Many so called "bitters" are not medicines, but simply liquids disguised, so as to evade the law. Prickly Ash Bitters is not one of this class. It is strictly a medicine, acting primarily on the kidneys, liver and bowels, and for the dangerous diseases that attack these organs it is a remedy of the first grade. There is nothing objectionable in its taste, it has an agreeable flavor and is acceptable to the most delicate stomach. Anti-Monopoly Drug Store, special agents.

Chamberlain's Stomach and Liver Tablets allay the disturbances of the stomach and create a healthy appetite. They also tone up the liver to a healthy action and regulate the bowels. The healthy old man wears his gray hairs like a silver crown. What if he be three score and ten if there is still fire in his eye, firmness in his step, command in his voice and wisdom in his counsel? He commands love and reverance. Yet how few wear the mantle of age with dignity. Dim eyed, querulous of speech, halting in step, childish in mind, they "lag superflous on the stage," dragging out the fag end of life in a simple existence The secret of a healthy old age is a healthy middle age. The man who takes care of his stomach, who keeps his body properly nourished, will find that the body does not fail him in old age. The great value of Dr. Pierce's Golden Medical Discovery lies in the preservation of the working power of the stomach and other organs of digestion and nutrition. From this center is distributed the nourishment of the whole body, the salt for the blood, the lime for the bones, phosphates for the brain and nerves. A sound stomach means a sound man. A man who keeps his stomach sound by the use of "Golden Medical Discovery" will wear the crown of gray hairs as befits a monarch, with dignity and ease.

Hill--DeVane.

Ocala was the scene of a romantic wedding last Sunday morning, when Miss Minnie Ray DeVane and Mr. C. Clifford Hill, of Savannah, were united in marriage at the home of Mr. and Mrs. P. V. Leavengood at 10 o'clock, Rev. W. H. Coleman, officiating. The bride resided formerly in Ocala, but for the past two years has made her home in Savannah. The mother of the bride objected to the match, so several weeks ago Miss DeVane came to Ocala to visit her sister, Mrs. Leavengood, and was followed by Mr. Hill and their marriage was the result. Mr. and Mrs. Hill returned to Savannah on Monday where they will live. Mr. Hill has a position in the car shops of the Plant System of that city.

A Successful Ocala Insurance Agent.

The Florida Association of Local Fire Insurance agents looks as if it is to become a reality at last. Decatur W. Davis, of Ocala, who is working to perfect the organization, says the meeting will probably be called for July at Tampa in all likelihood. While in New York recently, Mr. Davis conferred with General Organizer Pinkham, of the national association, and thus got in close touch with the national association idea and thought. "It is no easy matter to form a state association of local agents," said Mr. Davis. "I find that everybody prefers to leave the work to one man. The first meeting is always the most diffcult. Afterwards, if this meeting is a success, I think it will be easy sailing. One of the questions that will be given attention by the Florida association, if organized, will be that of overhead writing, of which Florida has more than her share." Mr. Davis is a phenominally successful agent. Although Ocala has less than 5,000 people, his premiums have amounted to as much as $40,000 a year, which is more than any Atlanta agency wrote last year, with one exception.—New Orleans States.

Beware of a Cough.

A cough is not a disease but a symptom. Consumption and bronchitis, which are the most dangerous and fatal diseases, have for their first indication a persistent cough, and, if properly treated as soon as this cough appears, are easily cured. Chamberlain's Cough Remedy has proven wonderfully successful, and gained its wide reputation and extensive sale by its success in curing the diseases which cause coughing. If it is not beneficial it will not cost you a cent. For sale by the Anti-Monopoly Drug Store. m

For eruptions, eczema, tetter, salt rheum, sores and all blood disorders Electric Bitters has no rival on earth. Try them. Garrett and Gerig will gaurantee satisfaction or refund money. WILD WITH ECZEMA

And Other Itching Burning Scaly Eruptions with Loss of Hair

Speedy Cure Treatment $1.25

Bathe the affected parts with Hot Water and Cuticura Soap (25c.), to cleanse the surface of crusts and scales and soften the thickened cuticle. Dry, without hard rubbing, and apply Cuticura Ointment (50c.) freely, to allay itching, irritation and inflammation and soothe and heal, and, lastly, take Cuticura Resolvent (50c.) to cool and cleanse the blood. A single set (price, $1.25) is often sufficient to cure the most torturing, disfiguring and humilating skin, scalp and blood humors, with loss of hair, when all else fails.

This sweet and wholesome treatment affords instant relief, permits rest and sleep in the severest forms of eczema and other itching, burning, and scaly humors of the skin, scalp, and blood, and points to a speedy, permanent, and economical cure when other remedies fail.

The agonizing itching and burning of the skin, as in eczema; the frightful scaling, as in psoriasis; the loss of hair and crusting of the scalp, as in scald head; the facial disfigurement, as in pimples and ringworm; the awful suffering of infants and the anxiety of worn-out parents, as in milk crust, tetter, and salt rheum—all demand a remedy of almost superhuman virtues to successfully cope with them. That Cuticura remedies are such stands proven beyond all doubt. No statement is made regarding them that is not justified by the strongest evidence. The purity and sweetness, the power to afford immediate relief, the certainty of speedy and permanent cure, the absolute safety and great economy, have made them the standard skin and blood and humor remedies of the civilized world.

Millions of Women Use Cuticura Soap
