NEGRO WANTED AT BISBEE IN THE COUNTY JAIL

Thomas Lee, alias Grant Lemons, alias Jack White, colored, is in the county jail awaiting the arrival of an officer from Bisbee, where he is wanted for taking part in a cutting scrape some months ago. This is the third time that the man has been arrested in this county. He was first taken at Roosevelt, but managed to make his escape. Several weeks ago he was arrested in a negro saloon by Deputy Sheriff Voris, but took to his heels before the officer could land him. Sheriff Jack White of Cochise county is expected here on the first train to take the negro back for trial.

the connection of Taylor with the Goebel murder." He declined the invitation, saying that he would give no consideration to the case.

Meets Kentuckians

State Senator Binkley, since dead, then asked him to come to Cincinnati. He met a number of Kentuckians in a hotel there by appointment and they told him they were anxious to have Taylor returned to Kentucky for trial; also that there remained a total of $93,000 of the $100,000 appropriation voted by the legislature.

All this they said would be cheerfully paid to the Indiana executive if he would surrender Taylor to the Kentucky authorities or make it possible for them to get him across the Ohio river into that state. Binkley is said to have left the room as soon as the proposition was made, thereby indicating that he would have nothing to do with it.
