Slow Horses Made Fast

Fast Horses Made Faster.

My mode of treating horses is guaranteed to increase the speed of any horse, good or poor. Ordinary speed horses made fast, and fast horses made faster in a few days. A gentleman with my method brought a pair of horses for $300 and sold them, after four days' training, for $2,000. They trotted in 2:40 in harness. Another bought an ordinary saddle horse for $50 and in one week sold him for $800. I will send my method to any address on receipt of One Dollar.

Antidote for Intemperance

Is an infallible cure for the habit of drinking. Its use will at once remove the taste or desire for stimulants, and will soon create an actual aversion to them. It can be administered in tea, coffee, or even in water, without exciting suspicion, as it is free from taste or smell. If you have a husband, brother or friend addicted to that terrible habit it is your duty to cure him.

MEDICAL.

THE BEST AND SUREST REMEDY OF THE AGE.

ENDER'S CHILL CURE

Contains no Quinine. Children will take it without hesitation.

The public and many eminent physicians, after a fair trial, pronounce it the

Best Medicine Known

For the speedy and

SURE CURE

OF

FEVER AND AGUE AND CHILLS AND FEVER.

Chills and Fever are caused from a certain poison existing in the atmosphere known as malaria. It reduces the vitality of the blood retards the action of the different organs, and causes Biliousness, Constipation, etc., and in this way prepares the system for any disease of a more serious nature which may follow. To avoid further trouble, and relieve yourself of this disease, take

ENDER'S CHILL CURE.

It stimulates the organs to perform their different functions, and acts as an antidote to the poison which causes the Fever and Ague, and thereby restores the system to health and tones and a good tonic such as

ENDER'S STOMACH BITTERS.

Will give strength and appetite, will destroy that feeling of weariness that clings so tenaciously to any one when recovering from this disease. It is highly recommended for the cure of Dyspepsia,

FEMALE WEAKNESS.

And for coughs, colds, bronchitis and consumption, it is not to be surpassed. As A TONIC BEVERAGE it is unequalled, and is a sure preventive against Chills and Fever if taken regularly.

DR. JOHN BULL'S

Great Remedies

DR. JOHN BULL

Manufacturer and vender of the

CELEBRATED

Smith's Tonic SYRUP

FOR THE

CURE OF AGUE AND FEVER

OR

Chills and Fever.

THE proprietor of this celebrated medicine justly claims for it a superiority over all remedies ever offered to the public for the *safe, certain, speedy and permanent cure* of Ague and Fever, or Chills and Fever, whether of short or long standing. He refers to the entire Western and Southwestern country to bear him testimony to the truth of the assertion, that in no case whatever will it fail to cure, if the directions are strictly followed and carried out. In a great many cases a single dose has been sufficient for a cure, and whole families have been cured by a single bottle, with a perfect restoration of the general health. It is, however, prudent, and in every case more certain to cure, if its use is continued in smaller doses for a week or two after the disease has been checked, more especially in difficult and long standing cases. Usually, this medicine will not require any aid to keep the bowels in good order; should the patient, however, require a cathartic medicine, after having taken three or four doses of the Tonic, a single dose of **Bull's Vegetable Family Pills** will be sufficient.

BULL'S

WORM DESTROYER

To My United States and World wide Readers:

I HAVE received many testimonials from professional and medical men, as my almanacs and various publications have shown, all of which are genuine. The following, from a highly educated and popular physician in Georgia, is certainly one of the most sensible communications I have ever received. Dr. Clement knows exactly what he speaks of, and his testimony deserves to be written in letters of gold. Hear what the Doctor says of **Bull's Worm Destroyer:**

Villanow, Walker County, Ga., June 29, 1866.

DR. JOHN BULL—Dear Sir: I have recently given your "Worm Destroyer" several trials, and find it wonderfully efficacious. It has not failed in a single instance to have the wished-for effect. I am doing a pretty large county practice, and have daily use for some article of the kind. I am free to confess that I know of no remedy recommended by the abler authorities that is so certain and speedy in its effects. On the contrary, they are uncertain in the extreme. My object in writing you is to find out upon what terms I can get the medicine directly from you. If I can get it upon easy terms, I shall use a great deal of it. I am aware that the use of such articles is contrary to the teachings and practice of a great majority of the regular line discarding a remedy which we know to be sufficient, simply because we may be to command—not mentioning secrets, I shall more ingenious than some others to secure effects first, and secured the sole right to sell that knowledge. However, I am by no means an advocate or supporter of the thousand of worthless nostrums that flood the county, that purport to cure all manner of diseases to which flesh is heir. Please reply soon, and inform me of your best terms. I am, sir, very respectfully,

JULIUS P. CLEMENT, M. D.

BULL'S

SARSAPARILLA

Read the Captain's Letter and the Letter from his Mother:

Benton Barracks, Mo., April 30, 1866.

DR. JOHN BULL—Dear Sir: Knowing the efficiency of your Sarsaparilla, and the healing and beneficial qualities it possesses, I send you the following statement of my case:

I was wounded about two years ago—was taken prisoner and confined for sixteen months. Being moved so often, my wounds have not healed yet. I have not sat up a moment since I was wounded. I am shot through the hips. My general health is impaired, and I need something to assist nature. I have more faith in your Sarsaparilla than in anything else. I wish that it is genuine. Please express me a half dozen bottles, and oblige CAPT. C. P. JOHNSON,

St. Louis, Mo.

P. S.—The following was written April 30, 1866, by Mrs. Jennie Johnson, mother of Capt. Johnson:

DR. JOHN BULL—Dear Sir: My husband, Dr. C. S. Johnson, was a skillful surgeon and physician in Central New York, where he died, leaving the above C. P. Johnson in my care. At thirteen years of age, he had a chronic diarrhœa and scrofula, for which I gave him your Sarsaparilla. IT CURED HIM. I have for ten years recommended it to many in New York, Ohio and Iowa, for scrofula, fever sores, and general debility. Perfect success has attended it. *The cures effected in some cases of scrofula and fever sores were almost miraculous.* I am very anxious for my son to again have recourse to your Sarsaparilla. He is fearful of getting a spurious article, hence his writing to you for it. His wounds were terrible, but I believe he will recover. Respectfully,

JENNIE JOHNSON

Testimony of Medical Men

Stony Point White Co., Ark. May 28, '66.

DR. JOHN BULL—Dear Sir: Last February I was at Louisville purchasing drugs, and I got some of your Sarsaparilla and Cedron Bitters.

My son-in-law, who was with me in the store, has been down with the rheumatism for some time, commenced on the Bitters, and soon found his general health improved.

Dr. Gist, who has been in bad health, tried them, and he also improved.

Dr. Coffee, who has been in bad health for several years—stomach and liver affected—he improved very much by the use of your Bitters. Indeed the Cedron Bitters has given you great popularity in this settlement. I think I could sell a great quantity of your medicine this fall especially Cedron Bitters and Sarsaparilla. Ship me Memphis care of Rickett & Neely.

Respectfully,

C. B. WALKER.
