DR. MOTT'S CHALYBEATE RESTORATIVE PILLS OF IRON.

And aperient and Stomachic preparation of IRON purified by combustion in Hydrogen.—Sanctioned by the highest Medical authorities, both in Europe and the United States, and prescribed in their practice.

The experiences of thousands daily proves that no preparation of iron can be compared with it.—Impurities of the blood, depression of vital energy pale and otherwise sickly complexions indicate its necessity in almost every conceivable case.

Innoxious in all maladies in which it has been tried, it has proved absolutely curative in each of the following complaints, viz

In debility, nervous affections, emaciation, dyspepsia, constipation, diarrhœa,, dysentery, incipient consumption, scrofulous Tuberculosis, Salt Rheum, mismenstruation, whites, chlorosis, liver complaints, chronic headaches, rheumatism, intermittent fevers, pimples on the face, &c.

In cases of general debility, whether the result of acute disease, or of the continued diminution of nervous and muscular energy from chronic complaints, one trial of this restorative has proved successful which no description or attestation would render credible. Invalids so long bed-ridden so long as to have become forgotten in their own neighborhoods, have suddenly reappeared in the busy world as if just returned from protracted travel in a distant land. Some very signal instances of this kind are attested of female sufferers, emaciated victims of apparent marasmus, sanguineous exhaustion, critical changes, and that complication of nervous and dyspeptic aversion to air and exercise for which the physicians have no name.

In Nervous Affections of all kinds, and for reasons familiar to medical men, the operation of this preparation of iron must necessarily be salutary, for, unlike the old oxides, it is vigorously tonic, without being exciting and overheating; and gently regularly aperient, even in the most obstinate cases of costiveness without ever being a gastric purgative, or inflicting a disagreeable sensation.

It is this latter property among others which makes it so remarkably effective for Piles, upon which it also appears to exert a distinct and specific action, by dispersing the local tendency which forms them.

In Dyspepsia, innumerable as are its causes, a single box of these Chalybeate Pills has often sufficed for the most habitual cases, including the attendent costiveness

In unchecked Diarrhœa, even when advanced to Dysentary, confirmed, emaciating, and apparently malignant, the effects have been equally decisive and astonishing

In the local pains, loss of flesh and strength, debilitating cough and remittent hectic, which generally indicate incipient consumption, this remedy has allayed the alarm of friends and physicians, in several very gratifying and interesting instances.

In Scrofulous Tuberculosis, this medicated iron has had far more than the good effect of the most cautiously balanced preparations of iodine, without any of their well known liabilities

The attention of females cannot be too confidently directed to this remedy and restorative, in the cases peculiarly affecting them

In Rheumatism, both chronic and inflammatory—in the latter, however, more decidedly—it has been invariably well reported, both as alleviating pain and reducing the swellings and stiffness of the joints and muscles

In Intermittent Fevers it must be a great remedy and energetic restorative, and its progress in the new settlements of the West, will probably be one of high renown and usefulness

No remedy has ever been discovered in the whole history of medicine which exerts such prompt happy, and fully restorative effects. Good appetite, complete digestion, rapid acquisition of strength, with an unusual disposition for active and and cheerful exercise, immediately follow its use

Put up in neat flat metal boxes containing 50 pills, price 50 cents per box; for sale by druggists and dealers. Will be sent free to any address on receipt of the price. All letters, orders, etc., should be addressed to

BLOOD PURIFER AND BLOOD PILLS!

BOTANY. CHEMISTRY. EXPERIENCE. PHARMACY.

DR. ROBACK'S

Scandanavian Remedies.

When Dr. Roback, the celebrated Swedish Physician, introduced his Blood Purifier and Blood Pills in the United States, he set forth in plain language their curative properties. This was years ago. The task of recommending them has since been *taken out of his hands.* Enlightened men whose character for sound judgment and philosophy, gives their opinions weight in the community, men, who observe, reflect, and make 'assurance doubly sure' before they decide—are everywhere approving and urging the use of these wonderful Preparations. All who confide in the wisdom and honesty of this class, or who choose to investigate for themselves are now of *one mind* on this important subject.

Dr. Roback invites the attention of the sick to the

ORIGINAL LETTERS,

from members of the Medical Profession, Editors of public journals, well known Merchants and Farmers, and Ladies of the highest respectability, giving accounts of extraordinary cures wrought by the remedies, of which cures they themselves were

EYE WITNESSES.

These parties may be consulted personally or by letter, by those who have any doubt upon the subject. The evidence in the possession of Dr. Roback, which is at all times accessible to the public, establish the following

FACTS:

That the BLOOD PURIFIER and BLOOD PILLS have been proved by analysis to

CONTAIN NO MINERAL,

That they cure the almost universal complaint,

DYSPEPSIA,

with *unerring certainty,* and in a very short time. That after all other medicines have proved useless they relieve

LIVER COMPLAINT,

and restore the health and strength of the sufferer.

THAT SICK FEMALES,

who have languished for years in helpless weakness and despondency, recuperate with great rapidity under their invigorating operation. That all sexual disabilities are removed by their cordial and gentle stimulating properties. That they recruit

SHATTERED CONSTITUTIONS,

however they may have been trifled with & abused; that their direct tendency is to lengthen life, and render it enjoyable. That operating directly upon the *poison of the disease in the blood* they

CAUSE SOON TO HEAL,

and discharge from the system, every taint of Scrofula, whether hereditary or otherwise. That they

RECRUIT THE DEBILITATED,

and there is no disease of the Stomach and Bowels, the Liver and Nervous System, the Skin, Glands or Muscles,

ARISING FROM IMPURITIES OR OBSTRUCTIONS OF THE BLOOD OR SECRETIONS,

in which they do not give *prompt relief,* and, (if administered before the very citadel of life has been invaded,) *effect a painless and perfect cure.*

Bear in mind that the SCANDINAVIAN VEGETABLE BLOOD PILLS are endorsed by the experience of thousands of living witnesses, who, in letters, affidavits, medical works and by word of mouth, proclaim them to be the very best preparation of the kind ever offered to the broken down victims of ill health. They hunt disease through every avenue and organ of the system, and expel it thoroughly and permanently.

No one can doubt their superiority after one single trial—they are not only better, but in fact, cheaper than any other Pills, for it takes a less number of them to produce a lasting effect.

Price of the Scandinavian Vegetable Blood Purifier, $1 per bottle, or $5 per half dozen. Of the Scandinavian Vegetable Blood Pills, 25 cents per box, or 5 boxes for $1.

Read Dr. Roback's Special Notices and Certificates, published in a conspicuous part of this Paper from time to time.

Dr. Roback's Medical Almanac and Family Adviser, containing a great variety of interesting and valuable Medical information, can be had gratis of his Agents throughout the country.

In difficult or complicated Cases, Dr. Roback may be consulted personally or by letter enclosing one stamp for the reply.
