MEDICAL.

TRUTH WILL PREVAIL.

"Tho' Satan Sits at the Door, Some Will Be Cured."

We are happy to place before the citizens of Cairo and its vicinity, Dr. Hulse, late of New Albany. He is permanently located in this city, for the purpose of practicing medicine in all its various branches, and will attend to all calls in the city or its vicinity, by day or night. The Doctor has practiced medicine during a period of twenty years, during which time he has had a large share of practice wherever he has lived. He prepares and furnishes all his medicines at his office. He has been very successful in the treatment of all chronic diseases, having devoted the greater portion of the past eight years to cases of that character, and has scarcely ever turned one away uncured. After taking their cases in charge he charges nothing for consultations at his office. He will not flatter your whims he tells you you may rely on. Old cases of twenty years' standing are cured by him. All old sores, it matters not what their condition—sore eyes in all forms, cured in a short time. Fistula and cancers cured without the use of the knife. Tape worms expelled by the use of a newly discovered medicine, without fail. All forms of erysipelas and diseases of the skin cured in the shortest time.

I also keep on hand the Indian Oil, discovered by me while in the Cherokee nation, in 1848. For sale at my office, or sent by express to any part of the country.

The Oil cures aches and pains in five minutes. Headache in three minutes; earache in ten minutes, neuralgia in five minutes; rheumatism in one hour; fits in children and adults in a short time. All other aches or pains, not named here, are cured by this Oil in the shortest time. Every bottle is labelled with full directions for using it. If it fails to do what is claimed for it, come back and get your money. Price 50 cents and $1 to per bottle.

Office, corner of Eighth street and Ohio Levee, upstairs.

I am a graduate of the Homœopathic School of Cleveland, Ohio—having graduated in the year 1851. I also graduated in the Eclectic School of Cincinnati, in the year 1853.

LOOK AT THE RUINS!

Aye, look at the ruins of what once were magnificent sets of teeth, to be seen everywhere in society. Look at them, and ask yourself if it is not marvellous that such destruction is permitted, when, by simply using Sozodont, any teeth, however fragile, may be preserved from decay or blemish as long as life lasts.

DO DOCTORS AGREE?

This is a question which has long been asked and finally answered by all the leading medical men. The question being, if a man or woman requires or must take any stimulant or stimulating tonic, what is the most wholesome, pure and delicious stimulant or beverage they can drink? The answer from every one is: We have carefully examined and analysed Warner's Vinum Vitæ or the Wine of Life, and do recommend as the most wholesome, pure and delicious stimulating tonic and advise every family to keep a bottle of the Wine of Life in the house. It is suitable for male or female and is sold everywhere. wlt

A NEW YORK preacher says that "no man who uses spiritous liquors can get to heaven." Of course he meant such execrable poison as is retailed in the Empire City. In view of the undeniable excellence of the old whiskeys, pure brandies, sparkling wines, and creamy ales sold by Pat Fitzgerald, of the Sun Flower saloon, no Cairo preacher has ever ventured a like declaration. Indeed, we have heard men say that everybody who patronizes Pat's beverages is immediately possessed of a serenity of soul, a christian fortitude and resignation, that make this mundane sphere of ours as good a heaven as he cares about. That everybody may share in this felicity Pat has fixed the price of his incomparable Cincinnati lager beer at 5 cents a glass, and everything else at about half what it is really worth.

The finest Billiard Saloon in Southern Illinois can also be found in connection with this popular establishment. tf.

A WONDERFUL MICROSCOPE.

Rev. Daniel Wise, D. D., editor of the New York Sunday School *Advocate*, thus speaks of the celebrated Craig Microscope:

"Its simplicity, cheapness and great magnifying power struck me with surprise. Then I was examining a fly's eye by its aid, and was struck with wonder at the skill and power of the Creator which is displayed in its structure. When I saw a statement in an advertisement that the Craig Microscope magnified one hundred diameters, and could be bought for $2 50, I thought it was one of the humbugs of the hour, for I had paid $20 for a microscope not long before. But now I find it to be a really valuable instrument which I should like see introduced into the families of our readers in place of the manifold useless toys which please for an hour and are then destroyed. This microscope would both amuse and instruct them and I advise every boy and girl who wishes to know the wonders which lie in little things to save his money until he has $2 75, which will pay for the microscope and the postage when sent by mail."

As a holiday gift this microscope is unsurpassed, being ornamental, instructive, amusing and cheap, and never loses its interest. Agents and dealers supplied on liberal terms. A sample will be mailed, post paid, to any address for $2 75, by E. H. ROSS, 313 Locust street, St. Louis, Mo.

HAIR RESTORATIVES.

A NEW DISCOVERY!!

PHALON'S

"VITALIA;"

OR,

Salvation for the Hair.

For Restoring to Gray Hair its Original Color.

PHALON'S "VITALIA" differs utterly from all the "dyes," "colorers," and "restorers" (?) in use. It acts on a totally different principle. It is limpid, fragrant, and perfectly innocuous, precipitates no muddy or flaculent matter, requires no shaking up, and communicates no stain to the skin or the linen. No *paper curtain* is necessary to conceal its turbid appearance, for the simple reason that *it is not turbid*. It is, to all intents and purposes, A NEW DISCOVERY in Toilet Chemistry.

☞ Phalon's "VITALIA" is warranted to effect a change in the color of the hair within 10 days after the first application, the directions being carefully observed.

IT IS AS CLEAR AS WATER! AND HAS NO SEDIMENT.

Price, One Dollar per Box CONTAINING TWO BOTTLES.

SOLD BY ALL DRUGGISTS.

If your Druggist has not "Vitalia" on hand, write, enclosing $1 00, and we will forward it immediately.

SIMMONS' LIVER REGULATOR

The symptoms of liver complaint are uneasiness and pain in the side. Sometimes the pain is in the shoulder, and is mistaken for rheumatism. The stomach is affected with loss of appetite and sickness, bowels in great disorder, sometimes alternating with laxitive. The head is troubled with pain, and dull, heavy sensation, considerable loss of memory, accompanied with painful sensation of having left undone something which should have been done. Sometimes the whole catalogue of weakness, debility, and low spirits. Sometimes, some of the above symptoms attend the disease, and at other times very few of them; but the Liver is generally the organ most involved. Cure the Liver with
