The following report was read, received and adopted, and the Quarterly Report of Treasurer Duffy, ordered spread on the Minutes.

Hon. Mayor and Council.

Your Finance Committee to whom was referred the communication of Mr. W. L. Duffy of July 3d, 1860, on the subject of an alleged robbery of the funds of this City, to the amount of $1571 25, beg leave to report: That after a careful examination of all the information we have been able to get on the subject, we cannot possibly agree with Mr. Duffy, that the loss should fall on the Corporation and therefore recommend the Council to repudiate all such propositions.

Your Committee find the Report of Treasurer Duffy for the three months ending April 30th, 1860, to agree with the Comptrollers Books, and therefore recommend its reception and that it be spread on the record: At the same time, we have to report that the Treasurers own Day Book shows the receipt of $100, more during that quarter than he reported either to the Council or Comptroller by proper voucher.

WM. MAYO.
