If the name of the owner of any tract of land or lot shall be unknown, the word "unknown" shall be entered in the column of the names opposite said tract or lot. If such land be situated in the Virginia military district, or is not embraced in any land district, it shall set forth the orig nal survey or surveys, part or parts thereof, contained in each separate tract so listed.

Sec. 30. The district assessor, at the time of making the assessment of real property subject to taxation shall enter in a separate list, pertinent descriptions of all burying grounds, public school houses, houses used exclusively for pub ic wor ship, and institutions of purely public charity, and public buildings and property used exclusively for any public purpose, with the lot and tract of land on which said house or institution or public building is situated, and which are by this act exempt for taxation; and he shall value such houses, buildings, property, lots and tracts of land, at their true value in money, in the same manner that he is req ired to value other real property, designating in each case the township or town, and number of the school district, or the name or designation of the school, religious society or institution, to which each house, lot or tract belongs; or if such property is held and used for other public purposes, he shall state by whom or how it is held.

DUTIES OF COUNTY AUDITORS.

Sec. 31. The county auditors of each county shall, as soon as soon as practicable, after the first day of March, one thousand eight hundred and fifty nine and every sixth year thereafter, make out and deliver to the assessor of each district in his county, an abstract from the books in his office, containing a description of each tract and lot of real property situated within such district, with the name of the owner thereof, if known, and the number of acres or quantity of land contained therein, as the same shall appear on his books; and also a map of each township and town within such district, with such plat books as may be necessary to enable the district assessor to make a correct plat of each section, survey and tract in his district.

Sec. 32. Each county auditor shall add to the value, as returned by the assessor, of all personal property, and of all moneys, credits, investments in bonds, stocks, joint stock companies, or otherwise, which the owner or other person in behalf of the owner, whose duty it is made by this act to list the same, has refused or neglected to swear or affirm, when required so to do, in obedience to the provisions of this act, fifty per cent. on the value so returned by the assessor; and in all cases when the party, on demand, refuses to swear to any part of the return, the assessor shall return, "refused to swear as to the whole amount."

Sec. 33 If any person required to list property for taxation, shall have been prevented by sickness or absence, from giving to the assessor such statement, such person, or his agent having charge of such property, may at any time before the assessment of taxes thereon by the county auditor, make out and deliver to the county auditor, a statement of the same as required by this act; and the county auditor shall, in such case, make an entry thereof in the return for the proper township, and correct the corresponding item, or items in the return made by the assessor, as the case may require; but no such statement shall be received by the county auditor from any person who shall have refused or neglected to make oath to his statement, when required by the assessor, agreeably to the provisions of the twenty-fifth section of this act, nor from any person, unless he shall make and file with the county auditor, an affidavit that the person required by this act to list the same, was absent from his township, without design to avoid the listing of his property, or was prevented by sickness from giving to the assessor the required statement, when called on for that purpose. If from a careful examination of the returns made by the district assessors; the county auditor shall discover that any tract of land or town lot, or part of either, in his county, shall have been omitted in the returns of such assessors, he shall add the same to his list of real property, with the name of the owner, and shall forthwith notify the assessor in whose returns such omission occurred thereof, who shall forthwith proceed to ascertain, and return to the county auditor the value of the tract or lot, or part thereof; or in case of the inability or neglect of the assessor, the auditor may ascertain the value of such tract or lot, or part thereof, and add the same to the list of real property.

Sec. 34. The county auditor, if he shall reason to believe, or be informed that any person has given to the assessor a false statement of the personal property, moneys, or credits, investments in bonds, stocks, joint stock companies, or otherwise, or that the assessor has not returned the full amount required to be listed in his ward or township, or has omitted or made an erroneous return of my property, moneys or credits, investments in bonds, stocks, joint stock companies, or otherwise, which are by law subject to taxation, shall proceed at any time before the final settlement with the county treasurer, to correct the return of the assessor, and to charge such persons on the duplicate with the proper amount of taxes, to enable him to do which, he is hereby authorized and empowered, to issue compulsory process, and require the attendance of any person or persons whom he may suppose to have a knowledge of the articles, or value of the personal property, moneys or credits, investments in bonds, stocks, joint stock companies, or otherwise, and examine such person or persons, on oath or affirmation in relation to such statement or return; and it shall be the duty of the auditor in all such cases, to notify every such person, before making the entry on the duplicate, that he may have an opportunity of showing that his statement or return of the assessor was correct; and the county auditor shall, in all such cases file in his office a statement of the facts or evidence upon which he made such correction; but he shall, in all such cases, file in his office a statement of the facts or evidence upon which he made such correction; but he shall, in no case, reduce the amount returned by the assessor, without the written order of the auditor of state, given on a statement of facts submitted by the county auditor. That in all cases in which any person shall make a false statement of the amount of property for taxation to evade the payment of taxes, in whole or in part, the person making such false statement shall be liable for and pay al, costs and expenses that may be incurred under the provisions of this act, and the same fees and costs shall be allowed and paid as is now or may be allowed by law, for similar services, and if not paid may be collected before any justice of the peace of the proper county, by suit in the name of the county commissioners, but in all cases under this act where the statement shall be found correct, and no intention to evade the payment of taxes, the costs and expenses incurred under this act, shall be paid out of the county treasury of the proper county, on the order of the county auditor.

Sec. 35. Each county auditor shall from time to time, correct any errors which he may discover in the name of the owner, in the valuation, description or quantity of any tract or lot contained in the list of real property in his county; but in no case shall he make any deduction from the valuation of any tract or lot of real property except such as shall have been ordered, either by the state board or by the county board of equalization, in conformity with the provisions of this act, or upon the written order of the auditor of state, which written order shall only be made upon a statement of facts submitted to the auditor of state in writing.

It is not too much to say

SINCE ALL,

OLD AND YOUNG,

AFFIRM ITS TRUTH,

Viz: That Prof. Wood's Hair Restorative will preserve INFALLIBLY the growth and color of the hair, if used two or three times a week, to any intelligible age. Perfectly restore the gray, cover the bald with nature's own ornament, the hair; make it more soft and beautiful than any oil, and preserve the scalp, free from all disease to the greatest age. Statesmen, Judges, Attorneys, Doctors, Clergymen, Professional men, and Gentlemen and Ladies of all classes, all over the world, bear testimony that we do not say too much in its favor. Read the following, and judge.

HICKORY GROVE, St. Charles Co. Mo. Nov. 19, '57.

PROF. J. WOOD—Dear Sir: Some time last summer we were induced to use some of your Hair Restorative and the effects were so wonderful we feel it our duty to you and the afflicted to report it. Our little son's hair for some time had been entirely covered with sores, and some called it a bad head. The hair almost entirely came off in consequence, when a friend, seeing his suffering, advised us to use your Restorative; we did so with little hope of success, but to our surprise and joy of all our friends, a very few applications removed the disease entirely, and a new and luxuriant crop of hair soon appeared, and we can now say that our boy has as luxuriant a crop of hair as any other child. We can therefore, and do hereby, recommend your Restorative as a perfect remedy for all diseases of the scalp and hair. We are yours, &c.

GEO. W. & SARAH A. HOOKER.

PROF. WOOD—Dear Sir: My hair has for several years been becoming prematurely gray, accompanied by a hardness which rendered the constant application of oil necessary in dressing it. When I commenced using your Hair Restorative about two months ago it was in vain that constitution, and having continued to use oil with it in the last three weeks, it has turned to its natural color, and assumed a softness and luster greatly to be preferred to those produced by the application of oil or any other preparation I have used. I regard it as an indispensable article for every lady's toilet, whether to be used as a Hair Restorative or for the simple purpose of dressing or beautifying the hair. You have permission to refer to me all cases of the kind, and I do hereby, recommend your Restorative as a perfect remedy for all diseases of the scalp and hair. We are yours, &c.

MRS. C. BYNUM.

114 Third st., Cincinnati, O., Feb. 10, 1857.

WE CERTIFY, Mo., Dec. 5, 1857.

PROF. WOOD—Dear Sir: By the advice of a friend of mine, who had been using your Hair Restorative, I was induced to try it. I had the fever, some time last May, and nearly every hair in my head came out.—Now my hair has come in a great deal thicker than ever it was. Nothing but a duty and sympathy that I feel to communicate to others who are afflicted as I have been would induce me to give this public acknowledgement of the benefit I have received from Prof. Wood's Hair Restorative. Yours respectfully, A. M. JACKSON.

The Restorative is put up in bottles of 3 sizes, viz: large, medium and small; the small holds a pint and retails for one dollar; per bottle; the medium holds a half pint and retails for seven shillings; the small, retails for two dollar per bottle; the large half a pint, 50 per cent. more in proportion, and retails for $3 a bottle.

HOME TESTIMONY.

HARTFORD, Trumbull Co., O., March 7th, 1857.

I hereby certify that I have been dealing in the Graffenberg Medicines for the past year, and can truly say that I have never offered any medicines to the public that have met with the decided approbation of the people like these, particularly the Pills and Catholicon. They will readily perform all and more than is promised or than. I have sold about fifty bottles of the Catholicon the past season, and I hear the best results in every case.

J. H. C. JOHNSON, Medical Agent.

Read what Dr. Bushnell says of the Graffenberg Medicines. Dr. B. is a physician of extensive practice, as one of the most successful in the county (Trumbull) in which he resides:

"This certifies that I have used the Graffenberg Pills and Marshall's Uterine Catholicon in my practice, and find them to be very efficacious, and they have my entire satisfaction. They are good medicines. DR. G. W. BUSHNELL."

Hartford, Trumbull Co., O., March 7, 1857.

I am a physician of thirty years' practice. My principal study has been diseases of females. They have generally baffled my best efforts. Obtaining the new pills composing Marshall's Uterine Catholicon, I was pleased with them, gave them a fair trial, and found in most instances beneficial. In my former practice I could only mitigate the symptoms of about half the cases we could not cure one in ten. Now I can radically cure at least seventeen in twenty and mitigate the rest. Consider Marshall's Uterine Catholicon the greatest blessing to females I have met with.
