MEDICAL.

BENSON'S

Capcine Porous Plaster!

A Great improvement on the ordinary porous plaster.

A Soothing, healing, strengthening and pain-killing agent in one.

The manufacturers received the highest and only award given to Porous Plasters at the Centennial.

We warrant Benson's Capcine Plaster to be superior to all other Porous Plasters and to all liniments.

ASK THOSE WHO KNOW

Ask any physician if Benson's Capcine Porous Plaster is not the best plaster in the world. This remarkable article was invented to overcome the great objection always found to the ordinary porous plaster of slow action in bringing relief.

LAME BACK.

For lame and weak back, rheumatism, troubles of the spine and kidneys, it is a truly wonderful remedy. Physicians everywhere recognize its great superiority to other porous plasters and to all liniments. It relieves pain at once and cures quicker than any known plaster, liniment or compound.

CAUTION. THERE are dangerous and worthless imitations of Benson's Capcine Plaster in the market. The genuine have the word "Capcine" cut through each plaster. Sold by all druggists. Price 25 cents.

SOME VALUABLE AND CHEERFUL SUGGESTIONS FROM A CORRESPONDENT—THE NECESSITY FOR IMMEDIATE ARRANGEMENTS FOR THE BURIAL OF THOSE WHO ARE TO DIE—AND OTHER SANITARY MEASURES.

Editor Cairo Bulletin:

As there seems to be a great deal of perhaps unnecessary excitement in regard to the yellow fever, and the chance of its coming here, perhaps a few suggestions from a citizen with some little experience with the disease might be of some benefit.

Now, that the fever is at our door, and may be here in a few days, would it not be well to live up to the old adage "an ounce of prevention is worth a pound of cure."

Let our citizens form their sanitary and relief committees in time, and then if we were so unfortunate as to have the fever break out among us, we would be prepared for it.

If we wait until it becomes a fixed fact, the excitement and panic would prevent anything being accomplished.

It is a well known fact that the greatest danger is after death, and arrangements should be made for burying the dead immediately, thereby avoiding in a measure the spread of the disease. All experienced nurses leave their patients as soon as dead, believing there is more danger of contagion at that time than any other.

Every hour after death the body remains above ground, so much the worse for the living; and, as I said before, with our committees appointed and ready to act, prompt measures could be taken, while, if we wait until it comes all will be confusion. I merely make these suggestions that we may be prepared for the worst.

Respectfully, CITIZEN.

When We Demoralize the Stomach—By excesses or imprudence in eating, we cannot hope to escape the consequences for any great length of time. The most robust digestion must succumb to abuses of that important function. But supposing that we have been foolish enough to enfeeble the stomach, is the damage irreparable? By no means. The dyspeptic has only to do two things to insure his ultimate recovery. First, he should adopt an easily digestible diet. Second, he should use with regularity and persistance Hostetter's Stomach Bitters, the leading gastric invigorant of the age. The multiform symptoms of dyspepsia, and the almost invariably attendant disorders, biliousness and constipation, will assuredly cease to persecute the sufferer if the above advice is attended to. Who that has suffered the torments that chronic indigestion inflicts will neglect to take advantage of a remedy which, if the most positive evidence of the medical profession and the public is to be received with due credence, is an absolute specific for the complaint.

Consumption Cured.—An old physician, retired from practice, having had placed in his hands by an East India missionary the formula of a simple vegetable remedy, for the speedy and permanent cure for consumption, bronchitis, catarrh, asthma, and all throat and lung affections, also a positive and radical cure for nervous debility and all nervous complaints, after having tested its wonderful curative powers in thousands of cases, has felt it his duty to make it known to his suffering fellows. Actuated by this motive, and a desire to relieve human suffering, I will send, free of charge, to all who desire it, this recipe, with full directions for preparing and using, in German, French, or English. Sent by mail by addressing with stamp, naming this paper, W. W. Sherar, 149 Powers Block, Rochester, New York.

Liver is King.—The liver is the imperial organ of the whole human system, as it controls the life, health and happiness of man. When it is disturbed in its proper action, all kinds of ailments are the natural result. The digestion of food, the movements of the heart and blood, the action of the brain and nervous system are all immediately connected with the workings of the liver. It has been successfully proved that Green's August Flower is unequaled in curing all person's afflicted with dyspepsia or liver complaint, and all the numerous symptoms that result from an unhealthy condition of the liver and stomach. REMEDIES

Are not advertised as "cure-alls" but are specifics in the diseases for which they are recommended.

NATURAL SELECTION.

INVESTIGATORS of natural science have demonstrated beyond controversy that throughout the animal kingdom the "survival of the fittest" is the only law vouchsafing thrift and perpetuity. Does not the same principle govern the commercial prosperity of man? An inferior can not supersede a puri article. By reason of superior merit Dr. Pierce's Standard Medicines have outrivaled all others. Their sale in the United States alone exceeds one million dollars per annum, while the amount exported foots up to several hundred thousand more. No business could grow to such gigantic proportions and rest upon any other basis than that o merit.

Dr. Sage's Catarrh Remedy
Cures cold in head and Catarrh, or Ozena.

An Open Letter--It Speaks for Itself:

Rockport, Mass., April 2, 1877.

Mr. Editor: Having read in your paper the reports of the remarkabae cures of catarrh, I am induced to tell what I know about catarrh, and I fancy the "snuff" and "inhaling tube" makers—mere dollar grabbers—would be glad if they could emblazon a similar cure in the papers. For twenty years I have suffered with catarrh. The nasal passages became completely closed. Snuff, dust, ashes, inhaling tubes and sticks would not work, though at intervals I would snuff up the so-called catarrh snuff until I became a valuable tester for such medicines. I gradually grew worse, and no one can know how much I suffered or what a miserable being was. My head ached over my eyes so that I was confined to my bed for many successive days, suffering the most intense pain, which at one time lasted for 168 hours. All sense of taste and smell gone, sight and hearing gone, nervous system shattered and constitution broken, and I was hawking and spitting seven eighths of the time. I prayed for death to relieve me of my sufferings. A favorable notice in your paper of Dr. Sage's Catarrh Remedy induced me to purchase a package and use it with Dr. Sage's nasal douche, which applies the remedy by hydrostatic pressure, the only way compatible with common sense. Well, Mr. Editor, it did not cure me in three-fourths of a second, nor in one hour or month, but in less than eight minutes I was relieved and in three months cured and have remained so for over 16 months. While using the Catarrh Remedy I used Dr. Pierce's Golden Medical Discovery to purify my blood and strengthen my stomach. I also kept my liver active and bowels regular by the use of his Picasant Purgative Pellets. If my experience will induce other sufferers to seek the same means of relief, this letter will have answered its purpose.

Yours truly, S. D. RENNICK.

CLOUD OF WITNESSES:

The following named persons are among the thousands who have been cured of catarrh by the use of Dr. Sage's Catarrh Remedy:

Golden Medical Discovery

Is alterative, or blood-cleansing.

Golden Medical Discovery

Is Pectoral.

Golden Medical Discovery

Is a Cholagogue, or Liver Stimulant.

Golden Medical Discovery

Is tonic.

Golden Medical Discovery

By reason of its alterative properties cures diseases of the blood and skin, as scrofula or king's evil; tumors; ulcers, or old sores; blotches; pimples and eruptions. By virtue of its pectoral properties it cures bronchial, throat and lung affections; incipient consumption; lingering coughs and chronic laryngitis. Its cholagogue qualities render it an unequaled remedy for biliousness, torpid liver, or "liver complaint;" and its tonic properties make it equally efficacious in curing indigestion, loss of appetite and dyspepsia.

Where the skin is sallow and covered with blotches and pimples, or where there are scrofulous affections and swellings, a few bottles of Golden Medical Discovery will effect an entire cure. If you feel dull, drowsy, debilitated, have sallow color of skin, or yellowish-brown spots on face or body, frequent headache or dizziness, bad taste in mouth, internal heat or chills alternated with hot flushes, low spirits and gloomy forebodings, irregular appetite and tongue coated, you are suffering from torpid liver or biliousness. In many cases of liver complaint only part of these symptoms are experienced. As a remedy for all such cases, Dr. Pierce's Golden Medical Discovery has no equal, as it effects perfect cures, leaving the liver strengthened and healthy.
