LAWS OF OHIO.

PUBLISHED BY AUTHORITY.

(No. 306.) AN ACT,

For the Assessment and Taxation of all Property in this State, and for levying Taxes thereon according to its true value in money.

thereof; and provided further, that nothing in this section shall be constructed to prevent the county commissioners, township trustees, or corporate authorities of any city or village from levying any tax which by any special law they shall be authorized to levy.

Sec. 80. The competent authorities of any county, city, or township, that shall have subscribed to the capital stock of any railroad company and shall have issued its bonds or other securities for the payment of such subscription, may at any time within five years next before the principles of said bonds or other securities, shall be payable, if the market price of the stock of such railroad company be less than seventy per cent. on its par value, levy, or cause to be levied annually, on the taxable property of such county, city or township, such tax not exceeding one mill on the dollar as will be sufficient to balance the discount on the railroad stock held by such county, city or township, by the time such bonds may become due; and the proceeds of all such taxes shall form, with such stock sinking fund and shall be invested in the purchase of the bonds issued by such county, city or township or in other safe and productive securities, and shall be applied to the payment of the bonds as bonds and no other use or purpose whatever.

Sec. 81. It shall be unlawful for the corporate authorities of any county, township, city or village, unless expressly and expressly authorized by some act of the general assembly, to contract any debt, or incur any pecuniary liability for the payment of either the principle or interest of which during the current year or any subsequent year, it will be necessary to levy on or to the taxable property of such county, township, city or village, a higher rate of tax than the maximum rate prescribed by this act.

Sec. 82. Every contract made in contravention of the provisions of the foregoing section, shall be utterly null and void in regard to any obligation thereby imposed on the corporation on behalf of which such contract purports to have been made; but every commissioner, officer, agent trustee, or member of any municipal corporation that shall have made or participated in making, or authorized the making of any such contract, shall be held to be individually liable for its performance, and every commissioner, trustee, director member of any city or village council, or other officer or agent of any such municipal corporation who shall have been present when such unlawful contract was made, or authorized the making the same, as the case may be, unless he shall, if present, have dissented therefrom, or cause to be entered, such dissent on the records of such municipal corporation, on its council, trustees, or other officers or agents.

Sec. 83. Whenever a greater amount of tax shall be necessary in any county than the foregoing rates will respectively afford, for the purpose of erecting public buildings, or payment of such buildings already erected, or for the payment of any debt already contracted for county purposes, the commissioners may add to the rate of taxation for such county, not exceeding fifty per centum; which additional tax shall be exclusively appropriated to the purposes for which it was raised.

Sec. 84. The commissioners of any county that has a floating debt in county orders, and the amount authorized by present existing laws to be levied for county purposes, be insufficient to defray the expenses of such county and pay the interest on their debt, may if they deem it just and right, levy a sufficient amount to pay the interest on their debt; which tax, when collected, shall be applied to paying the interest on the county debt, and no other purpose.

NON-RESIDENT PERSONAL TAX.

Sec. 85. Hereafter, it shall be the duty of the several county treasurers of this state, in making return of their delinquent list of personal property to the auditors of their county to note on the margin of said return, the county and state to which any such delinquent taxpayer may have removed to, or reside in, with the date of his removal, if he shall be able to ascertain such fact.

Sec. 86. It shall be the duty of the several county treasurers in this state, immediately after their settlement with their county auditor, to make out and forward to the county treasurer of the county to which any such delinquent taxpayer may have removed, or reside in, a statement or account of taxes so assessed and not paid, which statement or account shall specify the value of property on which said taxes were levied, and the amount of taxes levied thereon, to which he shall add an amount equal to the sum of twenty five per centum on the taxes so levied, if said delinquent tax-payer shall have left the county in which said taxes were levied after the time required by law for the county auditors to deliver the tax duplicate to the county treasurer; but if he shall have left the county previous to the time required by law for the delivery of said tax duplicate to the county treasurer, he shall not add the twenty five per centum.

Sec. 87. It is hereby made the duty of the several county treasurers of this state, immediately on the receipt of any such statement or account to proceed and collect the same of the person so charged with said taxes and per centum, for which service he shall be allowed the same fees that county treasurers are now allowed for collecting delinquent taxes, by process, to be collected of the person against whom said taxes are charged.

Sec. 88. For the collection of all taxes, penalty and costs, mentioned in the preceding section of this act, the several county treasurers of this state shall have the same powers that are now or may hereafter be given by any law of this state for the collection of taxes; and all taxes collected pursuant to the provisions of said section by any county treasurer of this state, shall be by him remitted, in the safest and most convenient way, to the treasurer of the county to which said taxes belong; and at the same time he shall forward a statement to the county auditor of said county, stating the amount so collected and of whom and in case he shall be unable from any cause whatever, to collect the same, then and in that case he shall return the original statement or account, to the county auditor of the county from which it was sent, together with the name or names of the persons who said tax could not be collected, certifying in his official capacity to the same.

Sec. 89. It shall be the duty of the several county commissioners in this state, annually at their September session, to cause the delinquent list of personal property to be published in each of the several county newspapers, and said commissioners may, at any time, direct their county treasurer to proceed to collect, in the manner prescribed in this act, any delinquent taxes due their county.

Sec. 90. If any such delinquent tax-payer shall have removed out of the state, or have property, moneys or credits due, or to become due in this state, it shall be the duty of the treasurer of the county where such property may be, or in which tax was assessed, attachment, or other process of law; and when collected and treasurer shall be entitled to retain in addition to the fees allowed him by law for collecting other chattel taxes, a further sum sufficient to pay a reasonable fee for such legal aid, as such fee as he may require.

Sec. 91. All taxes collected under the provisions of the last preceding three sections, of this act shall be distributed by the county auditors as now required by law to be distributed.

EXEMPTION OF LAND SOLD DELINQUENT SALE.

Sec. 92. All land and town lots which have been or may hereafter be sold for taxes as delinquent sale under the laws of this state may be redeemed at any time within two years from and after the sale thereof and all lands belonging to minors, femes covert, insane persons, or persons in captivity, and which have or may here after be sold for taxes may be redeemed any time within two years from and after the expiration of such disability.

Sec. 93. All applications for the redemption of lands or town lots sold for taxes, shall be made to the county auditor of the county in which such lands or town lots are situated.

Sec. 94. Any person desiring to redeem any land or town lot sold by any county auditor or county treasurer under or by virtue of any law of this state, within the time limited by law for such redemption, may deposit with the county treasurer upon the certificate of the county auditor, particularly describing such land or town lot, and specifying the same as amount of money equal to that for which such land or town lot was sold; and the taxes raised thereon by such purchaser, or those claiming under him, together with

CARD TO LADIES.

THE Rochelle or pennyroyal pills, for females. The importers of this reliable and safe remedy for female complaints would respectfully call the attention of the ladies of this country to it, feeling assured that in this they will find a safe and never failing remedy for all diseases arising from a deranged and disordered system, such as sick headache, palpitation of the heart, lowness of spirits, nervous affections, hysterics, &c.

HOME TESTIMONY.

HARTFORD, Trumbull Co., O., March 7th, 1857.

I hereby certify that I have been dealing in the Graffenberg Medicines for the past year, and am truly say that I have never offered any medicines to the public that have met with the decided approbation of the people like these, particularly the Pills and Catholicon.—They will readily persuade all and more than is promised for them. I have sold about fifty bottles of the Catholicon the past season, and I hear the best results in every case.

J. H. C. JOHNSON, Medical Agent.

Read what Dr. Boilwell says of the Graffenberg Medicines. Dr. B. is a physician of extensive practice, and one of the most successful in the county (Trumbull) in which he resides:

"This certifies that I have used the Graffenberg Pills and Marshall's Catholicon, sold here by J. H. C. Johnson, in my practice to my entire satisfaction. They are good medicines. Dr. O. W. BOILWELL."

Hartford, Trumbull Co., O., March 7, 1857.

I am a physician of thirty years' practice. My principal study has been diseases of females. They have generally baffled my best efforts. Obtaining the materials comprising Marshall's Uterine Catholicon, I was pleased with them, gave them a fair trial, and found my self abundantly successful. In my former practice I could only mitigate the symptoms of about half the cases and could not cure one in ten. Now I can radically cure at least seventeen in twenty and mitigate the rest. I consider Marshall's Uterine Catholicon the greatest blessing to females I have met with.

J. H. WILLIAMS, M. D., Charleston.

WEST SENECA, Cuthocton Co., May 14, 1857.

Mr. H. B. Kingsley, Sir—I have been selling the medicines of the Graffenberg Company for the last ten years, and have invariably found them to give good satisfaction; and the pills I have sold to a great many families are regularly as their tea and coffee, and with all truth they have become a staple article. Marshall's Uterine Catholicon is wonderful what it has done; a great many of other complaints, making it a desirable and active place of business.

THE MARKET,

as the reader may perceive from its location, is the

BEST IN THE UNION.

Produce bringing double the price than in locations away from the city, and many times double the price than the West. It is known that the earliest and best fruits and vegetables in this latitude come from New Jersey, and are annually exported to the extent of millions.

In locating here the settler has many advantages.—He is within a few hours ride of the great cities New England and Middle States, he is near his old friends and associations, he is in a settled country where every improvement of comfort and civilization is at hand.—He can buy every article he wants at the cheapest price, and sell his produce for the highest. (In the West this is reversed,) he will enjoy an open winter, and delightful climate, where fevers are utterly unknown. The result of the change upon those of them, ch, has generally been to restore them to an excellent state of health.

In the way of building and improving, lumber can be obtained at the mills at the rate of $10 to $15 per thousand. Brcks from the brick yard opened in the place, every article can be procured in the place, good carpenters are at hand, and there is no place in the Union wherein buildings and improvements can be made cheaper.

The reader will at once be struck with the advantages here presented, and ask himself why the property has not been taken up before. The reason is, it was never thrown in the market; and unless these statements were correct, no one would be invited to examine the land before purchasing. This affair expected to do. They sell one land under cultivation, subject to the extent of the settlement that they will no doubt, most persons, from their own neighborhood; they will witness the improvements, and can judge the character of the population.—If they come with a view to settle, they should come prepared to stay a day or two and be ready to purchase, as locations cannot be held on refusal.

There are two daily trains to Philadelphia, and to all settlers over the railroad the Railroad Company gives a Free Ticket for six months, and a half-price Ticket for those same.

THE TOWN OF HAMMONTON,

In connection with the agricultural settlement, steam and thriving town has sprung up, which presents inducements to any kind of business, particularly those and manufactories. The Farm business could be carried on to this place and market to good advantage, also to other business, and manufacturies of agricultural implements, of a character suiting small capitals.—The improvement has been as rapid as to insure a constant and permanent increase of business. Town lots of a good size—we do not sell small ones, as it would effect the improvement of the place—can be had at from $100 and upwards.

The HAMMONTON FARMER, a monthly literary and agricultural sheet, contains full information of Hammonton, can be obtained at 25 cents per annum.

Title indisputable—warranty deeds given, clear of all incumbrances when money is paid. Route to the land: leave Vine street wharf, Philadelphia for Hammonton by Railroad, at 7½ A. M., or 4½ P. M. Fare 90 cents. Where this inquiry for Mr. Byrnes. Board, by the week, can be had at Perrine's, half better than with Mr. Byrnes, at present, until they have decided as to purchasing, as he will show them over the land in his carriage, free of expense. Letters and applications can be addressed to Landis & Byrnes, Hammonton N. J. Address Box 31, New Jersey, or S. S. Conghlin, 209 South Fifth Street, Philadelphia.
