disease sets in. Read this Point Pleasant testimony:

W. S. Knapp, Fifth Street, Point Pleasant, W. Va., says: "I have always had weak kidneys, but I was never seriously bothered until about a year ago. At that time my back and kidneys pained me so intensely that I could hardly stand and to make matters worse, I had trouble from too frequent passages of the kidney secretions. My feet often became swollen and my eyes bothered me. I finally procured Doan's Kidney Pills at Van Gilder's drug store and after using a few boxes, I was in much better health. I can safely say that Doan's Kidney Pills are the best kidney medicine I have ever taken."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

One of the most important terms of the the United States district court ever held will begin in Sept. at Huntington. The grand and petit jurors have been drawn, and the following is a list of jurors from this county: John Livezey, W. W. Rowsey, W. H. Sayre, Wm. Jividen and Alex. Ridinger.

What Could He Have Meant.

"Do you ever write on an empty stomach?" asked the mere man.

"Sir!" exclaimed the literary person, "I am a poet, not a tattoo artist!" —Puck.

ANY LADY can easily make from $18 to $25 per week working for me quietly in her own home locality. This is a bonfide offer—one which will pay you to investigate, even if you can only spare two hours per day. No investment required. Turn your spare time into money. Write me at once for particulars. TO THE SAW MILL MEN AND THRESHERMEN OF W.VA.

The Geiser Mfg. Co., of Waynesboro, Pa., manufacture a complete line of highest grade Traction, Portable and Steam Engines and Boilers, Saw Mills, Grain Threshers, Clover Hullers, Gas and Gasoline Engines, Hay Presses, &c., in size to suit the requirement of the individual or custom operator.

"Peerless" traction engines are the best roadsters and hill climbers and, like our portable and stationary engines, deliver maximum power at minimum cost. Our traction and portable boilers are the locomotive pattern by which the greatest amount of water and steam space is secured. With our Stationary Engines we can furnish either locomotive or return tubular type boiler. All parts of our machinery are made to standard guage with scrupulous regard for uniformity in workmanship, thereby making all parts interchangeable.

"Geiser" Saw Mills are the most complete and convenient, quick and accurate in their operation; simple in construction, not requiring a skilled mechanic to set them up. Our variable automatic friction feed is self contained, is independent of, and does not interfere with, the movement of the saw mandrel, a feature appreciated by all practical saw mill men. "Geiser" mills are light running and unsurpassed for accuracy and quantity of work done.

"New Peerless" and "Geiser" Threshers have no sieves or riddles to choke and clog and cause trouble and expense. They thresh clean out of the heads, separate clean from the straw, and by our Grain Plate and Roller System clean the grain perfectly clean ready for seed or market, and save it, even the light oats which other machines blow over. Grain from our machine sells for one to three cents per bushel more because it is so perfectly cleaned.

"Geiser" Gas and Gasoline Engines are strictly high class, simple in construction, easily understood and operated, thoroughly reliable, economical and guaranteed to deliver their full rated power. They are ideal for farm and factory, and are approved by the National Board of Fire Underwriters

The facilities of this most thoroughly equipped engine and thresher plant in the World are constantly employed to supply the demand for this standard machinery and to give our friends and patrons the very best machinery at most favorable prices, and upon easy terms

The writer, who is well known to the trade, has engaged with this old and reliable company to handle their line in the Western part of this State. We solicit inquiries regarding our line of machinery. Write for catalogue and prices It will cost you nothing to ascertain what we have to offer and our proposition All inquiries addressed to the writer at 21½ Capitol Street, Charleston, W. Va. will receive our prompt and careful attention

Very truly yours
