Why You Feel

So weak and exhausted is because your blood is impure. As well expect the sanitary condition of a city to be perfect with defiled water and defective sewerage, as to expect such a complicated piece of mechanism as the human frame to be in good order with impure blood circulating even to its minutest veins. Do you know that every drop of your two or three gallons of blood passes through the heart and lungs in about two and a half minutes, and that, on its way, it makes bone and muscle, brain and nerve, and all other solids and fluids of the body? The blood is the great nourisher, or, as the Bible terms it,

"The Life of the Body."

Is it any wonder, then, that if the blood be not pure and perfect in its constituents, you suffer so many indescribable symptoms?

Ayer's Sarsaparilla stands "head and shoulders" above every other **Alterative and Blood Medicine.** As proof, read these reliable testimonies:

G. C. Brock, of Lowell, Mass., says: "For the past 25 years I have sold Ayer's Sarsaparilla. In my opinion, the best remedial agencies for the cure of all the diseases arising from impurities of the blood are contained in this medicine."

Eugene I. Hill, M. D., 261 Sixth Ave., New York, says: "As a blood-purifier and general builder-up of the system, I have never found anything to equal Ayer's Sarsaparilla. It gives perfect satisfaction."

Ayer's Sarsaparilla proves equally efficacious in all forms of Scrofula, Boils, Carbuncles, Eczema, Humors, Lumbago, Catarrh, &c.; and is, therefore, the very best

Spring and Family Medicine

in use. "It beats all," says Mr. Cutler, of Cutler Brothers & Co., Boston, "how

WHY IS IT

Rheumatism and neuralgia are so prevalent? This question has not been satisfactorily answered, but it is certain that these diseases are not only the most painful but among the most common, affecting a number of nearly every family in the land. Hardly a week passes but some one is the victim of one of these disease tormentors. Ladies seem to be peculiarly liable to neuralgic attacks, which, in the form of neuralgic headache, pain in the side, or nervous pains are of constant occurrence. Not until the discovery of Athlophoros had any remedy been found to cure rheumatism, neuralgia or nervous headache, and they were generally considered to be incurable, but Athlophoros has been proved to be not only a certain cure for these diseases, in all their varieties, but a safe remedy. If, in the use of Athlophoros, the bowels are kept free, its success is certain, and to aid the Athlophoros Pills are recommended which, while providing the necessary cathartic, will be found to be a valuable aid to the action of the medicine. Athlophoros is no experiment, it has been tested and has proved its wonderful efficacy.

The Athlophoros Pills are original, prepared as a remedy for use in connection with Athlophoros, for rheumatism and neuralgia and kindred complaints. Use in connection with that remedy, they are a certain cure for either of these very common and distressing diseases. They have been found to be an invaluable remedy for any and all diseases arising from vitiated blood or general debility. They are especially valuable for nervous debility, blood poisoning, dyspepsia, distress after eating, headache, constipation, loss of appetite and all stomach or liver troubles. For diseases of women they are invaluable. These pills are perfectly harmless and may be safely used by adults or children.

Testimonials of those who have been cured will be sent free on application.

Every druggist should keep Athlophoros and Athlophoros Pills, but where they cannot be bought of the druggist, the Athlophoros Co., 112 Wall St., New York, will send either (carriage paid) on receipt of regular price, which is $1.00 per bottle for Athlophoros and 50c. for Pills.

The charges against Pastor C. C. Herriott of Westminster Presbyterian church, St. Paul, who has been asked to resign, are peculiar. They are that he used the study attached to the church as an office for his real estate speculations; that he made $9,000 in booming real estate, and while advising his flock to give one tenth of all they possessed to the Lord, maned no such partition of his own profits.

Enjoy Life.

What a truly beautiful world we live in! Nature gives its grandeur of mountains, glens and oceans, and thousands of means of enjoyment. We can desire no better when in perfect health; but how often do the majority of people feel like giving it up dishearted, discouraged and worn out with disease, when there is no occasion for this feeling, as every sufferer can easily obtain satisfactory proof, that Green's August Flower, will make them free from disease, as when born. Dyspepsia and liver complaint are the direct causes of seventy-five per cent. of such maladies as biliousness, indigestion, sick headache, costiveness, nervous prostration, dizziness of the head, palpitation of the heart, and other distressing symptoms. Three doses of August Flower will prove its wonderful effect. Sample bottles, 10c. Try it.

Prince William, the leader of a band of gypsies now encamped near Hartford, has just received from a Fair Haven carriage maker two wagons costing about $1,000 apiece. The bodies are beautifully colored with gold bronze and fanciful sylvan scenes, the iron work is heavily plated with silver, and all the appurtenances are expensive. The wagons are for the special use of Prince William and family during the coming summer.

Many citizens of New Preston, Conn., gave Mrs. Betz Averill a handsome present on Thursday last because she was 100 years old on that day. The children of the town gave her a set of books, and fifty of her family and descendants died with her.

When Baby was sick, we gave her Castoria,
When she was a Child, she cried for Castoria,
When she became Miss, she clung to Castoria,
When she had Children, she gave them Castoria.

Three years ago a small moth flew into the ear of J. G. Staib, of Wilmington, Del. It remained just inside of the drum of the ear until the other day, when the application of milk poultices and salt water resulted in its removal. It was alive, and flew several feet.

In the spring, hundreds of persons suffer from boils, carbuncles and other eruptive diseases. These are evidences that the system is trying to purge itself of impurities, and that it needs the powerful aid which is afforded by the use of Ayer's Sarsaparilla.

An old man who had worked every night for ten years on an attachment to a milling machine, and who thought that he had accomplished the work of his life, was well nigh heartbroken the other day when he discovered that several years ago a patent was issued covering the identical improvements that he had made.

After last year's city government of Lewiston, Me., was organized, one of the councilmen gave a dinner. Mayor Cowan occupied the head of one of the tables, and, running his eye down either side, he said: "Gentlemen, if I was disposed to be superstitious, I should refrain from sitting at this table—there are thirteen of us here." Just about one year later all the others who attended the dinner attended the funeral of Mayor Cowan.

Summer Drinks in Mexico City.

"What a rendezvous for Ali Baba and the Forty Thieves!" was the exclamation of Charles Dudley Warner one day last year as we halted before a booth for the sale of summer drinks, in which stood perhaps half a dozen tall red jars, correct in shape and smoothly polished, in either of which the two of us could have been bestowed without crowding. And, by the way, those same refreshment stands are quite an institution, and it is my conviction that the establishment of similar ones would prove a profitable investment in the large cities of the United States. Here they are usually ranged around the plaza, and they consist of a square or oblong space, roofed in with boards or canvas, and gayly decorated with flags, etc. Within they contain small tables and chairs, and the aforesaid ollas, large and small, which contain the aguas frescas, or cooling waters, while at one side are bustled the women engaged in their preparation.

At these stands are sold not spirituous liquors, but lemonade, orangeade, drinks prepared from banana, pineapple and other tropical fruits, including one very peculiar family of several varieties, which is of mushroomic growth, orgeats, chia, chicha and divers other of similar nature. The horchata, or orgeat, is made from muskmelon seeds. These are always carefully saved when the fruit is eaten, cleansed, dried and, when the occasion arrives, ground on the metate stone at the booths as aforesaid, then, with the addition of sugar, etc., it becomes a most palatable potion. Chia is a small gray seed, hardly larger than a mustard seed, which, on being slightly covered with water, discharges a mucilaginous substance, which, oddly enough, is not produced to the same extent if the quantity of water be large. When the jelly like consistency is reached more water is added, with sugar and any flavor desired.

When Dr. Bryant used to be surgeon on one of the Pacific Mail company's steamers he occasionally took upa packet of chia to a gentleman now well known socially and politically in California, and this personage, lately wishing to obtain that beverage again after the lapse of years, described it to his interlocutor as "that drink that the Mexicans make of little seeds, you know—that is like a slippery elm poultice." Such a comparison would hardly recommend the chia, which is really delicious. Chicha is made from corn, arrived at a certain stage of fermentation, and the juice of pineapple. In addition to their cooling properties all these beverages have elements of nutrition.—City of Mexico Cor. San Francisco Chronicle.

Druggist (to a lazy man who had turned over a new leaf): "You are early of late; you used to be behind before, but now you are first at last." Old man, who did not see the point: "Give me my Bull's Cough Syrup and stop your nonsense."

Aunt Mason Eckles, of Clinton, Mo., dropped dead in her dooryard the other day while feeding her chickens. She was 100 years old and a negress.

Mr. Thos. McDonald, of 56 Albermarle street, Baltimore, Md., recommends Salvation Oil with all his heart, for it rid him of rheumatism in his shoulder which he had been suffering with for many months. It cured him entirely.

There is no one article in the line of medicines that gives so large a return for the money as a good porous strengthening plaster, such as Carter's Smart Weed and Belladonna Backache Plasters. 47r

Whoever has Visited the Shakers

Must have noticed the bright, clear complexions of the Sisters. That bloom of youth is the result of perfect digestion of food. The sallow, dejected countenance prevailing nearly all our ladies is the result of indigestion. The Shaker Extract of Roots (Siegel's Syrup) will give immediate relief and bring back the glow of health.

Harvey Lee, Merchant at Twin Springs, McDonald Co., Mo., writes May 9, 1884: "The Shaker Extract of Roots has cured my wife of sick headache, which she has been subject to for ten years. She feels so proud over it that she wishes me to sincerely thank you for sending the medicine to this place." Jas. M. Morgan, Merchant, of Empire, Ky., writes, Feb. 18, 1884: "A gentleman who had been afflicted for years with severe rheumatism has been perfectly cured by seven bottles. Send three dozen more at once."

Cream and Cold Weather.

What a luxury is a bath in summer. Surely, but a greater luxury is a clear head in winter; just when almost everybody is sneezing and snuffling with a cold in the head. But when you are attacked use Ely's Cream Balm. It cures colds in the head, and what is better, it cures the worst cases of chronic catarrh and hay fever. Not a liquid, nor a snuff. Pleasant to use. Quick relief. Radical cure.

Chronic Coughs and Colds

And all diseases of the throat and lungs can be cured by the use of Scott's Emulsion, as it contains the healing virtues of Cod Liver Oil and Hypophosphites in their fullest form. "I consider Scott's Emulsion the remedy par-excellence in Tuberculous and Strumous Affections, to say nothing of ordinary colds and throat troubles." W. H. S. Connell, M. D., Manchester, O.

Ladies will find relief from headache, costiveness, swimming in the head, colic, sour stomach, restlessness, indigestion, constant or periodical sick headaches, weakness in the back or kidneys, pain in the shoulders and different parts of the body, a feeling of lassitude and despondency by taking Simmons Liver Regulator. It is not unpleasant, is purely vegetable, and is not injurious to the most delicate constitution.

Their Business Booming.

Probably no one thing has caused such a general revival of trade at Chas. Ludlow & Co.'s drug store as their giving away to their customers of so many free trial bottles of Dr. King's New Discovery for Consumption. Coughs, Colds, Asthma, Bronchitis, Croup, and all throat and lung diseases quickly cured. You can test it before buying by getting a trial bottle free, large size $1. Every bottle warranted.

Brace Up.

You are feeling depressed, your appetite is poor, you are bothered with headache, you are fidgety, nervous, and generally out of sorts, and want to brace up. Brace up, but not with stimulants, spring medicines, or bitters, which have for their basis very cheap, bad whisky, and which stimulate you for an hour, and then leave you in a worse condition than before. What you want is an alterative that will purify your blood, start healthy action of Liver and Kidneys, restore your vitality, and give renewed health and strength. Such a medicine you will find in Electric Bitters, and only 50 cents a bottle at Chas. Ludlow & Co.'s drug store.

Bucklin's Arnica Salve.

How's Your Liver?

Is the Oriental salutation, knowing that good health cannot exist without a healthy Liver. When the Liver is torpid the Bowels are sluggish and constipated, the food lies in the stomach undigested, poisoning the blood; frequent headache ensues; a feeling of lassitude, despondency and nervousness indicate how the whole system is deranged. Simmons Liver Regulator has been the means of restoring more people to health and happiness by giving them a healthy Liver than any agency known on earth. It acts with extraordinary power and efficacy.

NEVER BEEN DISAPPOINTED.

As a general family remedy for Dyspepsia, Torpid Liver, Constipation, etc., I hardly ever use anything else, and have never been disappointed in the effect produced; it seems to be almost a perfect cure for all diseases of the stomach and bowels. W. J. McKinney, Macon, Ga.

Yes, bishop, interposed Mrs. White, "and it is plain that you have entered immediately upon your inheritance."
