DR. WM. HALL'S
BALSAM FOR THE LUNGS,

FOR THE CURE OF

Consumption, Decline, Asthma, Bronchitis, Wasting of Flesh, Night Sweats, Spitting of Blood, Hooping Cough, Difficulty of Breathing, Colds, Coughs, Influenza, Phthisic, Pain in the Side, and all Diseases of the Lungs.

10,000 DOLLARS REWARD

IS OFFERED FOR A BETTER RECEIPT.

IT CONTAINS

NO OPIUM, CALOMEL, NOR MINERAL POISON!

And is safe for the most delicate child.

It is estimated that 150,000 persons die annually in the U. States, with consumption, and Professor Eberly says that a vast number of these could be saved by the timely use of some proper remedy.

Dr. Hall's Balsam strikes at the root of the disease at once, and such is its speedy effect that any one using it freely according to directions for twenty-four or forty-eight hours, and not entirely satisfied with its effects, may return it and receive back their money. The most distressing cough is frequently relieved by a single dose, and broken up in a few hours' time. The afflicted do not have to take bottle after bottle before they find whether this remedy will afford relief or not.

The public have been imposed upon by remedies recommended by certificates which have always originated from some unknown source. We believe that a medicine possessing real merits will effect cures wherever it is used, at home as well as abroad. This is no parsonic preparation, but one which if used in season will save the lives of thousands.

It has effected cures in numerous cases, where the ablest skilled physicians in this country and in Europe have been employed, and had exhausted their skill on them. Cases which they have pronounced incurable, and surrendered as hopeless beyond a doubt, leaving the patients without a single ray to culliven them in their gloom, have been cured by Dr. Hall's Balsam, and the re victims of consumption "are now vigorous and strong as the best robust among us. And these cases are not of a few days or weeks standing, but many of them of long standing, and can be painted out in every community where this most unrivaled remedy has been used.

It is easier, than to believe the oft-repeated story about the lungs being gone; or rather let such apprehension induce you to give up. Act upon the principle that while there is life there is hope. You can never be so low that you may not trust, humanly speaking, in Hall's Balsam. More than one, may hundreds has it brought almost from death to life, when all else had failed. Give, then, this powerful but harmless remedy a trial.

Call on the agent and get a pamphlet gratis. The testimony of certificates alone is worth the price for the medicine. You will find certificates of physicians in Cincinnati, and of others whose cases have been cured here at home, where they can be found.

IF PHYSICIANS WILL USE IT, WHY IS IT NOT SAFE FOR THE PEOPLE?

CINCINNATI, Nov. 2.

MESSRS. A. L. SCOVILL & CO.

DEAR SIRS—The public generally are fully aware of the shameless nostrums for diseased lungs, under the titles of Sarsaparilla, Pills, Balsams, Ointments, etc., that are daily brought to our notice through the newspapers, by way of advertisements. My object in writing this note for publication is to induce the public, or at least those who are afflicted, (if they will use patent medicines,) to use one that contains articles of real use in pulmonary diseases. I am convinced that in ordering Dr. Hall's Balsam I am approximating, and directing to the attention of medical science and the regular practitioners of medicine.

The medicine to which I refer is *Dr. Hall's Balsam for the Lungs*. I have prescribed it in a large number of cases, and always with success. One case in particular to which I wish now to refer, was given up by several physicians who had been called in consultation with myself. The patient had all the symptoms of confirmed consumption, such as cold night sweats, hectic fever, harassing cough, with constant pain in the lobe of the right lung, attended with severe diarrhea! He commenced immediately to get better by the use of the above named medicine, and was soon restored to his usual health! I have also found Dr. Hall's Balsam the most valuable expectorant for breaking up distressing coughs and colds that I have ever used. W. P. WRIGHT, M. D.

More Physicians' Testimony.

☞ We, the undersigned Physicians of Cincinnati, certify that Dr. Wright's statements are entitled to the fullest confidence of the public, and we can fully corroborate what he has said, having used Dr. Hall's Balsam in a number of cases with the happiest effect. J. S. LAWSON, M. D., WM. C. SMITH, M. D., J. I. JOHNSON, M. D.

MOFFAT'S
LIFE PILLS AND PHŒNIX BITTERS.

THESE MEDICINES have now been before the public for a period of THIRTY YEARS, and during that time have maintained a high character in almost every part of the Globe, for their extraordinary and immediate power of restoring perfect health to persons suffering under nearly every kind of disease to which the human frame is liable.

The following are among the distressing variety of human diseases in which the

VEGETABLE LIFE MEDICINES

Are well known to be infallible.

DYSPEPSIA, by thoroughly cleansing the first and second stomachs, and creating a flow of pure, healthy bile, instead of the stale and acrid kind; FLATULENCY, LOSS OF APPETITE, HEARTBURN, HEADACHE, RESTLESSNESS, ILL-TEMPER, ANXIETY, LANGUOR and MELANCHOLY, which are the general symptoms of Dyspepsia, will vanish, as a natural consequence of its cure.

COSTIVENESS, by cleansing the whole length of the intestines with a solvent process, and without violence; all violent purges leave the bowels costive within two days.

FEVERS of all kinds, by restoring the blood to a regular circulation, through the process of respiration in such cases, and the thorough solution of all intestinal obstruction in others.

The LIFE MEDICINES have been known to cure RHEUMATISM permanently in three weeks; and GOUT in half that time, by removing local inflammation from the muscle and ligaments of the joints.

DROPSIES of all kinds by freeing and strengthening the kidneys and bladder; they operate most delightfully on these important organs, and hence have ever been found a certain remedy for the worst cases of GRAVEL.

Also WORMS, by dislodging from the turnings the slimy matter to which these creatures adhere.

SCURVY, ULCERS, and INVETERATE SORES, by the perfect purity which these LIFE MEDICINES give to the blood, and all the humors.

SCORBUTIC ERUPTIONS and BAD COMPLEXIONS, by their alterative effect upon the fluids that feed the skin, and the morbid state of which occasions all eruptive complaints, sallow, cloudy, and other disagreeable complexions.

The use of these Pills for a very short time will effect an entire cure of the skin. COMMON COLDS and INFLUENZA will always be cured by one dose, or two in the worst cases.

PILES.—The original proprietor of these Medicines, was cured of Piles, of 35 years standing by the use of the LIFE MEDICINES alone.

FEVER AND AGUE.—For this scourge of the Western country, these Medicines will be found a safe, speedy, and certain remedy. Other medicines leave the system subject to a return of the disease—a cure by these Medicines is permanent—*Try them, be satisfied, and be cured.*

BILIOUS FEVERS AND LIVER COMPLAINTS.—GENERAL DEBILITY, LOSS OF APPETITE, and DISEASES OF FEMALES—The Medicines have been used with the most beneficial results in cases of this description:—KINGS EVIL, and SCROFULA, in its worst forms, yields to the mild yet powerful action of these remarkable Medicines. NIGHT SWEATS, NERVOUS DEBILITY, NERVOUS COMPLAINTS of all kinds, PALPITATION OF THE HEART, PAINTER'S COLIC, are speedily cured.

MERCURIAL DISEASES.—Persons whose constitutions have become impaired by the injudicious use of Mercury, will find these Medicines a perfect cure, as they never fail to eradicate from the system, all the effects of Mercury, infinitely sooner than the most powerful preparations of Sarsaparilla.

DIARRHEA AND PAIN IN THE BOWELS CURED.

CINCINNATI, Hamilton Co., O., Nov. 25, 1853.

DR. O. H. BAKER.

Most Esteemed Friend:—I have had a severe attack of Diarrhea, attended with severe griping pains, and was reduced very low. I tried many different medicines, but all to no purpose, until I got a bottle of your Pain Panacea, and commenced its use. The first dose put a quietus on the griping pains, and I had not used two twenty-five cent bottles before I was entirely cured. I also recommended it to my friend, who was affected with cramp colic, and suffering with excruciating pains, and three doses entirely cured him.

DR. O. H. BAKER.

Dear Sir:—I have this day sold the last bottle of Dr. BAKER'S PAIN PANACEA. I should have written to you sooner, but not expecting to sell the good supply I had on hand. During the last week, however, my sales have been four times as large as any week since I have had your invaluable medicine, and the demand is still increasing. I have never sold a medicine that sustained so high a reputation. The Ague Fever, Cholera Morbus, Cholera Infantum, Bilious Colic, Cramp Colic, and Flux, have been very prevalent in this vicinity the past season, and the Pain Panacea has not failed to cure in every instance where it has been tried, so far as I have heard. Please send me a large supply as soon as possible.

Very respectfully yours,
H. W. STOUPARD.

A SUPPOSED CANCER CURED!

MESSRS. A. L. SCOVILL & CO.—*Gents.*—Mr. Elisha Bradley, of Bath Co., Ky., had on his hand a very bad sore, which he thought INCURABLE, having been there for years. He also had on his cheek bone, what he supposed to be a CANCER, and could obtain no relief until he used DR. BAKER'S PAIN PANACEA, which cured him of that disease, and also the swelling on his hand. This medicine is thought so much of that EVERY FAMILY in our neighborhood, *keep it constantly on hand.* In fact, it is the *best medicine for the diseases it is recommended for*, that we can get.

SCRATCHES CURED.

Dr. Baker's Pain Panacea Valuable for Horses as it is for Man.

MESSRS. A. L. SCOVILL & CO.—*Gents.*—During the last winter, most all the horses in our vicinity were subject to SCRATCHES. Having had on hand only two or three dozen bottles of Dr. Baker's Pain Panacea, in a few days I sold the entire lot, and could have sold much more, if I had had them, to my neighbors for that purpose. IN NO CASE HAS IT FAILED TO CURE. It is also indispensable in our neighborhood as a family medicine, for the various diseases for which it is recommended; and I will say that I have sold it for YEARS, WARRANTING IT, and HAVE NOT HAD A SINGLE BOTTLE RETURNED. IT IS THE BEST MEDICINE FOR THE NUMEROUS DISEASES RECOMMENDED, THAT I HAVE EVER SOLD.

ROMEO, Macomb Co., Mich., July 9, '60.

MESSRS. J. N. HARRIS & Co.

Gentlemen:—The confidence I have in Perry Davis' Pain Killer as a remedy for Colds, Coughs, Burns, Sprains and Rheumatism, for the cure of which I have successfully used it, induces me to cheerfully recommend its virtues to others.

A few months ago I had recourse to it to destroy a felon; although I had never heard of its being used for that purpose, but having suffered intensely from a former one, and having no other remedy at hand, I applied the Pain Killer for about fifteen minutes at evening, and repeated the application very briefly next morning, which entirely destroyed the felon, and increased my confidence in the utility of the remedy.

Yours truly, A. W. CURMIS,
Minister of the Wesleyan M. E. Church.

"Roots and Leaves will be for the healing of nations."—[BIBLE.

Madame Victorine Hollard,

THE great European Clairvoyant of the 19th century, and world renowned Healing Medium of the age, has arrived in Cincinnati, and established an Infermary at No. 271 Walnut strt., opposite Walnut St. House.

This wonderful Lady has been traveling through Europe and West Indies, South America, California, and the United States, for the last thirteen years, and has been endowed from her birth with a supernatural gift to such an astonishing degree, that she convinces the most skeptical of her wonderful powers. In short, through the assistance of some superior power she is endowed with the Healing Art. Madame Hollard is a Physician indeed! She cures the following complaints in their most obstinate stages, viz:

Diseases of the Throat, Lungs, Heart, Liver, Stomach, Dropsy in the Chest, Rheumatism, Neuralgia, Fits or Falling Sickness and all other Nervous Derangements.

Also, diseases of the Blood, such as the Scrofula, Erysipelas, Cancers, Fever Sores, Leprosy and all other Complicated Chronic Complaints.

All forms of Female difficulties attended to with the happiest results.

It is hoped no one will despair of a cure until they have given Mad. H.'s medicine a trial. During her travels, she has been the instrument in God's hands of restoring to health and vigor, thousans who were on the verge of the grave, and who are now living monuments of her skill and successful treatment, and are daily exclaiming, "blessed be the day when first we saw and partook of Madame Hollard's unrivaled medicines."

Satisfactory references will be cheerfully given when required. Madame H. will pledge her reputation and stake her all to make permanent cures in all cases which she undertakes.

Her mode of examination is with a Clairvoyant eye, or second sight. She therefore asks no questions, nor does she require invalids to explain symptoms: telling their cause and location with so much satisfaction as to merit and receive the confidence of all who have consulted her.

When pain and anguish wring the brow,
Administering angel thou;
I give such balms as have no strife,
When nature's or the laws of life.

N. B. Madame Hollard absolutely advertises nothing but what she has full ability to perform.

Persons living at a distance by giving a statement of their cases will be attended to when required.

Scrofula, or King's Evil,

is a constitutional disease, a corruption of the blood, by which this fluid becomes vitiated, weak, and poor. Being in the circulation, it pervades the whole body, and may burst out in disease on any part of it. No organ is free from its attacks, nor is there one which it may not destroy. The scrofulous taint is variously caused by mercurial disease, low living, disordered or unhealthy food, impure air, filth and filthy habits, the depressing vices, and, above all, by the venereal infection. Whatever be its origin, it is hereditary in the constitution, descending "from parents to children unto the third and fourth generation;" indeed, it seems to be the rod of Him who says, "I will visit the iniquities of the fathers upon their children."

Its effects commence by deposition from the blood of corrupt or ulcerous matter, which, in the lungs, liver, and internal organs, is termed tubercles; in the glands, swellings; and on the surface, eruptions or sores. This foul corruption, which genders in the blood, depresses the energies of life, so that scrofulous constitutions not only suffer from scrofulous complaints, but they have far less power to withstand the attacks of other diseases; consequently vast numbers perish by disorders which, although not scrofulous in their nature, are still rendered fatal by this taint in the system. Most of the consumption which decimates the human family has its origin directly in this scrofulous contamination; and many destructive diseases of the liver, kidneys, brain, and, indeed, of all the organs, arise from or are aggravated by the same cause.

One quarter of all our people are scrofulous; their persons are invaded by this lurking infection, and their health is undermined by it. To cleanse it from the system we must renovate the blood by an alterative medicine, and invigorate it by healthy food and exercise. Such a medicine we supply in

AYER'S
Compound Extract of Sarsaparilla,

the most effectual remedy which the medical skill of our times can devise for this everywhere prevailing and fatal malady. It is compiled from the most active remedials that have been discovered for the expurgation of this foul disorder from the blood, and the rescue of the system from its destructive consequences. Hence it should be employed for the cure of not only Scrofula, but also those other affections which arise from it, such as ERUPTIVE and SKIN DISEASES, ST. ANTHONY'S FIRE, ROSE, or ERYSIPELAS, PIMPLES, PUSTULES, BLOTCHES, BLAINS and BOILS, TUMORS, TETTER and SALT RHEUM, SCALD HEAD, RINGWORM, RHEUMATISM, SYPHILITIC and MERCURIAL DISEASES, DROPSY, DYSPEPSIA, DEBILITY, and indeed, ALL COMPLAINTS ARISING FROM VITIATED OR IMPURE BLOOD. The popular belief in "*impurity of the blood*" is founded in truth. Scrofula is a degeneration of the blood. The particular purpose and virtue of this Sarsaparilla is to purify and regenerate this vital fluid, without which sound health is impossible in contaminated constitutions.

AYER'S
Ague Cure,

FOR THE SPEEDY CURE OF

Intermittent Fever, or Fever and Ague, Remittent Fever, Chill Fever, Dumb Ague, Periodical Headache or Bilious Headache, and Bilious Fevers, indeed for the whole class of diseases originating in biliary derangement, caused by the Malaria of Miasmatic Countries.

We are enabled here to offer the community a remedy which, while it cures the above complaints with certainty, is still perfectly harmless in any quantity. Such a remedy is invaluable in districts where these afflicting disorders prevail. This "CURE" expels the miasmatic poison of FEVER AND AGUE from the system, and prevents the development of the disease, if taken on the first approach of its premonitory symptoms. It is not only the best remedy ever yet discovered for this class of complaints, but is the cheapest. The large quantity we supply for a dollar brings it within the reach of every body; and in bilious districts, where FEVER AND AGUE prevails, every body should have it and use it freely both for cure and protection. A great superiority of this remedy over any other ever discovered for the speedy and certain cure of Intermittents is that it contains no Quinine or mineral, consequently it produces no quinism or other injurious effects whatever upon the constitution. Those cured by it are left as healthy as if they had never had the disease.

Fever and Ague is not alone the consequence of the miasmatic poison. A great variety of disorders arise from its irritation, among which are *Neuralgia, Rheumatism, Gout, Headache, Blindness, Toothache, Earache, Catarrh, Asthma, Palpitation, Painful Affection of the Spleen, Hysterics, Pain in the Bowels, Colic, Paralysis* and *Derangement of the Stomach*, all of which, when originating in this cause, put on the *intermittent type*, or become periodical. This "CURE" expels the poison from the blood, and consequently cures them all alike. It is an invaluable protection to immigrants and persons travelling or temporarily residing in the malarious districts. If taken occasionally or daily while exposed to the infection, that will be excreted from the system, and cannot accumulate in sufficient quantity to ripen into disease. Hence it is even more valuable for protection than cure, and few will ever suffer from Intermittents if they avail themselves of the protection this remedy affords.

Prepared by Dr. J. C. AYER & CO., Lowell, Mass.

DR. O. S. RICHARDSON'S
SHERRY WINE BITTERS,

THE CELEBRATED NEW ENGLAND REMEDY

—FOR—

HABITUAL CONSTIPATION,

Jaundice, Fever and Ague, General Debility, and all Diseases arising from a Disored Stomach, Liver, or Bowels,

Is used and recommended by leading Physicians of the country, and all who try it pronounce it valuable.

Dr. James L. Leepere writes from Navarre, Stark county, Ohio, "the Bitters are highly praised by those suffering from Indigestion, Despepsia and Liver complaint."

E. S. Davis, Postmaster at Williamsport, Ohio, says, "they *give great satisfaction.* I use them myself, having taken cold, become prostrate and lost my appetite. It relieved me, and I can recommend it with grat assurance of its merits."

Dr. Wm. M. Kerr, of Rogersville, Indiana, writes us that they are the most valuable medicine offered. He has recommended them with great success, and with them made several cures of bad cases of Palpitation of the Heart and General Debility.

Thomas Sanford, Esq., writes us a long letter, under date of May 4th, 1860. He was much reduced, having been affected for three years with great nervous ability, palpitation of the heart, of the most severe and prostrating character; "after using a few bottles I was completely restored, and am now in robust health."

George W. Hoffman says he was afflicted with Rheumatism for twenty years, in all its various shapes, and at the date of his letter he had been two years well—the Bitters affecting a cure when several Physicians attended him could do him no good. He says, "for RHEUMATISM, Dyspepsia, Liver Complaint, and Kidney Affection or Dropsy, it is a specific, certain remedy." And such is the news from all quarters of the country.

It is sold by most dealers in medicines—price 75 cents per bottle.

SCANDINAVIAN REMEDIES.

When Dr. Roback, the celebrated Swedish Physician, introduced his Blood Purifier and Blood Pills in the United States, he set forth in plain language their curative properties.—This was years ago. The task of recommending them has since been *taken out of his hands.* Enlightened men whsose chrac ter for sound judgment and philosphy, gives their opinions weight in th comiomuty, men, who observe, reflect, andaemake "surance doubly sure" before they decide—are everywhere approving and urging the use of these wonderful Preparations. All who confide in the wisdom and honesty of this class, or who chose to investigate for themselves are now of *one mind* on this important subject.

Dr. Roback invites the attention of the sick to the

ORIGINAL LETTERS,

from members of the Medical Profession, Editors of public journals, well known Merchants and Farmers, and Ladies of the highest respectability, giving accounts of extraordinary cures wrought by the remedies, of which cures they themselves were

EYE WITNESSES.

These parties may be consulted personally or by letter, by those who have any doubt upon the subject. The evidence in the possession of Dr. Roback, which is at all times accessible to the public, establishing the following

FACTS:

That the Blood Purifier and Blood Pills have been proved by analysis to

CONTAIN NO MINERAL,

That they cure the almost universal complaint,

DYSPEPSIA,

with *unerring certainty*, and in a very short time. That after all other medicines have proved useless, they relieve

LIVER COMPLAINT,

and restore the health and strength of the sufferer. That SICK FEMALES, who have languished for years in helpless weakness and despondency, recuperate with great rapidity under their invigorating operation. That all sexual disabilities are removed by their cordial and gentle stimulating properties. That they recruit

SHATTERED CONSTITUTIONS,

however they may have been trifled with and abused; that their direct tendency is to lengthen life, and render it enjoyable. That operating directly upon the *poison of the disease in the blood* they

CAUSE SOON TO HEAL,

and discharge from the system, every taint of Scrofula, whether hereditary or otherwise. That they RECRUIT THE DEBILITATED, and that there is no disease of the Stomach and Bowels, the Liver and Nervous System, the Skin, Glands or Muscles,

arising from impurities or obstructions of the blood or secretions,

in which they do not give *prompt relief*, and, (if administered before the very citadel of life has been invaded,) *effect a painless and perfect cure.*

Bear in mind that the Scandinavian Vegetable Blood Pills are endorsed by the experience of thousands of living witnesses, who, in letters, affidavits, medical works and by word of mouth, proclaim them to be the very best preparation of the kind ever offered to the broken down victims of ill health. They hunt disease through every avenue and organ of the system, and expel it thoroughly and permanently.

No one can doubt their superiority after one single trial—they are not only better but in fact, cheaper than any other Pills, for it takes a less number of them to produce a better effect.

Price of the Scandinavian Vegetable Blood Purifier, $1 per bottle, or $5 per half dozen. Of the Scandinavian Vegetable Blood Pills, 25 cents per box, or 5 boxes for $1.
