MEDICAL.

TRUTH WILL PREVAIL.

"Tho' Satan Sits at the Door, Some Will Be Cured."

We are happy to place before the citizens of Cairo and its vicinity, Dr. Hulse, late of New Albany. He is permanently located in this city, for the purpose of practicing medicine in all its various branches, and will attend to all calls in the city or its vicinity, by day or night. The Doctor has practiced medicine during a period of twenty years, during which time he has had a large share of practice wherever he has lived. He prepares and furnishes all his medicines at his office. He has been very successful in the treatment of all chronic diseases, having devoted the greater portion of the past eight years to cases of that character, and has scarcely ever turned one away uncured. After taking their cases in charge he charges nothing for consultations at his office. He will not flatter you; what he tells you you may rely on. Old cases of twenty years' standing are cured by him. All old sores, it matters not what their condition—sore eyes in all forms, cured in a short time. Fistula and cancers cured without the use of the knife. Tape-worms expelled by the use of a newly discovered medicine, without fail. All forms of erysipelas and diseases of the skin cured in the shortest time.

I also keep on hand the Indian Oil, discovered by me while in the Cherokee nation in 1838. For sale at my office, or sent by express to any part of the country.

The Oil cures colics and cramps in five minutes. Headache in three minutes; earache in ten minutes, neuralgia in five minutes; rheumatism in one hour; fits in children and adults in a short time. All other aches or pains, not named here, are cured by this Oil in the shortest time. Every bottle is labelled with full directions for using it. If it fails to do what is claimed for it, come back and get your money. Price 50 cents and $1 00 per bottle.

Office, corner of Eighth street and Ohio Levee, up stairs.

I am a graduate of the Homœopathic School of Cleveland, Ohio—having graduated in the year 1851. I also graduated in the Eclectic School of Cincinnati, in the year 1856.

GREAT FORTUNES.

Great fortunes are not easily acquired in these days of sharp competion and base treachery. Even when they are acquired, they too often find the possessor a mere wreck, having made a drudge and slave of himself by toiling incessantly for that which he is permitted to hold for a few brief months before he is laid away in the grave. We must confess that in this view of the case, the "Great Henderson Co., Ky., Prize Scheme" has powerful attractions for even the most staid. Here are *great fortunes*, to be won without haggard toil, and the whole secured by a legal *charter*, and in the hands of men of most undoubted integrity. We are ready to aid any of our friends who may command us, in securing tickets or information about his matter. my24

THE BREVITY OF LIF.

"Tis not for man to trifle, life is brief,
Our age is but the falling of a leaf.
We have no time to sport away the hours,
All must be earnest in a world like ours.
Not many lives, but one have we,
How sacred should that one be."

And still how many fritter away their lives, unable to fill any useful purpose, because some lingering disease unfits them for it, and they neglect or refuse to use the remedies within their reach. God, in his wonderful arrangement of nature has provided an antidote for all the ills that human flesh is heir to, and by the aid of science, the medicinal virtues of certain herbs, roots and barks have been combined, and the result is now known all over the civilized world as Mishler's Herb Bitters. It thoroughly purifies the blood, invigorates the nervous fibres, elevates the standard of all the vital forces, and sustains a most healthful tone of the entire human organization. Sold by all druggists and dealers. Dr. S. B. Hartman & Co., Proprietors, Lancaster, Pa. jel4tthas1w

HAIR RESTORATIVES.

A NEW DISCOVERY!!

PHALON'S

"VITALIA;"

OR,

Salvation for the Hair.

For Restoring to Gray Hair its Original Color.

PHALON'S "VITALIA" differs utterly from all the "dyes," "colorers," and "restorers" (?) in use. It acts on a totally different principle. It is limpid, fragrant, and perfectly innocuous, precipitates no muddy or flocculent matter, requires no shaking up, and communicates no stain to the skin or the linen. No *paper curtain* is necessary to conceal its turbid appearance, for the simple reason that *it is not turbid*. It is, to all intents and purposes, A NEW DISCOVERY in Toilet Chemistry.

☞ Phalon's "VITALIA" is warranted to effect a change in the color of the hair within 10 days after the first application, the directions being carefully observed.

IT IS AS CLEAR AS WATER! AND HAS NO SEDIMENT.

Price, One Dollar per Box, CONTAINING TWO BOTTLES.

SOLD BY ALL DRUGGISTS.

If your Druggist has not "Vitalia" on hand, write, enclosing $1.00, and we will forward it immediately.

THE TRICHINA SPIRALIS OR PORK WORM

Perhaps it is not generally known that the much talked of *trichina spiralis*, or pork worm, was first discovered in America by Dr. R. G. Kendall, of Philadelphia Pa., with that American instrument known as the Craig Microscope, costing only $2,75, after repeated failures to discover the worm with an imported microscope, costing $55, of feebler power and less reliable. This fact Dr. Kendall stands ready to prove at any time. The "Craig" Microscope in neat box with full direction is mailed anywhere for $2.75, by E. H Ross, 313 Locust St., St. Louis, Mo.

SIMMONS' LIVER REGULATOR

The symptoms of liver complaint are uneasiness and pain in the side. Some times the pain is in the shoulder, and is mistaken for rheumatism. The stomach is affected with loss of appetite and sickness, bowels in general alternate, sometimes alternating with laxitive. The head is troubled with pain, and dull, heavy sensation, accompanied with loss of memory, accompanied with painful sensation of having left undone something which ought to have been done. Sometimes the skin and eyes become yellow, the complexion is sallow, and the whole system becomes affected with a bilious appearance. Sometimes, almost all of the above symptoms attend the disease, and at other times very few of them; but the Liver is generally the organ most involved. Cure the Liver with
