Summer Pleasures without Summer Discomforts! Indoors it's sticky and moist. On the porch it's *cool*—when the Vudors are down.

Why not eat, sleep, *live* there this summer? Thousands do it. The cool air gives appetite and forces you to dreamless sleep because it bathes the nerves *while* you sleep. It *cures* them.

Vudor Porch Shades cost little. They give air but keep out glare. You can look *out* through Vudors, but not *in* through them. They *last*—they keep "that new look," for they're stained, not painted, nor dipped.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

Olds Gasoline Engines...

from 1 1-2 h.p. to 15 h.p.

Also the

Falk Kerosene Engines

from 6 to 60 horsepower

Why order an engine away from home and pay local freight charges and get and engine you know nothing about, when you can buy a standard engine and see what you get---have a guarantee from me and an expert at hand to show you how to operate, free of cost to you.

I will make liberal terms to parties wanting time on purchase. Also a line of STONE BURR MILLS for grinding corn, Saw Attachment for sawing wood, Pumping outfits, Feed Grinders, Feed Choppers, etc. on hand, which I will gladly show and explain. See what users say about Olds engines in testimonials, following:

Opelousas, La., March 26, 1914.
Mr. Fred. L. Sandoz, Opelousas, La.
Dear Sir:
I wish to let you know that the 15 Hp. Olds Gasoline Engine that I purchased from you is all that you claim for it, and that I am more than satisfied with it. The cost of operation is so very little, and the work that it does is grand; would not do without an Olds Engine for anything. Would advise all farmers that need an engine to get an Olds.
Yours truly,
THEOGENE BERTRAND.

Plaisance, La., March 10th, 1914.
Mr. F. L. Sandoz, Opelousas, La.
Dear Sir:
In answer to your letter in regard to how I like your engine I will say:
The 8 Hp. engine bought of you last fall was used to pull an L. No. 1 Scientific mill (to grind corn-meal.) The engine has given perfect satisfaction up to now and seems to develop more power than is rated. I would also state that your prompt and liberal treatment in replacing the broken part is the best advertisement that your engine could have.
If anyone needs power, get an Olds. They give satisfaction.
Yours truly,
A. SOVET.

Opelousas, La., March 26, 1914.
Mr. Fred L. Sandoz, Opelousas, La.
Dear Sir:
I wish to say that the Olds Engine that I bought from you is a good one, and is just as you represented it to me, doing all that I can ask of an engine, and at a very low cost of fuel, the expense of operating is only a trifle, and the work is satisfactory; would not be without one.
Yours truly,
HENRY ROY.
