WONDERFUL CURE OF SCROFULOUS WHITE SWELLING!!!

Read the Statement of Martin Robbins, Jr.

"One of the Worst Cases ever Recorded"

CINCINNATI, O., Feb. 16, 1858

Messrs. A. L. Scovill & Co.

Gentlemen:—I with with great pleasure give my testimony as to what your SARSAPARILLA AND STILLINGIA, or Blood and Liver Syrup, has done for me. Some three and a half years since, I was attacked with a SCROFULOUS WHITE SWELLING, which was attended with most excruciating pains! I tried various remedies, and had two of the best Physicians of the city, (one of them a Professor in an Old School Medical College,) and they Failed to give me any Relief! I was so reduced that I was confined to my bed for over three months. The nerves and muscles of one leg were so contracted and drawn up, that I COULD NOT WALK. I had MORE THAN A DOZEN RUNNING ULCERS on my legs, from which I took from time to time, more than ONE HUNDRED PIECES OF BONE, some of them from three to four inches long. I was reduced to almost a skeleton, and my friends had given up all HOPES of my RECOVERY! I was in this condition when I commenced the use of your Blood and Liver Syrup. I have used altogether some two dozen bottles. I am now ABLE TO ATTEND TO BUSINESS, and my legs have become so strong that I walk without any difficulty—AND HAVE ENTIRELY RECOVERED MY HEALTH. Yours, truly,

MARTIN ROBBINS, Jr.
152 West 5th Street.
Dealer in Coal Oil and Lamps.

Been so extract from the *Cincinnati Lancet and Stethoscope Medical Journal*, Vol. 5, page 319, by its editor, Prof. R. S. NEWTON, in regard to this Remarkable Cure!!

"While Martin Robbins was in the very worst imaginable condition, we were called to attend him for a fracture of the leg, produced by a fall. The indications of a reunion of the bone under the circumstances, were very unfavorable for he would sit, day after day, PICKING OUT SMALL PIECES OF THE BONE, which would slough off. I found him using Scovill's Preparation, which he continued to use until a cure was effected. We gave him no constitutional treatment, being in attendance only as a surgeon; yet we confess we had much curiosity to see what could be done in a system so extensively diseased as his was."

The Doctor continues alive, since that time he has made use of SCOVILL'S SARSAPARILLA and STILLINGIA in his practice, and it has cured the most difficult cases of SCROFULA and SYPHILITIC DISEASES.

A WHOLE FAMILY AFFLICTED—COVERED WITH SORES AND BOILS.

CINCINNATI, Hamilton Co., O., Jan. 24, '48.

Mr. A. L. Scovill,

Dear Sir:—This is to certify that my wife, children, mother, and myself, about two years and a half ago, were sorely afflicted. My wife, children, and mother, were first taken with a dreadful itching on the skin over the whole body, and I was covered with running boils. I employed several physicians, and tried their prescriptions for about six months, and found that, instead of getting better, we grew worse and worse; and finally the children were covered with running sores over the whole body. My brother [illegible] and got eight bottles of your BLOOD S[illegible] and strange to tell, before we had one bo[illegible] used, we were ALL WELL. I had spent over one hundred dollars before I got your medicine.

Yours, with respect,
HAMILTON M'ADAMS.

Will the agent call on the agent and get a pamphlet containing certificates of cures from well KNOWN CITIZENS OF CINCINNATI?

For Scovill's Blood and Liver Syrup is COMPOSED ENTIRELY OF VEGETABLES, and is PERFECTLY SAFE for CHILDREN to take, in case of sore mouth or eruption of the skin. If MOTHERS VALUE the health of their children, they should eradicate the seeds of the disease before it is too late.

Read the statement of one of the OLDEST CHEMISTS IN CINCINNATI.

"I hereby certify that I have been made acquainted with SCOVILL'S SARSAPARILLA AND STILLINGIA, or BLOOD AND LIVER SYRUP. THE INGREDIENTS are entirely vegetable, and no mineral enter into the preparation.

Ayer's Sarsaparilla

A compound remedy, designed to be the most effectual *Alterative* that can be made. It is a concentrated extract of Pure Sarsaparilla so combined with other substances of still greater alterative power as to afford an effective antidote for the disease Sarsaparilla is reputed to cure. It is believed that such a remedy is wanted by those who suffer from Strumous complaints, and that one which will accomplish their cure must prove of immense service to this large class of our afflicted fellow-citizens. How completely this compound will do it has been proven by experiment on many of the worst cases to be found of the following complaints:

Scrofula and Scrofulous Complaints, Eruptions and Eruptive Diseases, Ulcers, Pimples, Blotches, Tumors, Salt Rheum, Scald Head, Syphilis and Syphilitic Affections, Mercurial Disease, Dropsy, Neuralgia or Tic Doloureux, Debility, Dyspepsia and Indigestion, Erysipelas, Rose or St. Anthony's Fire, and indeed the whole class of complaints arising from Impurity of the Blood.

This compound will be found a great promotor of health, when taken in the spring, to expel the foul humors which fester in the blood at this season of the year. By the timely expulsion of them many troubling disorders are nipped in the bud. Multitudes can, by the aid of this remedy, spare themselves from the endurance of that eruptions and ulcerous sores, through which the system will strive to rid itself of corruptions, if not assisted to do this through the natural channels of the body by an alterative medicine. Cleanse out the vitiated blood whenever you find its impurities bursting through the skin in pimples, eruptions, or sores; cleanse it when you find it is obstructed and sluggish in the veins; cleanse it whenever it is foul, and your feelings will tell you when. Even where no particular disorder is felt, people enjoy better health, and live longer, for cleansing the blood. Keep the blood healthy, and all is well; but with this pabulum of life disordered, there can be no lasting health. Sooner or later something must go wrong, and the great machinery of life is disordered or overthrown.

Sarsaparilla has, and deserves much, the reputation of accomplishing these ends. But the world has been egregiously deceived by preparations of it, partly because the drug alone has not all the virtue that is claimed for it, but more because many preparations, pretending to be concentrated extracts of it, contain but little of the virtue of Sarsaparilla, or any thing else.

During late years the public have been misled by large bottles, pretending to give a quart for a dollar of Sarsaparilla for one dollar. Most of these have been frauds upon the sick, for they not only contain little, if any, Sarsaparilla, but often no curative properties whatever. Hence, bitter and painful disappointment has followed the use of the various extracts of Sarsaparilla which flood the market, until the name itself is justly despised, and has become synonymous with imposition and cheat. Still we call this compound Sarsaparilla, and intend to supply such a remedy as shall rescue the name from the load of obloquy which rests upon it. And we think we have ground for believing it has virtues which are irresistible by the ordinary run of the diseases it is intended to cure. In order to secure their complete eradication from the system, the remedy should be judiciously taken according to directions on the bottle.

EARLY ALL DISEASES ORIGINATE WITH

THE LIVER.

When the Liver is diseased the Bile becomes impure, and tends to derange the whole system. This impure Bile being thrown into the Stomach, causes a bad taste in the mouth, the Tongue being more or less furred, with, in most cases, dizziness and pain in the head. The Bile then passes from the Stomach into

THE BOWELS,

AND PRODUCES

COSTIVENESS, UNHEALTHY HUMORS,

AND AN

IMPURE STATE OF THE BLOOD,

and tends to close the pores of the skin, which organ becomes dry and husky. It also tends to impair the action of

THE KIDNEYS,

as will be seen by the color and quantity of the urine.

DR. MOTT'S

VEGETABLE LIVER PILLS

will promote a healthy action of the Liver, and will change this impure Bile to a healthy state. To prevent or remove the secretion of unhealthy bile, these Pills have a specific action on the Liver; after using them, the tongue will become smooth and clean, the taste will become natural, and digest can be rendered easy. The Pains in the Head, Back, and Stomach, will be removed. The Bowels will become cleansed and regular, THE BLOOD PURE AND HEALTHY, and the Urine natural.

Although these Pills are most searching in their action upon the whole system, yet they are harmless, even for the most delicate system, as they contain no Mercury or mineral in any form, but are composed entirely of vegetable substances.

LIVER COMPLAINT CURED.

INDIANAPOLIS, *October 17, 1858.*

MESSRS. A. L. SCOVILL & CO.

Gents.:—I am hardly able to express my gratitude for the benefit which my daughter has derived from the use of Dr. Mott's Liver Pills. She had been troubled with what the physician called Liver Complaint; but our doctor failed to give her any permanent relief, although she tried his prescriptions effectually. She had become melancholy, unhappy, and her constitution was much broken down by the use of Mercury. She tried Dr. Mott's Liver Pills, and soon began to get better. I am happy to say that she has now entirely recovered her health.

Respectfully yours,
JAMES COBB.

COSTIVENESS CURED.

URBANA, OHIO, *September 25, 1858.*

MESSRS. A. L. SCOVILL & CO.

Gents.:—I have been troubled with a torpid action of the bowels for six or seven years, which has been the cause of a great deal of suffering to me, and I had to deprive myself of many kinds of food, and used much oatmeal, etc., until I got Dr. Mott's Liver Pills, and find that they keep my bowels regular, and I now eat anything that my family does. I most confidently recommend these Pills to those who are troubled with constipation of the bowels.

Truly yours, JOHN FLEMING.

CAMBRIDGE, IND., *Feb 1, 1858.*

MESSRS. A. L. SCOVILL & CO.

Gents.:—This is to certify that I have used Dr. Mott's Liver Pills in bilious attacks, and found them to be the best Pills that I ever used for that purpose; and I have also used them as a Cathartic Medicine, and have found but little use for a Physician since I had them in my family.

Yours, truly, ASA FRENCH.

DYSPEPSIA, OR INDIGESTION.

This is generally attended with sour stomach, loss of appetite, nausea, flatulency, heartburn, costiveness, heat in the stomach when empty, a pain in the side, paleness of the countenance, languor, low spirits, disturbed sleep, pains in the head, &c.

SPRINGFIELD, OHIO, *July 1, 1859.*

MESSRS. A. L. SCOVILL & CO.

Gents.:—I have found Dr. Mott's Liver Pills one of the best medicines for Dyspepsia that I ever used. I had been afflicted with the disease for more than six months, and my victuals disturbed my stomach, often to such a degree as to cause vomiting. I was most of the time costive. I found that the Pills kept my bowels open, without griping or pain. I have actually gained in weight, since using them,—being ten pounds heavier than when I commenced. I owe my cure solely to use of the Pills.

GEORGE DANA.

BILIOUS FEVER CURED.

PORTSMOUTH, OHIO, *April 1, 1859.*

MESSRS. A. L. SCOVILL & CO.

Gents.:—I have been, for years, subject to attacks of Bilious Fever; and sometimes I have been laid up for months, and my system left in a feeble state by the use of strong medicine, which was given to me by my physicians.

I have been using Dr. Mott's Liver Pills for some time. I find that I can break those attacks in a day or so, and escape entirely the fever. My daughter had an attack of Dyspepsia, which distressed her much; she could not eat scarcely anything without becoming nauseated at her stomach continually. Some time since she got and has been using Dr. Mott's Liver Pills; and she now is like another being. I have found also that they are the most valuable Pills for Breaking up Colds, Headache, Pains in the Side and Back, would not be without them in my family.

HEAR WHAT THE MEDICAL PRESS SAYS.

Some physicians require to be told the nature of your disease—the ENGLISH BOTANIC PHYSICIAN does not. His perfect knowledge of the human system enables him to describe the diseases without any information from the patient, to explain its original cause, and to guarantee its cure. And, what is more valuable still, he will honestly and frankly tell whether you can be cured or not. This will satisfy your mind, and save you expense, time, trouble, and disappointment. It will be the means of saving you many a dollar; it will save your health, and, what is better than all, it will save your life from being shortened by wrong treatment.

His examinations are made without any information from the patient; therefore he thoroughly understands their Physical condition and Phrenological development, without which he never could have performed so many astonishing cures. It should be remembered that this Botanic Physician performs cures thought impossible.

If you have tried others and got no relief, if you wish to enjoy good health and long life, if you are wise, you will go and consult DR. RAPHAEL, the Botanic Physician.

FACTS ARE STUBBORN THINGS!

Hear what the Philadelphia correspondent says in the Commonwealth, Wilmington, Delaware, 8th of April, 1859:

"An English gentleman, formerly connected with the British Army, and who styles himself an English Botanic Physician, has of late gained a extensive reputation here by his skill in curing all manner of complaints. Some of his patients I have conversed with, and they pronounce his remedies and mode of treatment as very superior. Some have been restored to health by his medicine he used is distilled by him from various herbs possessing rare curative properties.

"While acting in the army he devoted his leisure moments to a thorough study of the effects produced by certain medicinal roots and herbs on all manner of diseases. It seems he has found a sure and speedy remedy for all the ills that flesh is heir to." His practice is already extensive, and is daily increasing. GOOD NEWS FOR SINGLE MEN CONTEMPLATING MARRIAGE.

Hear what the Baltimore correspondent of the Odd Fellow, Boonsboro', Maryland, said on Thursday, the 21st of May, 1860:

"Numerous cures of diseases caused by early indiscretion having been performed by the English Botanic Physician, I feel it my duty, having a knowledge of them, to state the fact, believing that in doing so I may do a service to the suffering. One case in particular—that of a young man in this city—is worthy of note. He had become the victim of a habit, the mere allusion to which makes one shudder, and after years of suffering and doctoring gave up all hopes of recovery. He wished to marry, and was dearly beloved by as sweet a girl as ever lisped words of affection, but he was fearful, nervous, and prostrated. He dared not wed on account of the shattered state of his system. He sought relief at the hands of the Botanic Physician, and, astonishing as it may seem, all the bloom and vigor of youth has returned, and he is now the happy father of a pair of bright boys."

U. S. 10-40 BONDS.

These bonds are issued under the Act of Congress of March 8th, 1864, which provides that all bonds issued under this Act shall be EXEMPT FROM TAXATION by or under any state or municipal authority. Subscriptions to these Bonds are recieved in United States notes or notes of National Banks.—They are TO BE REDEEMED IN COIN at the pleasure of the Government, at any period *not less than ten nor more than forty years* from their date, and until their redemption FIVE PER CENT INTEREST WILL BE PAID IN COIN, on Bonds of not over one hundred dollars annually and on all other Bonds semi-annually. The interest is payable on the first days of March and September in each year.

Subscribers will receive either Registered or Coupon Bonds, as they prefer. Registered Bonds are recorded on the books of the U. S. Treasurer, and can be transferred only at the owner's order. Coupon Bonds are payable to bearer, and are more convenient for commercial uses.

Subscribers to this loan will have the option of having their Bonds draw interest in coin—(or in United States notes, or the notes of National Banks, adding fifty per cent, for premium,) or receive them drawing interest from the date of subscription and deposit. As these Bonds are

EXEMPT FROM MUNICIPAL OR STATE TAXAITON,

their value is increased from one to three per cent per annum, according to the rate of tax levies in various parts of the country.

At the present rate of premium on gold they pay

Over Eight Per Cent Interest.

in currency, and are of equal convenience as a permanent or temporary investment.

It is believed that no securities offer so great inducements to lenders as the various descriptions of U. S. Bonds. In all other forms of indebtedness, the faith or ability of private parties or stock companies or separate communities only is pledged for payment while for the debts of the United States the whole property of the country is holden to secure the payment of both principal and interest in coin.

These Bonds may be subscribed for in sums from $50 up to any magnitude, on the same terms, and are thus made equally available to the smallest lender and the largest capitalist. They can be converted into money at any moment, and the holder will have the benefit of the interest.

It may be useful to state in this connection that the total Funded debt of the United States on which interest is payable in gold, on the 3d day of March, 1861, was $768,965 000. The interest on this debt for the coming fiscal year will be $15,037,126, while the customs revenue in gold, on the 3d day of March 1864, was $768,865 009. The interest on this debt for the coming fiscal year ending June 30th 1864, has been so far at the rate of over $100,000,000 per annum.

It will be seen that even the present gold revenues of the Government are largely in excess of the wants of the Treasury for the payment of gold interest, while the recent increase of the tariff will doubtless raise the annual receipts from customs on the same amount of importations, to $150,000,000 per annum.

Instructions to the National Banks acting as loan agents were not issued from the United State Treasury until March 25, but in the first three weeks of April the subscriptions averaged more than TEN MILLIONS A WEEK.

Subscriptions will be received by the.

First National Bank of Cincinnati, O.
Third National Bank of Cincinnati, O.
Fourth National Bank of Cincinnati, O.
First National Bank of Dayton, O.
Second National Bank of Dayton, O.

GOOD NEWS AT LAST!

LET THE AFFLICTED READ.

And learn that a perfect and radical cure is warranted and guaranteed to all who are afflicted with weakness, debility, nervous complaints, melancholy thoughts, depression of spirits, distress and anguish of mind, loss of sleep, loss of memory, loss of energy and muscular power, puny growth, wasting away, and a want of confidence in themselves, fainting fits, convulsive tremblings, impotence and disgust of life.

HEAR WHAT THE MEDICAL PRESS SAYS.

Some physicians require to be told the nature of your disease—the ENGLISH BOTANIC PHYSICIAN does not. His perfect knowledge of the human system enables him to describe the diseases without any information from the patient, to explain its original cause, and to guarantee its cure. And, what is more valuable still, he will honestly and frankly tell whether you can be cured or not. This will satisfy your mind, and save you expense, time, trouble, and disappointment. It will be the means of saving you many a dollar; it will save your health, and, what is better than all, it will save your life from being shortened by wrong treatment.

His examinations are made without any information from the patient; therefore he thoroughly understands their Physical condition and Phrenological development, without which he never could have performed so many astonishing cures. It should be remembered that this Botanic Physician performs cures thought impossible.

If you have tried others and got no relief, if you wish to enjoy good health and long life, if you are wise, you will go and consult DR. RAPHAEL, the Botanic Physician.

All his communications and interviews are strictly private and confidential.—*Medical Journal.*

FACTS ARE STUBBORN THINGS!

Hear what the Philadelphia correspondent says in the Commonwealth, Wilmington, Delaware, 8th of April, 1859:

"An English gentleman, formerly connected with the British Army, and who styles himself an English Botanic Physician, has of late gained a extensive reputation here by his skill in curing all manner of complaints. Some of his patients I have conversed with, and they pronounce his remedies and mode of treatment as very superior. Some have been restored to health by his medicine he used is distilled by him from various herbs possessing rare curative properties.

"While acting in the army he devoted his leisure moments to a thorough study of the effects produced by certain medicinal roots and herbs on all manner of diseases. It seems he has found a sure and speedy remedy for all the ills that flesh is heir to." His practice is already extensive, and is daily increasing. In the complaints to which females are subjected he has no equal, as a large number here have testified that they owe not only their present good health, but their lives, to the skill of this English Botanic Physician." His office is at

No. 59 EAST FIFTH STREET,
CINCINNATI.
