wise, any premises falling within the foregoing exception shall be considered as a place for selling such liquors, or be used for other purposes, said exception shall no longer apply to such premises.

(b) The aggregate number of liquor licenses outstanding in the city exclusive of hotel licenses within and exclusive of purely wholesale licenses, as herein defined, shall not exceed three hundred fifteen (315) at any time prior to December thirty-first, 1912, nor thereafter until the population of the city exceeds five hundred thousand (500,000).

(c) Every liquor license shall be specific both as to the person or firm or corporation licensed and as to the particular premises where the same is to be used, and as to the person paying for the same. The City Council may, in its discretion, consent to the transfer of any license as to person or location, but no license shall be transferred to any location except one for which such license might be granted under these charter provisions.

(d) No transfer of a license either as to person or location shall be allowed or granted without the written consent of the person or corporation who has paid for the license, or his or its assignee. Such person or corporation shall be designated in the application for the license or in an assignment filed with the City Clerk. For all licenses granted and in force at the present time a notice of such desire may be given in writing and filed with the City Clerk within twenty days after this amendment goes into force and effect.

(e) Every grant of a license which is a renewal of a license therefore existing for premises theretofore occupied as a licensed place for selling liquors shall be made in the name of the actual owner of the existing license or with the written consent of such owner, and any person paying or having paid the license fee to the city for any license shall be deemed to be the owner of the same for purposes of this clause and the last preceding clause.

(f) Where at any time before December thirty-first, 1912, saloons are located on any street such locations shall be known as saloon locations, and the location of the business carried on therein shall not be altered or changed during the term of any bona fide lease, or bona fide renewal thereof, existing at the time of the expiration of any license unless the license therefor finally expires within the next annual license period. This restriction may be waived at any time by a vote of two-thirds of the City Council. This clause (f) shall expire by limitation on December thirty-first, 1912, and thereafter shall have no effect.

(g) No liquor license shall be granted for a longer period than one year. The sum required for any liquor license shall in no case be less than one thousand dollars ($1,000) per year except that licenses for the selling or giving away or other disposal of such liquors at wholesale only, which shall be known as wholesale licenses, shall in no case be less than four hundred fifty dollars ($450) per year. A wholesale license shall in no case authorize or permit the sale, giving away or other disposal of liquor where the same or any part thereof is to be consumed on the premises where sold or otherwise disposed of, or in any premises used in connection therewith, and under such license the liquor must be sold, given away or disposed of in quantities of not less than one gallon, if within any of the saloon patrol districts, and in quantities of not less than three gallons, if outside of said districts. Wholesale licenses outside of said saloon patrol districts shall not be granted except to manufacturers of liquors or bottlers thereof. The sum required to be paid for any liquor license shall in no case be less than the amount required by the general laws of the State for houses or business of like character, and all license fees shall be collected and paid into the City Treasury before the issuance of the license, and no remission of any such license fee shall be made during the period for which it is granted; and the bond required to be given by keepers or proprietors of saloons or drinking houses shall in in any case be fixed at less than two thousand dollars ($2,000).

(h) Nothing contained in any of the provisions of this amendment shall be construed as requiring the City Council to grant any license whether in renewal of a previously existing license or otherwise or to consent to the transfer of any license.

And be it further resolved, that the foregoing amendment be and the same is hereby submitted to the electors of the city for their ratification at the next general election to be held March third, 1908.

Passed the City Council the 2nd day of January, 1908, and signed by me in open session in authentication of its passage this 2nd day of January, 1908.

RESOLUTION NO. 1125.

PROPOSED AMENDMENT NO. 12.

A resolution and proposition to amend Section 31 of Article IV of the City Charter, and providing for the submission of such proposed amendment to the qualified voters of the City of Seattle at the next general election.

Be it resolved by the City Council of the City of Seattle:

That Section 31 of Article IV of the City Charter of the City of Seattle be amended so as to read as follows:

Section 31. A daily newspaper of general circulation and published in the City, to be styled "City Official Newspaper" shall be designated in the following manner: The Board of Public Works shall on the first Monday in August in each year, cause to be published for ten (10) consecutive days (excluding Sundays) in the city official newspaper, a call to the owners and managers of newspapers for sealed proposals to do the city printing for the then next ensuing fiscal year, each of which proposals shall be accompanied by a certified check upon some bank in the City in the sum of two thousand five hundred ($2,500) dollars, payable to the order of the City Treasurer, and shall with such certified check be delivered to the Secretary of the Board of Public Works sealed up in an envelope, indorsed "Sealed proposal and check for city printing," on or before the twentieth (20th) day next after the first publication of such call, and shall be indorsed by such secretary of the board of public works at the time of such delivery, with the date of his reception thereof, and shall be first opened by the Board of Public Works as early as may be at its next regular session thereafter, and thereupon the Board of Public Works shall announce the names of all parties whose proposals have been offered, and the terms of their proposals respectively, and designate as city official newspaper that paper whose manager or owner has offered the lowest bid, with certified check as aforesaid, and such newspaper, upon complying with the requirements hereof, shall at the beginning of the then next ensuing fiscal year, and during said year, be such city official newspaper; provided, however, if in the opinion of said Board all bids are too high, said Board may, without any hearing thereon, reject all bids and shall within five (5) days readvertise. Within five (5) days from the day on which the Board shall have designated the city official newspaper, such newspaper shall present to and file with the City Clerk a contract and agreement duly executed by its owner or owners or paper officer or officers, approved by the Corporation Counsel, to the effect that in consideration of the awarding to it of the city printing for the then next ensuing fiscal year, it promises and agrees during the whole of said fiscal year, for the sum or sums named in its proposal, to well, seasonably and faithfully, accurately print and publish, according to law, all and singular the matters and things required by law to be published in the city official newspaper of the city of Seattle, which contract and agreement shall be accompanied by a bond of an approved surety company authorized to do business in and under the laws of the State of Washington, in the sum of five thousand (5,000) dollars, payable to the City of Seattle, approved by the Comptroller and Corporation Counsel, conditioned that said newspaper and its owner or owners will do and perform each and every of the things required to be set forth in said contract and agreement. Provided, that whenever from any cause a city official newspaper shall be lacking, the Mayor shall designate and employ a like newspaper to serve as such until designation and qualification is made and had as above directed under like contract and bond (except as to price), for reasonable compensation to be audited by the Auditing Committee. Certified checks accompanying unsuccessful proposals shall be returned to the proposers. The certified check accompanying the successful proposal shall be returned to such proposer upon the filing within the time and in the manner designated of the contract and bond required. If the successful proposer or newspaper designated as city official newspaper, for any reason fail, neglect or refuse to properly execute and file the contract and bond required within the time and in the manner designated, the certified check accompanying his or its proposal shall immediately become forfeited, and be and become the property and money of the City of Seattle. All ordinances, resolutions, notices, tax and assessment sales, and all other proceedings, statements, matters and things of the Mayor, City Council or any department or board or other officer or functionary of the city, which by this charter are or shall be required to be published, except the statement prescribed in Section 32 of this Article, shall be published in the city official newspaper, but not for more than three consecutive issues, except as otherwise in this charter provided.

And be it further resolved that the foregoing amendment be, and the same is hereby, submitted to the qualified voters of the City of Seattle for their ratification or rejection at the next general election to be held on the 3rd day of March, 1908.

Passed the City Council the 30th day of December, 1907, and signed by me in open session in authentication of its passage this 30th day of December A. D., 1907.

PROPOSED AMENDMENT NO. 13.

A resolution and proposition to amend Section 6 of Article VIII of the City Charter of the City of Seattle, and providing for the submission of such amendments to the qualified voters of the City of Seattle at the next general election to be held March 3, 1908.

Be it resolved by the City Council of the City of Seattle:

That Section 6 of Article VIII of the City Charter of the City of Seattle be amended to read as follows:

"Section 6. There shall be a City Engineer, a Superintendent of Streets and Sewers, a Superintendent of Lighting and Water Works, a Superintendent of Buildings, and a Superintendent of Public Utilities, each of whom shall be appointed by the Mayor, by and with the advice and consent of the City Council, for the term, except as herein otherwise provided, of three years.

And be it further resolved, that the foregoing amendment be and the same is hereby submitted to the qualified voters of the City of Seattle for their ratification or rejection at the next general election to be held on the 3rd day of March, 1908.

PROPOSED AMENDMENT NO. 14.

A resolution and proposition to amend Article VIII of the City Charter, and providing for the submission of such proposed amendment to the qualified voters of the City of Seattle at the next general election.

Be it resolved by the City Council of the City of Seattle:

That Article VIII of the City Charter of the City of Seattle be amended by adding thereto Section 7-a, to read as follows:

Section 7-a. There shall be a superintendent of public utilities. He shall rigidly enforce the provisions of all franchise ordinances, and the rules and regulations of the Board of Public Works relating to his department. He shall, so far as public necessity may demand, superintend all franchise construction which may be carried on in or across the streets of the City of Seattle. He shall from time to time present to the Board of Public Works written recommendations as to such changes or betterments which should be required to be made in the equipment of franchise companies in order to secure the comfort and safety of the public. He shall keep an accurately indexed record of all franchise work showing the time of beginning and completion. He shall keep on file in his office a series of plats drawn to scale, showing the exact position that each public utility occupies in the streets, together with sectional maps, showing the depths at or to which the same may lie below the surface of the streets. It shall be his duty to carefully examine every application made for franchise construction in the City of Seattle and report his recommendation on each to the Board of Public Works. In connection with the City Council he shall examine every application made to the City of Seattle for a franchise and present his recommendations thereon in writing. He shall, under Civil Service rules, have control of the employment of all labor, skilled or other, in his department. He shall have such other additional powers as the City Council may by ordinance grant, and he shall perform such other duties as the City Council or Board of Public Works may, from time to time, prescribe or direct. At the first meeting of the City Council after the first day of April, 1908, the Mayor shall appoint a superintendent of public utilities whose term of office shall expire December 31, 1909.

And be it further resolved that the foregoing amendment be, and the same is hereby submitted to the qualified voters of the City of Seattle for their ratification or rejection at the next general election to be held March 3, 1908.

Passed the City Council the 2nd day of January, 1908, and signed by me in open session in authentication of its passage this 2nd day of January, 1908.

RESOLUTION NO. 1142.

PROPOSED AMENDMENT NO. 16.

A resolution and proposition to amend Section 12 of Article VIII of the City Charter, and providing for the submission of such proposed amendment to the qualified voters of the City of Seattle at the next general election.

Be it resolved by the City Council of the City of Seattle:

That Section 12 of Article VIII of the City Charter of the City of Seattle be amended to read as follows:

Section 12. There shall be two (2) modes of making payment for such portion of the cost and expense of the improvements mentioned in Section eleven (11) of this article as shall be chargeable against the local improvement district created as hereinbefore provided, to wit: "Immediate Payment" and "Payment by Bonds." The mode adopted shall be the mode petitioned for in case said improvement shall be made upon petition, otherwise the mode shall be such as the council shall direct in the ordinance ordering such improvement.

The mode of "Immediate Payment" shall be as follows:

After the city council has by ordinance ordered or authorized the making of any such improvement, and not more than twenty (20) days after the contract therefor has been let as hereinbefore provided, the board of public works shall report to the council an assessment roll prepared in duplicate by the city engineer, which shall contain the description of each lot or parcel of land or part thereof to be assessed, the amount to be charged, levied or assessed against each lot or parcel of land or part thereof in proportion to the special benefits to be received by each such lot or parcel or part thereof from such improvement, and the name of the owner of each lot or parcel of land or part thereof, if known, but in no case shall a mistake in the name of the owner be fatal when the description of the property is correct. The council, on receipt of such assessment roll, shall cause a notice thereof to be published in the official newspaper of the city for ten (10) consecutive issues notifying all persons interested that said roll has been filed and requiring them to appear at a time fixed not less than fifteen (15) days from the date of the last publication of such notice and make objections thereto. The council shall at the time fixed consider all objections made and shall make such corrections of such roll as it deems just, and shall then, by ordinance, approve such roll, and levy and assess the amounts thereof against each lot and parcel or part thereof, and declare the same a first lien thereon, and shall cause the roll to be delivered to the City Comptroller who shall forthwith transmit the duplicate of the same to the City Treasurer with his certificate that the same has been duly approved by the City Council, upon receipt of which the City Treasurer shall proceed to collect the same except as the duty of collection thereof is devolved by law upon some other officer; provided, that such Treasurer shall give ten days' notice in the official newspaper (and shall mail a copy of such notice to the owner of the property assessed, when the post-office address of such owner is known, but the failure to mail the same shall not be fatal when publication thereof is made) that such roll has been certified to him for collection, and that unless payment is made within thirty (30) days from the date of such notice such assessment will become delinquent and shall bear interest at the rate of ten per cent per annum until paid, and if not paid before such assessment shall have become delinquent, a penalty of five per cent shall be added, and such delinquent assessments shall forthwith be collected by the City Treasurer in his ex-officio capacity as tax collector in the manner prescribed by law. The City Treasurer shall add no penalty to any delinquent assessment in any case where the state laws require a penalty to be added to such assessment.

And be it further resolved that the foregoing amendment be, and the same is hereby submitted to the qualified voters of the City of Seattle for their ratification or rejection at the next general election to be held March 3, 1908.

Passed the City Council the 2nd day of January, 1908, and signed by me in open session in authentication of its passage this 2nd day of January, 1908.

FILIPINO MAY BE MURDERER.

(By United Press.)

PACIFIC GROVE, Cal., Feb. 17.—A Filipino, giving the name of Ben Wolcott, is under arrest here, charged with having committed murder in San Mateo on February 2, the victim being a Chinaman with whom Wolcott is said to have celebrated Chinese New Year. On the morning of the day following the celebration the headless body of the Chinaman was discovered. Wolcott having disappeared, he was instantly made the object of a search. He was arrested in Pacific Grove and will be taken to San Mateo.

DESPERATE ESCAPE

(By United Press.)

SAN FRANCISCO, Feb. 17.—In view of scores of passengers, a prisoner, Edward J. Ely, en route from Los Angeles to San Quentin to serve six months for robbing Southern Pacific box cars, made a sensational escape from Sheriff Wilson of Riverside county by leaping head foremost through the window of a fast-moving Southern Pacific train.

The escape was made near Lancaster in Los Angeles county.

The prisoner was being led from one of the coaches to the diner. Before the sheriff could divine his purpose he suddenly stepped from the aisle and dived headlong through an open window. The train was then running at a speed of 20 miles an hour. The man was seen to roll over and over on the turf but got up apparently unhurt. The train stopped at the next station and Sheriff Wilson returned in search of his escaped charge but he has not been captured.

FISHERMEN FINED.

A. J. Anderson, Hans J. Johnson, Jacob Madison and H. E. Johnson, who were arrested on complaint of Deputy Game Warden A. L. Mottinger for operating set nets without license, near Richmond Beach, were each fined $10 and costs Saturday by Judge Carroll.

WOMAN CUPID FOUND GUILTY

(By United Press.)

CHICAGO, Feb. 17.—Marion Goodenough, who, as Marion Grey, conducted a matrimonial bureau in Elgin, Ill., has been found guilty of having used the mails in perpetrating a fraud upon William Grable, of Dearborn, Mo., by failing to secure for him as a wife "a wealthy and good-looking widow," as promised in advertising matter sent out by her. The verdict was returned before Judge Landis in the United States district court after the jury had deliberated nearly 24 hours.

The penalty to which Miss Goodenough is subject under the finding is 18 months' imprisonment in a reformatory or a fine of $500, or both, although the court may make the punishment less in his discretion. Motions for a new trial will be heard on March 12.

LIGHTS MATCH---EXPLOSION

(By United Press.)

DENVER, Colo., Feb. 17.—While passing along 16th st., in the heart of the city yesterday afternoon, Dr. Samuel Rothschilds stopped beside a public drinking fountain and struck a match to light a cigar.

A terrific explosion followed and fragments of the heavy iron fountain flew in every direction. Dr. Rothschild's right leg was horribly mangled and he was otherwise injured. Several other persons were injured.

Gas from a street main had leaked into the base of the fountain and was pouring out of the faucet when the doctor struck the match.

TEN MEN WHIPPED

(By United Press.)

EDDYVILLE, Ky., Feb. 17.—Night riders, 300 strong, visited Eddyville at 1 o'clock Sunday morning and whipped ten men, four of them white and six negroes. The white men, who are suffering from sore backs as the result of a severe chastisement of whips, are: J. W. Rucker, Lesley Woods, former city marshal; Press Fralick, who occasionally acted as deputy marshal, and Grace Robertson, a saloon porter.

The connection between the whipping of the white men and the negroes and the tobacco war in Kentucky is not apparent. None of the victims was known to be either active or influential in opposition to the farmers' pooling movement. No attempt was made to destroy stored tobacco.

TAKES POISON TO GIVE MONEY

(By United Press.)

NORTH YAKIMA, Feb. 17.—C. H. Hoag, foreman of the Moxee ranch, one of the most extensive properties in this district, is dead of pneumonia induced by overdoses of laudanum taken a few days ago. He had been ill and had considerable trouble, his wife also being an invalid, and it is believed he took the laudanum with suicidal intent. In fact, close friends say that he wanted his wife to procure his $6,000 of insurance in the Woodmen of the World. Hoag had been a rancher here for 15 years and was highly respected. His wife, who is in a hospital here, and two children survive him.

FINANCIER MORSE IS NABBED

Is Arrested for Grand Larceny and Allowed Release on Bail.

(By United Press.)

NEW YORK, Feb. 17.—Protesting that he had done nothing to warrant his arrest, Charles W. Morse, financier and promoter, was taken in custody yesterday when the steamer arrived from London. Morse was hurried to the office of Judge Dowling and, after putting up a bond of $20,000, was given his liberty pending his hearing on two indictments charging grand larceny involving the sum of $100,000.

The charge against Mr. Morse grows out of a note given him by former Chief Justice Morgan J. O'Brien, of the appellate division of the supreme court. Judge O'Brien is said to have deposited three notes for $100,000 each with Mr. Morse in payment for a block of 1,000 shares of stock in the National Bank of North America. The notes were to be held three years and not discounted, according to Judge O'Brien, and at the end of the three-year period he was to have the privilege of consummating or withdrawing from the bargain for the purchase of the stock. It is charged that Mr. Morse discounted one of these notes at the Mercantile National bank, in which he was formerly a director, and that he represented to the bank that he was authorized to receive its check for the amount of the loan.

Morse declared that he was not fleeing from arrest when he went to Europe, but was simply making a business trip.

BANDIT SHOOTS MAN WHO RESISTS HIM

William Wright, a cigarmaker, was shot and seriously wounded by a highwayman who attempted to hold him up early yesterday morning near his home, at 759 Harrison st.

At the command to hold up his hands, Wright struck the footpad over the head with his umbrella, bending the steel rod double with the impact.

The thief then began shooting rapidly at short range.

A number of people in the neighborhood heard the shots, and windows were rapidly raised. Patrolman Jay Decker rushed to the scene and assisted the injured man to the office of Dr. C. R. Hawkins, Fifth av. and Denny way, where his wounds were examined and dressed.

Although painfully injured, it is said Wright will recover. None of the bullets, it is asserted, entered a vital spot.

Detectives McClure and Peterson yesterday arrested Charles E. Bailey, a moving picture operator, on descriptions furnished by the injured man, and he will be held pending further investigation.

It is said Bailey was seen in the locality of the shooting about midnight.

POLICEMAN IS SHOT BY HIGHWAYMAN

(By United Press.)

SAN FRANCISCO, Feb. 17.—Policeman Edward Mills was shot and severely wounded last night by a highway robber who had just left a victim lying unconscious on the street. While standing at the corner of Golden Gate av. and Taylor st. a young man approached the officer and told him that a holdup had just taken place near by. The officer saw a man running and commanded him to halt. Instead, the fugitive turned and fired two shots, one of which struck Officer
