[illegible] Mamou Prairie [illegible] Mamou Oil & Mineral Co., L't'd will within the next 30 days begin to sink a well with the promise in advance of a gusher. It is about one-fourth of a mile south east of the noted gushing well of the Jennings Oil Co.

We intend to bore our second well on Bayou Blue. We have leases upon several hundred acres of lands on which we would bore in event others see fit to develop any adjacent thereto and meet success.

The Company will offer 50,000 shares for sale at 50 cents per share for a short time. Par value of shares one dollar each. We would much prefer to sell these shares to home people.

Address all communications to
AUG. COLBERT, Sec'y,

THE SOUTHERN OIL COMP'NY.

Will begin drilling at once on our 100-acre tract adjoining the Jennings well. Pipe and machinery are here. C E Jones, an experienced driller, who has brought in four gushers on the Beaumont Spindletop, has contracted to put down two wells for us.

The Company has a fine large list of holdings, consisting of 506 acres at different points near and adjoining the Jennings well. The Mamou Prairie tracts owned by the company is one of the best in that splendid field.

Work will commence on this tract very shortly and investors will do well to secure stock before an advance is made.

15,000 Shares Only of a par value of $1 Will be Sold at 50c Each.

They are going rapidly and the issue will soon be sold. The officers of the company will assure the most careful management.
