MEDICAL.

THE BEST AND SUREST REMEDY OF THE AGE.

ENDER'S

CHILL CURE

Contains no Quinine or Arsenic,
Is not Unpleasant to the Taste:
Children will take it without hesitation.

The results of many physicians, after a long and careful trial, prove it the

Best Medicine Known

For the speedy and

SURE CURE

OF

FEVER AND AGUE

AND CHILLS AND FEVER.

Chills and Fever are caused from a certain poison existing in the atmosphere known as miasma. It reduces the vitality of the blood, retards the action of the different organs, and causes Biliousness, Constipation, etc., and, if the way poisoned atmosphere continues, of a more serious nature, for which they follow. To avoid further troubles, and relieve yourself at this season, take

ENDER'S CHILL CURE.

It stimulates the organs to perform their different functions, and is used as antidote to the poison which causes the Fever and Ague, and thereby restores the system to health and tone, and a good appetite follows.

ENDER'S

STOMACH BITTERS.

Will give strength and appetite, will destroy that feeling of weariness that clings so tenaciously to any one when recovering from this disease. It is highly recommended for the cure of Dyspepsia,

FEMALE WEAKNESS.

And for coughs, colds, bronchitis and consumption, it is not to be surpassed. AS A TONIC BEVERAGE it is unequalled, and is a sure preventive against Chills and Fever if taken regularly.

Dr. F. H. Enders, Paducah, Ky.

Butler's Revenue Device.

WASHINGTON, April 19.—It is stated that Gen. Butler has in preparation a bill to abolish the present income tax, and substitute therefore a levy of five per cent, on interest paid on all invested capital, including National and State bonds, on all loans running longer than one year, dividends of bonds, railroads, insurance, incorporations, etc., and on mortgages, leases, and rents; one per cent. on successions, legacies and deeds of gifts other than for charitable purposes, when property falls to one next in blood not of collateral branch; five per cent. when a stranger or corporation, etc. All these collections to be made by stamps. He also proposes to tax the manufacture and sale of spirituous and fermented liquors; to abolish the offices of assessor and assistant assessors of internal revenue, and establish such other offices for the collection of tax on whisky and tobacco as may be necessary, and to repeal all other internal taxation.

HAIR RESTORATIVES.

DISCOVERY OF

PHALON'S

"VITALIA;"

OR,

Salvation for the Hair.

For Restoring to Gray Hair its Original Color.

PHALON'S "VITALIA" differs utterly from all the "dyes," "colorers," and "restorers" (?) in use. It acts on a totally different principle. It is limpid, fragrant, and perfectly innocuous, precipitates no muddy or flocculent matter, requires no shaking up and communicates no stain to the skin or the linen. No *paper curtain* is necessary to conceal its turbid appearance, for the simple reason that *it is not turbid*. It is, to all intents and purposes, A NEW DISCOVERY in Toilet Chemistry.

"VITALIA" is warranted to effect a change in the color of the hair within 10 days after the first application, the directions being carefully observed.

IT IS AS CLEAR AS WATER!

AND HAS NO SEDIMENT.

Price, One Dollar per Box,

CONTAINING TWO BOTTLES.

SOLD BY ALL DRUGGISTS.

If your Druggist has not "Vitalia" on hand, write, enclosing $1.00, and we will forward it immediately.

MEDICAL.

Prostration Played Out.

Violent purgatives, emetics, sudorific, blisters, leeching and bleeding have had their day.

The sick now may hope be permitted that the best way to deal with them is to restore the little strength that disease has left.

Dyspepsia, instead of doing battle with epsom salts, jalap, or other powerful cathartics, tone their digestive organs and regulate their bowels with Rensdorf's Stomach Bitters.

Persons of home habit, instead of throwing the whole physical system into a state of medical revolution with mercurial poison, seek relief and find it in the operation of that wholesome vegetable alterative upon the disordered liver.

Nervous sufferers, insomniacs, weak and despondent, recruit their shattered energies with a medicine of the great invigorant, and bless the day when the antidotes to miasma were supplied by a medicinal stimulant, perfectly efficient and entirely harmless.

Travelers by land and seafarers in the possession of an agreeable alterative, which protects them from the evil effects of malaria, from sea sickness, and from the disturbing influences of climates, of temperature, and change of water.

The aged, whose debilitated feel their strength restored, and their spirits revive under its cheering, invigorating, gentle stimulating action.

It is the only stomachic which cautious physicians can conscientiously recommend to ladies in delicate health, for the aged and decrepid.

There is not a city, town or settlement on the American continent, where it is not recognized as a household remedy, and a safeguard against epidemics; and in short, wherever there is intelligence, prudence and common sense, Hostetter's Stomach Bitters is pronounced a standard specific, for which, in the whole range of pharmacy there is no substitute or equivalent.
