A Toilet Necessity.

After nearly thirty years' experience, it is now generally admitted that Murray & Lanman's Florida Water is the most refreshing and agreeable of all toilet perfumes. It is entirely different from Cologne Water and should never be confounded with it; the perfume of Cologne disappearing a few moments after its application, whilst that of the Florida Water lasts for many days. sod1mwf

GREAT FORTUNES.

Great fortunes are not easily acquired in these days of sharp competion and base treachery. Even when they are acquired, they too often find the possessor a mere wreck, having made a drudge and slave of himself by toiling incessantly for that which he is permitted to hold for a few brief months before he is laid away in the grave. We must confess that in this view of the case, the "Great Henderson Co., Ky., Prize Scheme" has powerful attractions for even the most staid. Here are *great fortunes*, to be won without haggard toil and the whole secured by a legal *charter*, and in the hands of men of most undoubted integrity. We are ready to aid any of our friends who may command us, in securing tickets or information about his matter. my24

DOTY'S WASHING MACHINE

Lately much improved, and the new

Universal Clothes Wringer

Improved with Rowell's patent double cog-wheels, and the patent stop, are now unquestionably for superior to any apparatus for washing clothes ever invented, and will save their cost twice a year, by saving labor and clothes.

PRICES: A FAIR OFFER.

If the Merchants in your place will not furnish, or send for the machines, send us the retail price, Washer $14, Extra Wringer $9, and we will forward either or both machines, free of freight, to places where no one is selling; and so sure are we that they will be liked, that we agree to refund the money if any one wishes to return the machines free of freight, after a month's trial, according to directions.

No husband, father or brother should permit the drudgery of washing with the hands, fifty-two days in the year, when it can be done better, more expeditiously, with less labor, and no injury to the garments, by a Doty Clothes Washer, and a Universal Wringer.

HORSES.

Slow Horses Made Fast

Fast Horses Made Faster.

My mode of treating horses is guaranteed to increase the speed of any horse, good or poor. Ordinary farm horses have had their speed increased so as to sell for five hundred dollars. A gentleman with my method bought a pair of horses for $300 and sold them, after four days' training, for $2,000. They trotted in 2:48 in harness. Another bought an ordinary saddle horse for $90 and in one week sold him for $800. I will send my method to any address on receipt of One Dollar.

THE BEST AND SUREST REMEDY OF THE AGE.

ENDER'S CHILL CURE

Contains no Quinine or Arsenic,

Is not Unpleasant to the Taste:

Children will take it without hesitation.

The profession and many eminent physicians, after a fair trial, pronounce it the

Best Medicine Known

For the speedy and

SURE CURE

OF

FEVER AND AGUE

AND CHILLS AND FEVER.

Chills and Fever are caused from a certain poison existing in the atmosphere known as malaria. It reduces the vitality of the blood, retards the action of the different organs, and causes Biliousness, Constipation, etc., and in this way prepares the system for any disease of a more serious nature which may follow. To avoid further trouble, and relieve yourself of this disease, take

ENDER'S CHILL CURE.

It stimulates the organs to perform their different functions, and acts as an antidote to the poison which causes the Fever and Ague, and thereby restores the system to health and acts as a good tonic such as

ENDER'S STOMACH BITTERS.

Will give strength and appetite, will destroy that feeling of weariness that clings so tenaciously to any one when recovering from the disease. It is highly recommended for the cure of Dyspepsia.

FEMALE WEAKNESS.

And for coughs, colds, bronchitis and consumption, it is not to be surpassed. AS A TONIC BEVERAGE it is unequaled, and is a sure preventive against Chills and Fever if taken regularly.

Dr. F. H. Enders, Paducah, Ky.

Great Remedies

DR. JOHN BULL

Manufacturer and vender of the

CELEBRATED

Smith's Tonic SYRUP

.....FOR THE.....

CURE OF AGUE AND FEVER

.....OR.....

Chills and Fever.

THE proprietor of this celebrated medicine justly claims for it a superiority over all remedies ever offered to the public for the *safe, certain, speedy and permanent cure* of Ague and Fever, or Chills and Fever, whether of short or long standing. He refers to the entire Western and Southwestern country to bear him testimony to the truth of the assertion, that in no case whatever will it fail to cure, if the directions are strictly followed and carried out. In a great many cases a single dose has been sufficient for a cure, and whole families have been cured by a single bottle, with a perfect restoration of the general health. It is, however, prudent, and in every case more certain to cure, if the use is continued in smaller doses for a week or two after the disease has been checked, more especially in difficult and long standing cases. Usually, this medicine will not require any aid to keep the bowels in good order; should the patient, however, require a cathartic medicine, after having taken three or four doses of the Tonic, a single dose of **Bull's Vegetable Family Pills** will be sufficient.

BULL'S WORM DESTROYER

To My United States and World wide Readers:

I HAVE received many testimonials from professional and medical men, as my almanacs and various publications have shown, all of which are genuine. The following, from a highly educated and popular physician in Georgia, is certainly one of the most sensible communications I have ever received. Dr. Clement knows exactly what he speaks of, and his testimony deserves to be written in letters of gold. Hear what the Doctor says of **Bull's Worm Destroyer:**

Villanow, Walker County, Ga., June 29, 1866.

DR. JOHN BULL—Dear Sir: I have recently given your "Worm Destroyer" several trials, and find it wonderfully efficacious. It has not failed in a single instance to have the wished-for effect. I am doing a pretty large county practice, and have daily use for some article of the kind. I am free to confess that I know of no remedy recommended by the ablest authorities that is so certain and speedy in its effects. On the contrary, they are uncertain in the extreme. My object in writing you is to find out upon what terms I can get the medicine directly from you. If I can get it upon reasonable terms, I shall use a great deal of it. I am sure that the use of it will be a valuable adjunct to the teachings and practice of a great majority of the regular line, discarding a remedy which we know to be sufficient, simply because we may be ignorant of its combination. For my part, I shall make it a rule to use all and every means to alleviate suffering humanity which I may be able to command, not hesitating because some one more ingenious than my self have learned its effects first, and secured the sole right to secure that knowledge. However, I am by no means an advocate or supporter of the thousand of worthless nostrums that flood the country, that purport to cure all manner of diseases for which death is here. Please reply soon, and inform me of your best terms. I am, etc., very respectfully,

JULIUS P. CLEMENT, M. D.

BULL'S SARSAPARILLA

Read the Captain's Letter and the Letter from his Mother:

Benton Barracks, Mo., April 20, 1866.

DR. JOHN BULL—Dear Sir: Knowing the efficacy of your sarsaparilla, and the healing and beneficial qualities it possesses, I send you the following statement of my case:

I was wounded about two years ago—was taken prisoner and confined for sixteen months. Being moved so often, my wounds have not healed yet. I have not sat up hardly at all since I was wounded. I am shot through the hips. My general health is impaired, and I need something to assist nature. I have heard much in your sarsaparilla than in anything else. I want that kind you generously offered me. Please express me a half dozen bottles, and oblige CAPT. C. P. JOHNSON,

St. Louis, Mo.

P. S.—The following was written April 20, 1866, by Mrs. Jennie Johnson, mother of Capt. Johnson:

DR. JOHN BULL—Dear Sir: My husband, Dr. C. S. Johnson, was a skilful surgeon and physician in Central New York, where he died, leaving this above C. P. Johnson to my care. At thirteen years of age, I had a chronic diarrhœa and scrofula, for which I gave him your sarsaparilla. IT CURED HIM. I have for ten years recommended it to many in New York, Ohio and Iowa, for scrofula, fever sores, and general debility. Perfect success has attended it. The cure effected in some cases of scrofula and fever sores was almost miraculous. I am very anxious for my son to again take advantage to your sarsaparilla. He is fearful of getting a spurious article, hence this writing to you for it. His accounts were terrible, but I believe he will recover. Respectfully,

JENNIE JOHNSON.

BULL'S CEDRON BITTERS

AUTHENTIC DOCUMENTS.

Arkansas Heard From.

Testimony of Medical Men

Stony Point White Co., Ark. May 23, '66.

Dr. Joan Bull—Dear Sir: Last February I was at Louisville purchasing drugs, and I got some of your Sarsaparilla and Cedron Bitters.

My son-in-law, who was with me in the store, has been down with the rheumatism for some time, commenced on the Bitters, and soon found his general health improved.

Dr. Gist, who has been in bad health, tried them, and he also improved.

Dr. Coffee, who has been in bad health for several years—stomach and liver affected—he improved very much by the use of your Bitters. Inde de the Cedron Bitters has given you great popularity in this settlement. I think I could sell a great quantity of your medicine this fall especially Cedron Bitters and Sarsaparilla. Ship me Memphis care of Rickett & Neely.

Respectfully,

C. B. WALKER.
